Salter Labs, a Subsidiary of Roundtable Healthcare Partners Including On-Site Leased Workers From Select Staffing, Kelly Services and Exact Staff, Arvin, California; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance

In accordance with Section 223 of the Trade Act of 1974, as amended ("Act"), 19 U.S.C. 2273, the Department of Labor issued a Certification of Eligibility To Apply for Worker Adjustment Assistance on August 2, 2013, applicable to workers of Salter Labs, a subsidiary of Roundtable Healthcare Partners, including on-site leased workers from Select Staffing and Kelly Services, Arvin, California. The workers are engaged in employment related to the production of respiratory products (medical devices). The notice was published in the **Federal Register** on August 27, 2013 (78 FR 52979).

At the request of the California State agency, the Department reviewed the certification for workers of the subject firm. New information from the company shows that workers leased from Exact Staff were employed on-site at the Arvin, California location of Salter Labs, a subsidiary of Roundtable Healthcare Partners. The Department has determined that these workers were sufficiently under the control of Salter Labs to be considered leased workers.

The intent of the Department's certification is to include all workers of the subject firm who were adversely affected by a shift in the production of respiratory products (medical devices) to a foreign country.

Based on these findings, the Department is amending this certification to include workers leased from Exact Staff working on-site at the Arvin, California location of the subject firm.

The amended notice applicable to TA-W-82,926 is hereby issued as follows:

All workers from Salter Labs, a subsidiary of Roundtable Healthcare Partners, including on-site leased workers from Select Staffing, Kelly Services and Exact Staff, Arvin, California, who became totally or partially separated from employment on or after July 22, 2012, through August 2, 2015, and all workers in the group threatened with total or partial separation from employment on date of certification through two years from the date of certification, are eligible to apply for adjustment assistance under Chapter 2 of Title II of the Trade Act of 1974, as amended.

Signed at Washington, DC, this 25th day of October 2013.

Certifying Officer, Office of Trade Adjustment Assistance.

Blount International, Inc., Carlton, Blount Including On-Site Leased Workers From Express Employment Professionals Milwaukie, Oregon; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance

In accordance with Section 223 of the Trade Act of 1974, as amended ("Act"), 19 U.S.C. 2273, the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance on September 19, 2013, applicable to workers of Blount International, Inc., including on-site leased workers from Express Employment Professionals Portland, Oregon. The workers are engaged in activities related to the production of replacement parts and equipment including saw chain bars, rims and saw chains. The notice will be published soon in the **Federal Register**.

At the request of a company official, the Department reviewed the certification for workers of the subject firm. Additional information shows that worker separations at the Milwaukie, Oregon facility are attributable to the same shift in production that was the basis for certifying workers at the Portland, Oregon facility.

Accordingly, the Department is amending the certification to include

workers of the Milwaukie, Oregon location of Blount International, Carlton, Blount, Inc.

The amended notice applicable to TA-W-83,024 and TA-W-83,024A are hereby issued as follows:

All workers of Blount International, Inc., including on-site leased workers from Express Employment Professionals, Portland, Oregon (TA-W-83,024) and Blount International, Carlton, Blount, Inc., including on-site leased workers from Express Employment Professionals, Milwaukie, Oregon (TA-W-83,024A), who became totally or partially separated from employment on or after August 23, 2012, through September 19, 2015, and all workers in the group threatened with total or partial separation from employment on the date of certification through two years from the date of certification, are eligible to apply for adjustment assistance under Chapter 2 of Title II of the Trade Act of 1974, as amended.

Signed in Washington, DC, this 17th day of October 2013.

Determinations Terminating Investigations of Petitions for Worker Adjustment Assistance

After notice of the petitions was published in the **Federal Register** and

on the Department's Web site, as required by Section 221 of the Act (19 U.S.C. 2271), the Department initiated investigations of these petitions.

The following determinations terminating investigations were issued because the petitioner has requested that the petition be withdrawn.

TA-W No.	Subject firm	Location	Impact date
83,017	Ryerson	Jenison, MI.	
83,116	Print Plus, Inc	Santa Ana, CA.	

The following determinations terminating investigations were issued in cases where these petitions were not

filed in accordance with the requirements of 29 CFR 90.11. Every petition filed by workers must be signed

by at least three individuals of the petitioning worker group. Petitioners separated more than one year prior to

the date of the petition cannot be covered under a certification of a petition under Section 223(b), and

therefore, may not be part of a petitioning worker group. For one or

more of these reasons, these petitions were deemed invalid.

TA-W No.	Subject firm	Location	Impact date
83,037	BCforward	Indianapolis, IN.	

The following determinations terminating investigations were issued because the petitioning groups of

workers are covered by active certifications. Consequently, further investigation in these cases would serve

no purpose since the petitioning group of workers cannot be covered by more than one certification at a time.

TA-W No.	Subject firm	Location	Impact date
83,078	TE Connectivity, Industrial Relays	Winston-Salem, NC.	

The following determinations terminating investigations were issued

because the petitions are the subject of ongoing investigations under petitions

filed earlier covering the same petitioners.

These determinations are available on the Department's Web site tradeact/taa/taa_search_form.cfm under the searchable listing of determinations or by calling the Office of Trade Adjustment Assistance toll free at 888-365-6822.
