

with the Internal Revenue Service withholding and reporting requirements, where applicable.

#### Basis Upon Which Winner Will Be Selected

A panel of judges will evaluate each submission on the following four criteria:

##### User Interface—30%

- Were the user instructions easy to follow and comprehend?
- Is the display and color scheme of the information appealing?

##### Ease of Use—20%

- Are you able to search for information easily?
- Is the requested information, both text and graphics, easy to read when displayed?

##### Innovation in Design—20%

- Is the application original?
- Is the application creative?
- Is the design engaging (i.e. pleasant and satisfying to use)?

##### Functionality and Accuracy—30%

- Application has been tested on intended platforms?
- Can the application be accessed by the end user?
- Does the application return the correct information?

#### Additional Information

Participation in this contest constitutes a contestants' full and unconditional agreement to abide by the contest's official rules found at <https://www.challenge.gov>.

If contestants choose to provide HHS/CDC with personal information by registering or filling out the submission form through the Challenge.gov Web site, that information is used to respond to contestants in matters regarding their submission, announcements of entrants, finalists, and winners of the contest. Information is not collected for commercial marketing. Winners are permitted to cite that they won this contest.

Contestant(s) warrants that he or she is the sole author and owner of the contest submission, and that the contest submission completely originates with the contestant, that it does not infringe upon any copyright or any other rights of any third party of which contestant(s) is aware, and is free of malware. The contestant cannot submit material that he or she did not create and is not the owner of; the contestant cannot take material from any other source.

All materials submitted to the Respirator Trusted-Source Mobile App

challenge remain the intellectual property of the individuals who developed them. However, HHS, CDC, and NIOSH maintain a non-exclusive, royalty-free license to use, reproduce, publish, distribute and exhibit the submission/winning challenge in any and all formats or manner for educational, training and other public health purposes consistent with HHS, CDC and/or NIOSH's mission. The contestant will be acknowledged in any NIOSH actions conducted under this license.

HHS/CDC reserves the right to cancel, suspend, and/or modify the contest, or any part of it, for any reason, at HHS/CDC's sole discretion.

**Authority:** 15 U.S.C. 3719.

### Health Resources and Services Administration

#### Agency Information Collection Activities: Submission to OMB for Review and Approval; Public Comment Request

**AGENCY:** Health Resources and Services Administration, HHS.

**ACTION:** Notice.

**SUMMARY:** In compliance with Section 3507(a)(1)(D) of the Paperwork Reduction Act of 1995, the Health Resources and Services Administration (HRSA) has submitted an Information Collection Request (ICR) to the Office of Management and Budget (OMB) for review and approval. Comments submitted during the first public review of this ICR will be provided to OMB. OMB will accept further comments from the public during the review and approval period.

**DATES:** Comments on this ICR should be received within 30 days of this notice.

**ADDRESSES:** Submit your comments, including the Information Collection Request Title, to the desk officer for HRSA, either by email to [OIRA\\_submission@omb.eop.gov](mailto:OIRA_submission@omb.eop.gov) or by fax to 202-395-5806.

**FOR FURTHER INFORMATION CONTACT:** To request a copy of the clearance requests submitted to OMB for review, email the HRSA Information Collection Clearance

Officer at [paperwork@hrsa.gov](mailto:paperwork@hrsa.gov) or call (301) 443-1984.

#### SUPPLEMENTARY INFORMATION:

*Information Collection Request Title:* National Hospital Organ Donation Campaign's Activity Scorecard  
*OMB No.:* 0915-xxxx-NEW  
*Need and Proposed Use of the Information:* HRSA's Healthcare Systems Bureau, Division of Transplantation, administers the Workplace Partnership for Life program under the authority of Section 377A(a) of the Public Health Service (PHS) Act, (42 U.S.C. 274f-1). The Workplace Partnership for Life program seeks to increase the number of registered organ, eye, and tissue donors and to increase awareness about organ donation. HRSA launched a challenge to hospitals nationwide to assist in this effort by conducting donor education and donor registry enrollment events in their hospitals and communities. The nation's 58 organ procurement organizations (OPOs), who already work with hospitals on clinical aspects of transplantation, are invited to participate in HRSA's National Hospital Organ Donation Campaign to increase the number of enrollments in state donor registries. The Campaign supports OPOs by providing communications materials, facilitating the sharing of best practices, leveraging the influence of national associations and organizations related to hospitals and organ donation, and offering the additional incentive of national-level recognition to hospitals.

The National Hospital Organ Donation Campaign's Activity Scorecard is one piece of this campaign. A campaign leadership committee comprised of representatives from OPOs, Donate Life America (DLA) affiliates, and hospitals helped conceptualize the Activity Scorecard, which is based on the committee's experience of hospital receptivity to competition and the opportunity to be recognized among their peers. The Activity Scorecard provides hospitals, which wish to participate in the campaign, with ideas for outreach activities. Each activity on the programmable PDF is assigned a particular number of points based on the activity's potential for generating registrations.

