

must take the results of the stress tests conducted under paragraphs (c)(2)(i)(A) and (c)(2)(ii) of this section (including any revisions required under paragraph (e)(3) of this section) as well as OSMO's assessment into account in making changes, as appropriate, to Farmer Mac's capital structure (including the level and composition of capital); its exposures, concentrations, and risk positions; any plans for recovery and resolution; and to improve overall risk management. Farmer Mac must document in writing its actions in response to the stress tests and assessment, as well as decisions not to take actions in response to any issues raised in the assessment.

§ 652.62 Notice to OSMO of capital distributions.

(a) Farmer Mac must provide OSMO with notice 15 calendar days prior to a board consideration of a declaration of a capital distribution or any material changes in capital distributions policies.

(b) Except as provided in paragraph (c), notice under paragraph (a) of this section is not required with respect to capital distributions set forth (i.e., specifically scheduled as to amount and timing along with a discussion of the planned distribution) in the capital plan or a regular periodic payment of dividends on common stock and preferred stock when there is no change in the amount of payment per share from the previous period.

(c) In the event that OSMO determines a capital plan has not adequately taken into account OSMO's assessment as required under § 652.61(f), the exception described in paragraph (b) of this section shall not apply, and Farmer Mac must provide notification of any and all capital distributions as set forth in paragraph (a) of this section.

DEPARTMENT OF THE TREASURY

Community Development Financial Institutions Fund

12 CFR Part 1805

Modification of Financial Reporting Requirements for Non-Profit Organizations

AGENCY: Community Development Financial Institutions Fund (CDFI Fund), Department of the Treasury.

ACTION: Interim rule.

SUMMARY: The mission of the Community Development Financial Institutions Fund (CDFI Fund) is to increase economic opportunity and promote community development investments for underserved populations in distressed communities in the United States. Its long-term vision is to economically empower America's underserved and distressed communities. The purpose of the Community Development Financial Institutions Program (CDFI Program) is to promote economic revitalization and community development through investment in and assistance to Community Development Financial Institutions (CDFIs). Under the CDFI Program, the CDFI Fund provides financial assistance in the form of grants, loans, equity investments and deposits to CDFIs selected through a merit-based application process. The CDFI Fund provides financial assistance to CDFIs to enhance their ability to make loans and investments, and to provide related services for the benefit of designated investment areas, targeted populations, or both. In addition, through the CDFI Program, the CDFI Fund provides technical assistance grants to CDFIs and entities that propose to become CDFIs, for the purpose of increasing their capacity to serve their target markets.

The CDFI Fund is amending its regulations regarding the financial reporting requirements for non-profit organizations. The regulatory change requires CDFI Program awardees that are non-profit organizations to provide audited financial statements within 180 days after the end of the awardee's fiscal year end. This regulatory action conforms to the financial reporting requirements for non-profit awardees to the statutory provisions governing the CDFI Program.

DATES: *Effective date:* October 31, 2013. *Comment due date:* December 30, 2013.

ADDRESSES: All comments concerning this interim rule should be addressed to the CDFI Program Manager, Community

SUPPLEMENTARY INFORMATION:

Background

The CDFI Fund was established as a wholly owned government corporation by the Community Development Banking and Financial Institutions Act of 1994, as amended (12 U.S.C. 4701 *et seq.*) (the Act). Subsequent legislation placed the CDFI Fund within the Department of the Treasury and gave the Secretary of the Treasury all powers and rights of the Administrator of the CDFI Fund as set forth in the Act.

The CDFI Fund's programs are designed to facilitate the flow of lending and investment capital to distressed communities and to individuals who have been unable to take full advantage of the financial services industry. Access to credit, investment capital, and financial services are essential ingredients for creating and retaining jobs, developing affordable housing,

revitalizing neighborhoods, unleashing the economic potential of small businesses, and empowering people.

The CDFI Fund was established to promote economic revitalization and community development through, among other things, investment in and assistance to CDFIs, which specialize in serving underserved markets and the people who live there. CDFIs—while highly effective—are typically small in scale and often have difficulty raising the capital needed to meet the demands for their products and services. Through the CDFI Program, the CDFI Fund provides CDFIs with financial assistance in the form of grants, loans, equity investments, and deposits in order to enhance their ability to make loans and investments, and provide services for the benefit of designated investment areas, targeted populations or both. Additionally, many CDFIs are in formation or in the early stages of development in many markets underserved by traditional financial institutions, including rural and Native American communities. The CDFI Program assists such entities—as well as established CDFIs—by providing grants through which they may acquire technical assistance to build their capacity to serve their target markets. Applicants participate in the CDFI Program through a merit-based qualitative application and selection process in which the CDFI Fund makes funding decisions based on pre-established evaluation criteria. An entity generally receives financial assistance monies from the CDFI Fund only after being certified as a CDFI and entering into an assistance agreement with the CDFI Fund. These assistance agreements include performance goals, matching funds requirements and reporting requirements.

On December 13, 2005, the CDFI Fund published in the **Federal Register** a revised interim rule (70 FR 73887) implementing the CDFI Program (the current rule).

Current Financial Reporting Requirements for Non-Profit Organizations

Part 1805 of the CDFI Fund regulations (12 CFR part 1805) sets forth the requirements under the Act for Data Collection and Reporting by CDFI Program awardees. Section 1805.804(e)(1) (12 CFR 1805.804(e)(1)) states that all non-profit organizations must submit to the CDFI Fund financial statements that have been reviewed by an independent certified public accountant in accordance with standards issued by the American Institute of Certified Public

Accountants, no later than 180 days after the end of the Awardee’s fiscal year; and that audited financial statements can be provided by the due date in lieu of reviewed statements, if available.

Statutory Financial Reporting Requirements for CDFI Program Awardees

The Act requires the CDFI Fund to ensure that each CDFI Program awardee (other than an insured CDFI or depository institution holding company) submit, not less than once during each 18-month period, a statement of financial condition audited by an independent certified public accountant as part of the awardee’s annual report to the CDFI Fund required by section 4714(e)(1) of the Act.

Conforming CDFI Program Regulations to the Act

The CDFI Program Regulations currently permit non-profit CDFI awardees to submit financial statements that are reviewed but not audited by independent certified public accounts as part of their annual report to the CDFI Fund. This was done in part out of a recognition of the cost and time constraints non-profit awardees face in obtaining audited financial statements within the allotted 180-day period following the end of their fiscal year. The CDFI Fund is issuing this interim rule to conform the regulatory reporting requirements to the requirements of the Act.

Regulatory Analysis and Notices

Executive Order 12866

It has been determined that this final rule is not a significant regulatory action as defined in Executive Order 12866. Therefore, a regulatory assessment is not required.

Regulatory Flexibility Act

Because no notice of proposed rulemaking is required under the Administrative Procedure Act (5 U.S.C. 553) or any other law, the Regulatory Flexibility Act does not apply.

Paperwork Reduction Act

The collections of information contained in this interim rule have been previously reviewed and approved by the Office of Management and Budget (OMB) in accordance with the Paperwork Reduction Act of 1995 and assigned OMB Control Numbers 1559–0006, 1559–0021, and 1559–0022. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid control number

assigned by OMB. This document restates the collections of information without substantive change.

National Environmental Policy Act

This interim rule has been reviewed in accordance with 12 CFR part 1815. The CDFI Fund’s Environmental Regulations under the National Environmental Protection Act of 1969 (NEPA) require that the CDFI Fund adequately consider the cumulative impact proposed activities have upon the human environment. It is the determination of the CDFI Fund that the interim rule does not constitute a major federal action significantly affecting the quality of the human environment and, in accordance with the NEPA and the CDFI Fund Environmental Quality Regulations, 12 CFR part 1815, neither an Environmental Assessment nor an Environmental Impact Statement is required.

Administrative Procedure Act

Because this interim rule relates to loans and grants, notice and public procedure and a delayed effective date are not required pursuant to the Administrative Procedure Act, 5 U.S.C. 553(a)(2).

Amendment to the Regulations

For the reasons discussed in the preamble, the CDFI Fund is amending 12 CFR part 1805 as follows:

PART 1805—COMMUNITY DEVELOPMENT FINANCIAL INSTITUTIONS PROGRAM

■ 1. The authority citation for part 1805 continues to read as follows:

Authority: 12 U.S.C. 4703, 4703 note, 4710, 4717; and 31 U.S.C. 321.

■ 2. In § 1805.804, paragraph (e)(1)(i) is revised to read as follows:

§ 1805.804 Data collection and reporting.

(e) * * *
(1) * * *

(i) All non-profit organizations (excluding Insured CDFIs and State-Insured Credit Unions) must submit to

the CDFI Fund financial statements that have been audited by an independent certified public accountant in accordance with generally accepted auditing standards as promulgated by the American Institute of Certified Public Accountants, no later than 180 days after the end of the Awardee's fiscal year. Non-profit organizations (excluding Insured CDFIs and State-Insured Credit Unions) that are required to have their financial statements audited pursuant to OMB Circular A-133 *Audits of States, Local Governments and Non-Profit Organizations*, must also submit their A-133 audited financial statements to the CDFI Fund no later than 270 days after the end of the Awardee's fiscal year. Non-profit organizations (excluding Insured CDFIs and State-Insured Credit Unions) that are not required to have financial statements audited pursuant to OMB Circular A-133, *Audits of States, Local Governments and Non-Profit Organizations*, must submit to the CDFI Fund a statement signed by the Awardee's Authorized Representative or certified public accountant, asserting that the Awardee is not required to have a single audit pursuant OMB Circular A-133.

