United States of America, *Plaintiff*, v. Anheuser-Busch InBev SA/NV, et al., *Defendants.*
Civil Action No. 13–127 (RWR)

Plaintiff United States’s Response To Public Comments

Pursuant to the requirements of the Antitrust Procedures and Penalties Act, 15 U.S.C. 16(b)–(h) (“APPA” or “Tunney Act”), the United States hereby files the public comments concerning the proposed Final Judgment in this case and the United States’s response to those comments. After careful consideration of the comments, the United States continues to believe that the proposed Final Judgment will provide an effective and appropriate remedy for the antitrust violations alleged in the Complaint. The United States will move the Court, pursuant to 15 U.S.C. 16(b)–(h), to enter the proposed Final Judgment after the United States has posted all public comments and this response on the Antitrust Division Web site and published in the **Federal Register** this response and the Web site address at which the public comments may be viewed and downloaded, as set forth in the Court’s order dated August 2, 2013.¹ (Doc. 42).

¹ Commenter Steven Uhr has submitted 18 exhibits in support of his Tunney Act comment. Two of those exhibits are videos for which he provided only written internet links. Another two are videos which he provided on a DVD and for which he also provided internet links. The Tunney Act requires the Department to “receive and consider any *written* comments relating to the proposal for the consent judgment,” 15 U.S.C. 16(d) (emphasis added). However, the Department considered the entirety of Mr. Uhr’s submission and will publish the written links he provided. It has informed Mr. Uhr that it does not intend to post the videos themselves on the Department’s public Web site, and publication in the **Federal Register** would be impossible.
