SUPPLEMENTARY INFORMATION: As appropriate, a respondent files a Notice of Law Enforcement Officer's Injury or Occupational Disease, Form CA-721, or Notice of Law Enforcement Officer's Death, Form (CA-722), when seeking Federal Employees' Compensation Act (5 U.S.C. 8191 et seq.) benefits for a non-Federal law enforcement officer's injury, occupational illness, or death. The forms provide the OWCP with basic information needed to process a claim made for injury, illness, or death. This ICR has been classified as a revision, because—in accordance with Department of the Treasury requirements for all Federal benefits payments to be made electronically—Forms CA-721 and CA-722 have been changed to include space and instructions for claimants to provide direct deposit information. In addition, rather than requesting the claimant's signature, Form CA-722 has been revised to request the signature of the person filing the claim. Both forms have also been revised to include an accommodation statement informing claimants with mental or physical limitations to contact the OWCP, Division of Federal Employees' Compensation if they need further assistance with the claims process.

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is approved by the OMB under the PRA

and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number. See 5 CFR 1320.5(a) and 1320.6. The DOL obtains OMB approval for this information collection under Control Number 1240-0022. The current approval is scheduled to expire on October 31, 2013; however, it should be noted that existing information collection requirements submitted to the OMB receive a month-to-month extension while they undergo review. New requirements would only take effect upon OMB approval. For additional substantive information about this ICR, see the related notice published in the **Federal Register** on July 5, 2013 (78 FR 40513).