DEPARTMENT OF TRANSPORTATION

Federal Aviation Administration

14 CFR Part 25

[Docket No. FAA-2013-0920; Special Conditions No. 25-13-12-SC]

Special Conditions: Learjet Model 45 Series Airplanes; Aircraft Electronic System Security Protection From Unauthorized External Access

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Final special condition; request for comments.

SUMMARY: These special conditions are issued for the Learjet Model 45 series airplanes. These airplanes will have a novel or unusual design feature associated with the architecture and connectivity capabilities of the airplanes' computer systems and networks. Connectivity to, or access by, external systems and networks may

result in security vulnerabilities to the airplanes' systems. The applicable airworthiness regulations do not contain adequate or appropriate safety standards for this design feature. These special conditions contain the additional safety standards that the Administrator considers necessary to establish a level of safety equivalent to that established by the existing airworthiness standards.

DATES: The effective date of these special conditions is October 31, 2013. We must receive your comments by December 16, 2013.

ADDRESSES: Send comments identified by docket number FAA-2013-0920 using any of the following methods:

- *Federal eRegulations Portal:* Go to <http://www.regulations.gov/> and follow the online instructions for sending your comments electronically.

Mail: Send comments to Docket Operations, M-30, U.S. Department of Transportation (DOT), 1200 New Jersey Avenue SE, Room W12-140, West Building Ground Floor, Washington, DC, 20590-0001.

Hand Delivery or Courier: Take comments to Docket Operations in Room W12-140 of the West Building Ground Floor at 1200 New Jersey Avenue SE., Washington, DC, between 8 a.m. and 5 p.m., Monday through Friday, except federal holidays.

Fax: Fax comments to Docket Operations at 202-493-2251.

Privacy: The FAA will post all comments it receives, without change, to <http://www.regulations.gov/>, including any personal information the commenter provides. Using the search function of the docket Web site, anyone can find and read the electronic form of all comments received into any FAA docket, including the name of the individual sending the comment (or signing the comment for an association, business, labor union, etc.). DOT's complete Privacy Act Statement can be found in the **Federal Register** published on April 11, 2000 (65 FR 19477-19478), as well as at <http://DocketsInfo.dot.gov/>.

Docket: Background documents or comments received may be read at <http://www.regulations.gov/> at any time. Follow the online instructions for accessing the docket or go to the Docket Operations in Room W12-140 of the West Building Ground Floor at 1200 New Jersey Avenue SE., Washington, DC, between 9 a.m. and 5 p.m., Monday through Friday, except federal holidays.

FOR FURTHER INFORMATION CONTACT: Varun Khanna, FAA, Airplane and Flight Crew Interface Branch, ANM-111, Transport Airplane Directorate, Aircraft Certification Service, 1601 Lind

Avenue SW., Renton, Washington 98057-3356; telephone 425-227-1298; facsimile 425-227-1149.

SUPPLEMENTARY INFORMATION: The FAA has determined that notice of, and opportunity for prior public comment on, these special conditions are impracticable because these procedures would significantly delay issuance of the design approval and thus delivery of the affected aircraft. The FAA has also determined that notice of these special conditions is unnecessary because the substance of these special conditions has been subject to the public comment process in several prior instances with no substantive comments received. The FAA therefore finds that good cause exists for making these special conditions effective upon publication in the **Federal Register**.

Comments Invited

We invite interested people to take part in this rulemaking by sending written comments, data, or views. The most helpful comments reference a specific portion of the special conditions, explain the reason for any recommended change, and include supporting data.

We will consider all comments we receive by the closing date for comments. We may change these special conditions based on the comments we receive.

Background

On April 21, 2010, Learjet applied for both a change to Type Certificate No. T00008WI and for a supplemental type certificate (STC) for an installation of an avionics upgrade in the Learjet Model 45 series airplanes. The Model 45 series airplanes are swept-wing aircraft equipped with two Honeywell TFE731-40BR turbojet engines, weighing 13,890 pounds empty and capable of carrying up to nine passengers and two crew members.

The proposed Learjet Model 45 avionics architecture is new and novel for commercial transport airplanes by allowing connection to airplane electronic systems and networks, and access from aircraft external sources (e.g., wireless devices, Internet connectivity) to the previously isolated airplane electronic assets.

Learjet's proposed design is considered by the FAA to be an architecture which introduces potential security risks and vulnerabilities not addressed in current regulations and aircraft-level or system-level safety assessment methods. Consequently, these special conditions address security and safety issues arising from the use of this type of architecture, and
