Foreign-Trade Zones Board

[B–86–2013]

Notification of Proposed Production Activity; Benteler Automotive Corporation (Automotive Suspension and Body Components); Duncan, South Carolina

Benteler Automotive Corporation (Benteler), operator of Subzone 38F, submitted a notification of proposed production activity for its facility located in Duncan, South Carolina. The notification conforming to the

requirements of the regulations of the FTZ Board (15 CFR 400.22) was received on August 28, 2013.

The subzone currently has authority to produce automotive suspension components and subassemblies using certain foreign-status components. The current request would add bumper assemblies, body reinforcement assemblies, suspension parts (e.g., links, control arms), and sub-frames to the list of approved finished products and would also add foreign-status components to the scope of authority. Pursuant to 15 CFR 400.14(b), FTZ activity would be limited to the specific foreign-status materials and components and specific finished products described in the submitted notification (as described below) and subsequently authorized by the FTZ Board.

Production under FTZ procedures could exempt Benteler from customs duty payments on the foreign status

materials and components used in export production. On its domestic sales, Benteler would be able to choose the duty rate during customs entry procedures that applies to bumper assemblies, body reinforcement assemblies, suspension parts, and sub-frames (2.5%) for the foreign status inputs noted below. Customs duties also could possibly be deferred or reduced on foreign status production equipment.

The components and materials sourced from abroad include: Metal stampings (crash cans, reinforcement plates, flange plates); bumper beams; toe hooks; cross member shells; side tubes; steel blanks; brackets; gussets; closing plates; castings of aluminum; flat-rolled steel; tapping plates; fasteners; hub-bearing assemblies; metal knuckle protective caps; control arms; stabilizer links; struts; wheel carriers; snap rings; drive flange hubs; bearings; backing plates; and, adjuster nuts/spacers/blocks (duty rate ranges from free to 5.8%).

Public comment is invited from interested parties. Submissions shall be addressed to the FTZ Board's Executive Secretary at the address below. The closing period for their receipt is November 4, 2013.

A copy of the notification will be available for public inspection at the Office of the Executive Secretary, Foreign-Trade Zones Board, Room 21013, U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230-0002, and in the "Reading Room" section of the FTZ Board's Web site, which is accessible via www.trade.gov/ftz.

Bureau of Industry and Security

Denial of Export Privileges; Sixing Liu

In the Matter of: Sixing Liu, a/k/a Steve Liu, Inmate #43102-424, FCI Oxford, Federal Correctional Institution, P.O. Box 1000, Oxford, WI 53952

Order Denying Export Privileges

On March 26, 2013, in the U.S. District Court for the District of New Jersey, Sixing Liu, a/k/a Steve Liu ("Liu"), was convicted of violating Section 38 of the Arms Export Control Act (22 U.S.C. 2778 (2006 & Supp. IV

2010)) ("AECA"). Specifically, Liu was convicted of knowingly and willfully exporting and attempting to export to the People's Republic of China defense articles, specifically, technical data on the United States Munitions List related to fire control, range finder, optical and guidance and control equipment, without having first obtained from the U.S. Department of State a license or written approval for such export. Liu was sentenced to 70 months of imprisonment, three years of supervised release, a \$15,000 criminal fine, and an assessment of \$900.00.

Section 766.25 of the Export Administration Regulations ("EAR" or "Regulations")¹ provides, in pertinent part, that "[t]he Director of the Office of Exporter Services, in consultation with the Director of the Office of Export Enforcement, may deny the export privileges of any person who has been convicted of a violation of the Export Administration Act ("EAA"), the EAR, or any order, license or authorization issued thereunder; any regulation, license, or order issued under the International Emergency Economic Powers Act (50 U.S.C. 1701-1706); 18 U.S.C. 793, 794 or 798; section 4(b) of the Internal Security Act of 1950 (50 U.S.C. 783(b)), or section 38 of the Arms Export Control Act (22 U.S.C. 2778)." 15 CFR 766.25(a); *see also* Section 11(h) of the EAA, 50 U.S.C. app. 2410(h). The denial of export privileges under this provision may be for a period of up to 10 years from the date of the conviction. 15 CFR 766.25(d); *see also* 50 U.S.C. app. 2410(h). In addition, Section 750.8 of the Regulations states that the Bureau of Industry and Security's Office of Exporter Services may revoke any Bureau of Industry and Security ("BIS") licenses previously issued in which the person had an interest in at the time of his conviction.

I have received notice of Liu's conviction for violating the AECA, and have provided notice and an opportunity for Liu to make a written submission to BIS, as provided in Section 766.25 of the Regulations. I have not received a submission from Liu.

¹ The Regulations are currently codified in the Code of Federal Regulations at 15 CFR parts 730-774 (2013). The Regulations issued pursuant to the Export Administration Act (50 U.S.C. app. 2401-2420 (2000)) ("EAA"). Since August 21, 2001, the EAA has been in lapse and the President, through Executive Order 13222 of August 17, 2001 (3 CFR, 2001 Comp. 783 (2002)), which has been extended by successive Presidential Notices, the most recent being that of August 8, 2013 (78 FR 49107 (August 12, 2013)), has continued the Regulations in effect under the International Emergency Economic Powers Act (50 U.S.C. 1701, *et seq.* (2006 & Supp. IV 2010)).

Based upon my review and consultations with BIS's Office of Export Enforcement, including its Director, and the facts available to BIS, I have decided to deny Liu's export privileges under the Regulations for a period of 10 years from the date of Liu's conviction. I have also decided to revoke all licenses issued pursuant to the Act or Regulations in which Liu had an interest at the time of his conviction.

Accordingly, it is hereby
