**Proposed Collection; 60-Day Comment  
Request; Multidisciplinary Treatment  
Planning (MTP) Within the National  
Cancer Institute (NCI) Community  
Cancer Centers Program**

*Summary:* In compliance with the requirement of Section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995, for opportunity for public comment on proposed data collection projects, the National Cancer Institute (NCI), National Institutes of Health (NIH), will publish periodic summaries of proposed projects to be submitted to the Office of Management and Budget (OMB) for review and approval.

Written comments and/or suggestions from the public and affected agencies are invited on one or more of the following points: (1) Whether the proposed collection of information is necessary for the proper performance of

the function of the agency, including whether the information will have practical utility; (2) The accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used; (3) Ways to enhance the quality, utility, and clarity of the information to be collected; and (4) Ways to minimize the burden of the collection of information on those who are to respond, including the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

To Submit Comments and For Further Information: To obtain a copy of the data collection plans and instruments, submit comments in writing, or request more information on the proposed project, contact: Irene Prabhu Das, Division of Cancer Control & Population Sciences, National Cancer Institute, 9609 Medical Center Drive, Room 3E-518, Rockville, MD 20850-9704 or call non-toll-free number 240-276-6799 or Email your request, including your address to: *prabhudasi@mail.nih.gov*. Formal requests for additional plans and instruments must be requested in writing.

*Comment Due Date:* Comments regarding this information collection are best assured of having their full effect if

received within 60 days of the date of this publication.

*Proposed Collection:* Multidisciplinary Treatment Planning (MTP) within the NCI Community Cancer Centers Program (NCI), 0925-NEW, National Cancer Institute (NCI), National Institutes of Health (NIH).

*Need and Use of Information Collection:* The aim of this data collection is to characterize how NCI Community Cancer Centers Program (NCCCP) hospitals define, structure, and implement multidisciplinary treatment planning (MTP), which initiates a coordinated approach to multidisciplinary care. The web-based, organizational survey will gather data on sites' definitions and terms for multidisciplinary treatment planning, composition of provider teams, meeting process, and patient involvement in the process. Information collected from NCCCP hospitals will add to the knowledge being generated and provide the foundation for research on multidisciplinary care in cancer. A total of 21 hospitals participating in the NCCCP through June 2014 will be requested to complete the survey.

OMB approval is requested for 1 year. There are no costs to respondents other than their time. The total estimated annualized burden hours are 22.

• *Mail:* Nancy Wong, National Protection and Programs Directorate, Department of Homeland Security, 245 Murray Lane SW., Mail Stop 0607, Arlington, VA 20598-0607.

*Instructions:* All written submissions received must include the words "Department of Homeland Security" and the docket number for this action. Written comments received will be posted without alteration at [www.regulations.gov](http://www.regulations.gov), including any personal information provided.

*Docket:* For access to the docket to read background documents or comments received by the NIAC, go to [www.regulations.gov](http://www.regulations.gov).

Members of the public will have an opportunity to provide oral comments after the presentation of the report from the Regional Resilience Working Group, and after the report of the Executive Order (EO) 13636 and Presidential Policy Directive (PPD) 21 Implementation (EO-PPD) Working Group. We request that comments be limited to the issues listed in the meeting agenda and previous NIAC studies. All previous NIAC studies can be located at [www.dhs.gov/NIAC](http://www.dhs.gov/NIAC). Public comments may be submitted in writing or presented in person for the Council to consider. Comments received by Nancy Wong after 12:00 p.m. on November 18, 2013, will still be accepted and reviewed by the members, but not necessarily by the time of the meeting. In-person presentations will be limited to three minutes per speaker, with no more than 15 minutes for all speakers after each presentation by each NIAC Working Group. Parties interested in making in-person comments should register on the Public Comment Registration list available at the meeting location no later than 15 minutes prior to the beginning of the meeting.

**FOR FURTHER INFORMATION CONTACT:** Nancy Wong, National Infrastructure Advisory Council Designated Federal Officer, Department of Homeland Security, telephone (703) 235-2888.

**SUPPLEMENTARY INFORMATION:** Notice of this meeting is given under the Federal Advisory Committee Act, 5 U.S.C. App. (Pub. L. 92-463). The NIAC shall provide the President through the Secretary of Homeland Security with advice on the security and resilience of the Nation's critical infrastructure sectors.

The NIAC will meet to discuss issues relevant to the critical infrastructure security and resilience as directed by

the President. At this meeting, the committee will receive a presentation from the NIAC Regional Resilience Working Group documenting their final recommendations in their Regional Resilience Study, which includes the role and impact of critical infrastructure on regional resiliency, best regional practices and models, and the contribution of public private partnerships. The committee will also receive a presentation from the EO-PPD Working Group on a report consolidating the Working Group's recommendations related to the implementation of EO 13636 and PPD 21, which include information sharing, national planning and the cyber security framework. Both presentations will be posted no later than one week prior to the meeting on the Council's public Web page on [www.dhs.gov/NIAC](http://www.dhs.gov/NIAC). The Council will review, and deliberate on the findings and recommendations of both Working Groups in this meeting. A Federal official will update the members on the progress of implementation of the committee's recommendations on Intelligence Information Sharing, a report the Council issued in 2012. Federal officials will also provide further clarification to the Council on the scope of the new Transportation Sector Resilience Working Group's study.