Hospitals can complete the Activity Scorecard and submit it via email or fax to HRSA or to their OPO or DLA. This is a voluntary activity. Hospitals may participate in the campaign without using the Activity Scorecard. HRSA anticipates that most hospitals enrolled in the campaign (currently 802) will submit a completed Activity Scorecard once a year.

Most important, the Activity Scorecard provides incentive for hospitals to conduct activities that will increase the number of registered donors throughout the nation. A list of hospitals that reach these levels will be shared with all campaign participants during monthly webinars, in monthly campaign e-newsletters from HRSA, and in communications pieces sent out by the campaign's ten national partners, which include the American Hospital Association, the Association of Organ Procurement Organizations, and the American Society of Transplant Surgeons. In addition, OPOs, DLA affiliates, participating state hospital

associations, HRSA, and the national partners can use the results to recognize hospital participation and successes. The "write-in" option that allows hospitals to list additional activities will help to identify best practices that can be shared with all hospital partners on monthly webinars.

*Likely Respondents:* A hospital representative, most often the organ donation champion identified by the OPO, can download the form from [organdonor.gov](http://organdonor.gov) or receive it from their OPO or Donate Life America (DLA) affiliate.

*Burden Statement:* Burden in this context means the time expended by persons to generate, maintain, retain,

disclose or provide the information requested. This includes the time needed to review instructions; to develop, acquire, install and utilize technology and systems for the purpose of collecting, validating and verifying information, processing and maintaining information, and disclosing and providing information; to train personnel and to be able to respond to a collection of information; to search data sources; to complete and review the collection of information; and to transmit or otherwise disclose the information. The total annual burden hours estimated for this ICR are summarized in the table below.

TOTAL ESTIMATED ANNUALIZED BURDEN—HOURS

Form name	Number of respondents	Number of responses per respondent	Total responses	Average burden per response (in hours)	Total burden hours
National Hospital Organ Donation Campaign's Activity Scorecard .....	1000	1	1000	0.36	360

Dated: September 20, 2013.

**DEPARTMENT OF HEALTH AND HUMAN SERVICES**

**Health Resources and Services Administration**

**Agency Information Collection Activities: Proposed Collection: Public Comment Request**

**AGENCY:** Health Resources and Services Administration, HHS.

**ACTION:** Notice.

**SUMMARY:** In compliance with the requirement for opportunity for public comment on proposed data collection projects (Section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995), the Health Resources and Services Administration (HRSA) announces plans to submit an Information Collection Request (ICR), described below, to the Office of Management and Budget (OMB). Prior to submitting the ICR to OMB, HRSA seeks comments from the public regarding the burden estimate, below, or any other aspect of the ICR.

**DATES:** Comments on this Information Collection Request must be received within 60 days of this notice.

**ADDRESSES:** Submit your comments to [paperwork@hrsa.gov](mailto:paperwork@hrsa.gov) or mail the HRSA Information Collection Clearance Officer, Room 10-29, Parklawn Building, 5600 Fishers Lane, Rockville, MD 20857.

**FOR FURTHER INFORMATION CONTACT:** To request more information on the proposed project or to obtain a copy of the data collection plans and draft instruments, email [paperwork@hrsa.gov](mailto:paperwork@hrsa.gov) or call the HRSA Information Collection Clearance Officer at (301) 443-1984.

**SUPPLEMENTARY INFORMATION:** When submitting comments or requesting information, please include the information request collection title for reference.

*Information Collection Request Title:* The Stem Cell Therapeutic Outcomes Database OMB No. 0915-0310—Revision

*Abstract:* The Stem Cell Therapeutic and Research Act of 2005, Public Law (Pub. L.) 109-129, as amended by the Stem Cell Therapeutic and Research Reauthorization Act of 2010, Public Law 111-264 (the Act), provides for the collection and maintenance of human blood stem cells for the treatment of patients and research. HRSA's Healthcare Systems Bureau has established the Stem Cell Therapeutic Outcomes Database. Operation of this database necessitates certain record keeping and reporting requirements in order to perform the functions related to hematopoietic stem cell transplantation under contract to the U.S. Department of

Health and Human Services (HHS). The Act requires the Secretary to contract for the establishment and maintenance of information related to patients who have received stem cell therapeutic products and to do so using a standardized, electronic format. Data is collected from transplant centers by the Center for International Blood and Marrow Transplant Research and is used for ongoing analysis of transplant outcomes. HRSA uses the information in order to carry out its statutory responsibilities. Information is needed to monitor the clinical status of transplantation and to provide the Secretary of HHS with an annual report of transplant center-specific survival data. The increase in burden is due to an increase in the annual number of transplants and increasing survivorship after transplantation.

*Burden Statement:* Burden in this context means the time expended by persons to generate, maintain, retain, disclose or provide the information requested. This includes the time needed to review instructions; to develop, acquire, install and utilize technology and systems for the purpose of collecting, validating and verifying information, processing and maintaining information, and disclosing and providing information; to train personnel and to be able to respond to a collection of information; to search data sources; to complete and review the collection of information; and to transmit or otherwise disclose the
