Under section 40002(b)(2) of the Violence Against Women Act, as amended (42 U.S.C. 13925(b)(2)), grantees and subgrantees with funding from OVW are required to meet the specific terms with regard to nondisclosure of confidential or private information and to document their compliance. By signature on certification form, applicants for grants from OVW are agreeing that, if awarded funds, they will comply with this provision, and will mandate that subgrantees, if any, comply with this provision, and will create and maintain documentation of compliance, such as policies and procedures for release of victim information, and will mandate that subgrantees, if any, will do so as well.

(5) *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond/reply:* It is estimated that information will be collected annually from the approximately 1800 respondents (applicants to the OVW grant programs) less than one hour to complete a Certification of Compliance with the Confidentiality and Privacy Provisions of the Violence Against Women Act, as Amended.

(6) *An estimate of the total public burden (in hours) associated with the collection:* The total annual hour burden to complete the Certification is less than 1800 hours.

DEPARTMENT OF JUSTICE

Notice of Lodging of Proposed Consent Decree Under the Clean Air Act

On October 28, 2013, the Department of Justice lodged a proposed Consent Decree with the United States District Court for the Southern District of West Virginia in the lawsuit captioned *United States and State of West Virginia v. E.*

I. du Pont de Nemours and Company, Civil Action No. 6:13-cv-27030.

E. I. du Pont de Nemours and Company (“DuPont”) owns and operates a chemical manufacturing facility located in Washington, West Virginia (“Washington Works Facility”). In the Complaint, filed on October 28, 2013, on behalf of the Environmental Protection Agency (“EPA”), the United States and the State of West Virginia, on behalf of the West Virginia Department of Environmental Protection, allege that DuPont violated the Clean Air Act by failing to comply with the leak detection and repair regulations (“LDAR”) established at 40 CFR Part 63. The Complaint also alleges the DuPont violated the LDAR requirements contained in its Clean Air Act Title V permit and the LDAR standards for hazardous air pollutants promulgated in the West Virginia Code of State Rules, Title 45, Section 34.

The proposed Consent Decree, lodged with the Court on October 28, 2013, resolves the allegations in the Complaint and requires DuPont to implement injunctive relief at its Washington Works Facility. The terms of the Consent Decree require DuPont to perform a preliminary audit of its LDAR equipment, to prepare a comprehensive training program and train personnel in LDAR compliance, and to implement an enhanced LDAR program that includes requirements above and beyond those of the applicable LDAR regulations. The Consent Decree also requires DuPont to pay a civil penalty of \$800,000, divided evenly between the United States and West Virginia. The amount of the civil penalty is based on the EPA Clean Air Act Stationary Source Civil Penalty Policy.

The publication of this notice opens a period for public comment on the proposed Consent Decree. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, and should refer to *United States and State of West Virginia v. E. I. du Pont de Nemours and Company*, D.J. Ref. No. 90-5-2-1-09610. All comments must be submitted no later than thirty (30) days after the publication date of this notice. Comments may be submitted either by email or by mail:
