Import Administration; Change of Agency Name

AGENCY: Import Administration, International Trade Administration, Commerce.

ACTION: Final rule; nomenclature change.

SUMMARY: Effective October 1, 2013, the Department of Commerce (Department), through internal department organizational orders, changed the name of “Import Administration” to “Enforcement and Compliance.” Consistent with this action, this rule makes appropriate conforming changes in the Code of Federal Regulations. The rule also sets forth a Savings Provision that preserves, under the new name, all actions taken under the name of Import Administration and provides that any references to Import Administration in any document or other communication shall be deemed to be references to Enforcement and Compliance.

DATES: This rule is effective October 21, 2013.

FOR FURTHER INFORMATION CONTACT: Robert Goodyear, Director, Office of Operations Support Enforcement & Compliance, Telephone: (202) 482-5194; Michele D. Lynch, Senior

Counsel, Office of Chief Counsel for Trade Enforcement and Compliance, Telephone: (202) 482-2879.

SUPPLEMENTARY INFORMATION:

Background

This rule implements the decision by the Department, through internal Department Organizational Orders 10-3 (effective September 18, 2013) and Department Organizational Order 40-1, (effective September 19, 2013), to consolidate and reorganize certain department organizational functions and revise the name of “Import Administration” to “Enforcement and Compliance.” The revision more accurately reflects the breadth of the agency’s activities with respect to the enforcement of, and compliance with, U.S. trade laws and agreements. Consistent with the consolidation and name change, this rule makes a number of changes in parts 351, 354, and 356 of title 19 of the Code of Federal Regulations. Specifically, this rule changes all references to “Import Administration” wherever they appear in parts 351, 354, and 356 of title 19, to “Enforcement and Compliance” with the exception of references to the “Chief Counsel for Import Administration,” which shall be changed to the “Chief Counsel for Trade Enforcement and Compliance.”

Savings Provision

This rule shall constitute notice that all references to Import Administration in any documents, statements, or other communications, in any form or media, and whether made before, on, or after the effective date of this rule, shall be deemed to be references to Enforcement and Compliance. Any actions undertaken in the name of or on behalf of Import Administration, whether taken before, on, or after the effective date of this rule, shall be deemed to have been taken in the name of or on behalf of Enforcement and Compliance.

Rulemaking Requirements

1. This final rule has been determined to be exempt from review for purposes of Executive Order 12866.

2. This rule does not impose information collection and recordkeeping requirements. Consequently, it need not be reviewed by the Office of Management and Budget under the provisions of the Paperwork Reduction Act of 1995.

3. This rule does not contain policies with Federalism implications as this term is defined in Executive Order 13132.

4. The provisions of the Administrative Procedure Act (5 U.S.C. 553) requiring notice of proposed rulemaking, the opportunity for public participation, and a delay in effective date, are inapplicable because this rule involves a rule of agency organization, procedure, or practice. 5 U.S.C. 553(b)(B). Further, no other law requires that a notice of proposed rulemaking and an opportunity for public comment be given for this final rule. Because a notice of proposed rulemaking and an opportunity for public comment are not required to be given for this rule under 5 U.S.C. or by any other law, the analytical requirements of the Regulatory Flexibility Act (5 U.S.C. 601, et seq.) are not applicable. Accordingly, this rule is issued in final form.

BILLING CODE P

DEPARTMENT OF THE TREASURY

Internal Revenue Service

26 CFR Part 1

[TD 9638]

RIN 1545–BK03

Application of the Segregation Rules to Small Shareholders

AGENCY: Internal Revenue Service (IRS), Treasury.

ACTION: Final regulations.

SUMMARY: This document contains final regulations under section 382 of the Internal Revenue Code (Code). These regulations provide guidance regarding the application of the segregation rules to public groups of shareholders in determining owner shifts and ownership changes under section 382 of the Code. These regulations affect corporations.

DATES: *Effective date:* These regulations are effective on October 22, 2013.

Applicability date: For dates of applicability, see § 1.382–3(j)(17).

FOR FURTHER INFORMATION CONTACT: Stephen R. Cleary, (202) 622–7750, or Marie C. Milnes-Vasquez, (202) 622–7530 (not toll-free numbers).

SUPPLEMENTARY INFORMATION:

Background

Section 382 imposes a limitation on a corporation’s use of net operating loss carryovers and certain other attributes following a change in ownership of the corporation (loss corporation). A loss corporation has an ownership change if the percentage of stock of a loss corporation that is owned by one or more 5-percent shareholders has increased by more than 50 percentage points over the lowest percentage of stock of the loss corporation owned by such shareholders at any time during the testing period (generally, a three-year period). Pursuant to section 382(g)(4)(A), individual shareholders who own less than five percent of a loss corporation are aggregated and treated as a single 5-percent shareholder (a public group).

The regulations extend the public group concept to situations in which a loss corporation is owned by one or more entities, as defined in § 1.382–3(a) (generally, partnerships, corporations, estates, and trusts). If an entity directly or indirectly owns five percent or more of the loss corporation, that entity has its own public group if its owners who are not 5-percent shareholders own, in the aggregate, five percent or more of the loss corporation. An entity that owns a five-percent or more direct interest in a loss corporation at any time during a testing period is a “first tier entity,” and a “higher-tier entity” is any entity owning a five-percent or more direct interest in a first tier entity or any other higher tier entity at any time during a testing period. (Such entities are referred to as 5-Percent Entities in this preamble.)

The application of the segregation rules results in the creation of a new public group in addition to the one (or more) that existed previously. That new group is treated as a new 5-percent shareholder that increases its ownership interest in the loss corporation.

The segregation rules apply to transfers of loss corporation stock by an individual 5-percent shareholder to public shareholders and a 5-Percent Entity’s transfer of loss corporation stock to public shareholders. In addition, the current segregation rules, subject to the cash issuance and small issuance exceptions (described in this preamble), treat issuances of stock under section 1032, redemptions, and redemption-like transactions as segregation events.
