

exchange may become a Sponsor if it satisfies the requirement of Section 7 of the OLPP. Specifically an Eligible Exchange⁴ may become a Sponsor of the OLPP by: (i) Executing a copy of the OLPP, as then in effect; (ii) providing each current Plan Sponsor with a copy of such executed Plan; and (iii) effecting an amendment to the OLPP, as specified in Section 7(ii) of the OLPP.

Section 7(ii) of the OLPP sets forth the process by which an Eligible Exchange may effect an amendment to the OLPP. Specifically, an Eligible Exchange must: (a) Execute a copy of the OLPP with the only change being the addition of the new sponsor's name in Section 8 of the OLPP;⁵ and (b) submit the executed OLPP to the Commission. The OLPP then provides that such an amendment will be effective at the later of either the amendment being approved by the Commission or otherwise becoming effective pursuant to Section 11A of the Act. MIAX has submitted a signed copy of the OLPP to the Commission and to each Plan Sponsor in accordance with the procedures set forth in the OLPP regarding new Plan Sponsors.

II. Effectiveness of the Proposed Linkage Plan Amendment

The foregoing proposed OLPP amendment has become effective pursuant to Rule 608(b)(3)(iii)⁶ because it involves solely technical or ministerial matters. At any time within sixty days of the filing of this amendment, the Commission may summarily abrogate the amendment and require that it be refiled pursuant to paragraphs (a)(1) of Rule 608,⁷ if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors or the maintenance of fair and orderly markets, to remove impediments to, and perfect the mechanisms of, a national market system or otherwise in furtherance of the purposes of the Act.

III. Solicitation of Comments

Interested persons are invited to submit written data, views, and

⁴ The OLPP defines an "Eligible Exchange" as a national securities exchange registered with the Commission pursuant to Section 6(a) of the Exchange Act, 15 U.S.C. 78f(a), that (1) has effective rules for the trading of options contracts issued and cleared by the OCC approved in accordance with the provisions of the Exchange Act and the rules and regulations thereunder and (2) is a party to the Plan for Reporting Consolidated Options Last Sale Reports and Quotation Information (the "OPRA Plan"). MIAX has represented that it has met both the requirements for being considered an Eligible Exchange.

⁵ The Commission notes that the list of plan sponsors is set forth in Section 9 of the OLPP.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-70761; File No. SR-Topaz-2013-09]

Self-Regulatory Organizations; Topaz Exchange LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Amend the Schedule of Fees

October 28, 2013.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on October 22, 2013, the Topaz Exchange, LLC (d/b/a ISE Gemini) (the "Exchange" or "Topaz") filed with the Securities and Exchange Commission the proposed rule change, as described in Items I, II, and III below, which items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

Topaz is proposing to amend its Schedule of Fees to adopt a continuing education fee for Series 56 registered persons. The text of the proposed rule change is available on the Exchange's Internet Web site at <http://www.ise.com>, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The self-regulatory organization has prepared summaries, set forth in Sections A, B and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of the proposed rule change is to amend the Schedule of Fees to adopt a fee for a new continuing

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

education program, the S501,³ which is required for persons who are registered as Proprietary Traders (*i.e.* Series 56) and do not maintain any other registration.⁴

The S501 addresses the continuing education of Proprietary Traders, based on the content outline for the Series 56 exam, which covers the main categories of rules and regulations generally applicable to such persons. These generally include recordkeeping and recording requirements, types and characteristics of securities and investments, trading practices and display execution and trading systems. Each Proprietary Trader required to take the S501 must complete the continuing education program within 120 days after their [sic] second registration anniversary date, and every three years thereafter or as otherwise prescribed by the Exchange.

The Exchange proposes to adopt a \$60 fee for the S501 continuing education program, which will be used for the administration of the S501. The Financial Industry Regulatory Authority ("FINRA") administers this program on behalf of the exchanges and therefore the fees are payable directly to FINRA. The Exchange expects that the other exchanges that recognize the Proprietary Trader registration either have or will adopt the same fee for continuing education.⁵

The Exchange's Schedule of Fees does not currently set forth the session fees for other continuing education programs required by the Exchange because these programs are within the jurisdiction of FINRA, which collects these session fees from its members. The Series 56, however, applies to Topaz Members that are not required by Section 15(b)(8) of the Act⁶ to become members of FINRA. Therefore, the Exchange believes it is

appropriate to include the Series 56 continuing education fee within the Exchange's Schedule of Fees to make the cost of this program clear to Topaz Members.

2. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act,⁷ in general, and furthers the objectives of Section 6(b)(4) of the Act,⁸ in particular, in that it provides for an equitable allocation of reasonable fees and other charges among Exchange Members and other persons using its facilities. The proposed fee is equitable and not unfairly discriminatory, because it applies equally to all persons registered solely as Proprietary Traders. The Exchange notes that it will not invoice or collect funds from Members that are subject to these fees because these fees will be paid directly to FINRA as administrator of the continuing education program. The proposed fees are reasonably designed to allow FINRA to cover its cost of administering the Series 56 continuing education program on behalf of the Exchange, and the Exchange believes it is reasonable and equitable to include these fees in its Schedule of Fees to make the costs of the Series 56 continuing education program clear to Members. Moreover, the Exchange believes other exchanges will be assessing the same fees for this continuing education program.⁹

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The Exchange does not believe that the proposed rule change will affect intermarket competition because all of the exchanges that recognize the Proprietary Trader registration category are expected to adopt the same continuing education fee.¹⁰ Furthermore, the Exchange does not believe the proposed rule change will affect intramarket competition because all Proprietary Traders required to complete the new S501 continuing education program will pay the same continuing education fee.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

The Exchange has not solicited, and does not intend to solicit, comments on this proposed rule change. The Exchange has not received any unsolicited written comments from members or other interested parties.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)(ii) of the Act,¹¹ and subparagraph (f)(2) of Rule 19b-4 thereunder,¹² because it establishes a due, fee, or other charge imposed by Topaz.

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments

- Use the Commission's Internet comment form (<http://www.sec.gov/rules/sro.shtml>); or
- Send an email to rule-comments@sec.gov. Please include File Number SR-Topaz-2013-09 on the subject line.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-70760; File No. SR-NYSEMKT-2013-85]

Self-Regulatory Organizations; NYSE MKT LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Amending Rule 980NY to Specify That the Specialist Pool and Directed Order Market Makers Receive Execution Allocations of Incoming Electronic Complex Orders and Complex Order Auction Eligible Orders in Accordance With the Guaranteed Participation Provision of Rule 964NY(c)(2)(B), Without Any Exceptions

October 28, 2013.

Pursuant to Section 19(b)(1)¹ of the Securities Exchange Act of 1934 (the "Act")² and Rule 19b-4 thereunder,³ notice is hereby given that, on October

24, 2013, NYSE MKT LLC (the "Exchange") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend Rule 980NY to specify that the Specialist Pool and Directed Order Market Makers receive execution allocations of incoming Electronic Complex Orders and Complex Order Auction ("COA") eligible orders in accordance with the guaranteed participation provision of Rule 964NY(c)(2)(B), without any exceptions. The text of the proposed rule change is available on the Exchange's Web site at www.nyse.com, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange is proposing to amend Rules 980NY(c)(i), (c)(iii), (e)(6)(A), and (e)(6)(D) to specify that the Specialist Pool and Directed Order Market Makers receive execution allocations of the individual components of a legged out incoming Electronic Complex Order or COA-eligible order in accordance with the guaranteed participation provision of Rule 964NY(c)(2)(B), without any exceptions. Exchange systems currently provide the Specialist Pool with such guaranteed participations when Electronic Complex Orders are legged out to trade with individual quotes and orders in the leg markets that include

bids or offers from the Specialist Pool. Directed Order Market Makers, however, do not currently receive guaranteed participation with respect to Electronic Complex Orders. As proposed, an Electronic Complex Order that is marked as a Directed Order may execute against Directed Order Market Makers if it legs out to trade with individual quotes and orders in the leg markets and there is a Directed Order Market Maker quoting in one or more of the leg markets.

Rule 980NY governs trading of "Electronic Complex Orders," as that term is defined in Rule 900.3NY(e).⁴ Rule 980NY(c)(i) currently provides that Electronic Complex Orders accepted in the Exchange's Complex Matching Engine ("CME")⁵ are executed automatically against other Electronic Complex Orders in the Consolidated Book,⁶ unless individual orders or quotes in the Consolidated Book can execute against incoming Electronic Complex Orders, subject to specified conditions, in which case such individual orders and quotes have priority. Rule 980NY(c)(iii) currently provides that ATP Holders can view Electronic Complex Orders in the Consolidated Book via an electronic interface and may submit Electronic Complex Orders to the CME to trade against orders in the Consolidated Book.

Rule 980NY(e) governs the COA process, and specifically, Rule 980(e)(6) governs the execution of COA-eligible orders.⁷ Upon receiving a COA-eligible order and a request by the ATP Holder representing the order that an auction be initiated, the Exchange sends an automated request for responses

⁴ Rule 900.3NY(e) defines an Electronic Complex Order as "any order involving the simultaneous purchase and/or sale of two or more different option series in the same underlying security, for the same account, in a ratio that is equal to or greater than one-to-three (.333) and less than or equal to three-to-one (3.00) and for the purpose of executing a particular investment strategy."

⁵ Rule 980NY(a) defines the CME as "the mechanism in which Electronic Complex Orders are executed against each other or against individual quotes and orders in the Consolidated Book."

⁶ Rule 900.2NY(14) defines the Consolidated Book as "the Exchange's electronic book of limit orders for the accounts of Customers and broker-dealers, and Quotes with Size. All orders and Quotes with Size that are entered into the Book will be ranked and maintained in accordance with the rules of priority as provided in Rule 964NY."

⁷ Rule 980NY(e)(1) defines a COA-eligible order as "an Electronic Complex Order that, as determined by the Exchange on a class-by-class basis, is eligible for a COA considering the order's marketability (defined as a number of ticks away from the current market), size, number of series, and complex order origin types (*i.e.*, Customers, broker-dealers that are not Market-Makers or specialists on an options exchange, and/or Market-Makers or specialists on an options exchange)."
