Approval and Promulgation of Implementation Plans; Mississippi; Transportation Conformity SIP—Memorandum of Agreement

AGENCY: Environmental Protection Agency (EPA).

ACTION: Proposed rule.

SUMMARY: EPA is proposing to approve a State Implementation Plan revision submitted by the Mississippi Department of Environment Quality on May 31, 2013. This submission adopts a memorandum of agreement establishing transportation conformity criteria and procedures related to interagency consultation and enforceability of certain transportation-related control measures and mitigation measures. A detailed rationale for the approval is set forth in the direct final rule. If no adverse comments are received in response to this rule, no further activity is contemplated. If EPA receives adverse comments, the direct final rule will be withdrawn and all public comments received will be addressed in a subsequent final rule based on this proposed rule.
