

should the proposal be implemented, and of reasonable alternatives to the action and their expected benefits on energy supply, distribution, and use. Today's regulatory action is not a significant energy action. Accordingly, DOE has not prepared a Statement of Energy Effects.

K. Applicability of Executive Order 13175

Executive Order 13175, "Consultation and Coordination with Indian Tribal Governments" (65 FR 67249, Nov. 9, 2000) and implementing guidance from the Office of Management and Budget (M-10-33, July 30, 2010) require consultation with tribal officials in the development of regulations in two particular circumstances. Specifically, consultation is required if a regulation imposes unfunded mandates on tribes or preempts tribal law. In such cases, when an agency submits a draft final regulation to OMB for review under Executive Order 12866, the agency must include a "tribal summary impact statement" in a "separately identified portion of the preamble to the regulation". The OMB guidance further details the contents of the tribal summary impact statement. DOE has determined that this regulation neither imposes an unfunded mandate on tribes nor preempts tribal law. Therefore, tribal consultation was not conducted prior to issuance of the rule.

L. Congressional Notification

As required by 5 U.S.C. 801, DOE will submit to Congress a report regarding the issuance of today's final rule prior to the effective date set forth at the outset of this notice. The report will state that it has been determined that the rule is not a "major rule" as defined by 5 U.S.C. 801(2).

RIN 0607-AA50

Foreign Trade Regulations (FTR): Mandatory Automated Export System Filing for All Shipments Requiring Shipper's Export Declaration Information: Substantive Changes and Corrections

AGENCY: Bureau of the Census, Commerce Department.

ACTION: Final rule; delay of effective date and announcement of OMB approval of new information collection requirements.

SUMMARY: The Bureau of the Census (Census Bureau) is announcing the delay of the effective date of the final rule published March 14, 2013, scheduled to take effect on January 8, 2014, until April 5, 2014. This rule also announces the approval by the Office of Management and Budget (OMB) under the Paperwork Reduction Act (PRA) of modifications to an existing information collection and the collection of two new data elements in the Automated Export System (AES) under control number 0607-0152.

DATES: The effective date of the final rule published on March 14, 2013, (78 FR 16366) is delayed until April 5, 2014. OMB approved the collection of two new data elements through the AES under control number 0607-0152 on May 6, 2013.

ADDRESSES: Direct all written comments regarding the burden-hour estimates or other aspects of the collection-of-information requirements contained in this final rule to Jennifer Jessup, Departmental Paperwork Clearance Officer, Department of Commerce, Room 6616, 14th and Constitution Avenue NW., Washington, DC 20230 (or via the Internet at Jjessup@doc.gov).

FOR FURTHER INFORMATION CONTACT: Nick Orsini, Chief, Foreign Trade Division, U.S. Census Bureau, Room 6K032, Washington, DC 20233-6010, by phone (301) 763-6959, by fax (301) 763-6638, or by email nick.orsini@census.gov.

SUPPLEMENTARY INFORMATION: The AES is the primary instrument used for collecting export trade data, which is used by the Census Bureau for statistical purposes only and by other federal government agencies for purposes of enforcing U.S. export laws and regulations. On March 14, 2013, the Census Bureau published a final rule amending its regulations to require new export reporting requirements. See 78 FR 16366. In particular, the rule implemented a requirement to report shipments of used self-propelled vehicles and temporary exports through the AES or through *AESDirect*. In addition, the rule required the reporting of two new data elements, license value (15 CFR 30.6(b)(15)) and ultimate consignee type (15 CFR 30.6(a)(28)), and modified the postdeparture filing requirements. These changes are being programmed in the Automated Commercial Environment for Exports. However, the functionality to support the revisions addressed in the FTR final rule published March 14, 2013, will not be completed by the original effective date of January 8, 2014. Therefore, the Census Bureau and U.S. Customs and Border Protection agreed to delay the

effective date for this rule until April 5, 2014. As a result of this rule, the trade community does not have to comply with the requirements implemented by the March 14, 2013, final rule until April 5, 2014.

This rule also announces OMB's approval of amendments to the information collection requirements previously approved under OMB control number 0607-0152, and the implementation of two new data elements. The March 14, 2013, final rule implemented the mandatory filing of export information through the AES or through *AESDirect* for all shipments of used self-propelled vehicles and for temporary exports. In addition, the final rule outlined the reporting of two additional fields, license value (15 CFR 30.6(b)(15)) and ultimate consignee type (15 CFR 30.6(a)(28)), and modified the postdeparture filing requirements. OMB approved these information collection requirements on May 6, 2013.

Executive Orders

This rule has been determined to be not significant for purposes of Executive Order 12866.

It has been determined that this rule does not contain policies with federalism implications as that term is defined under Executive Order 13132.

Dated: November 6, 2013.

Director, Bureau of the Census.

I. Executive Summary of Rule

Section 5 of the Indian Reorganization Act (IRA) (25 U.S.C. 465) authorizes the Secretary of the Interior to acquire land in trust for individual Indians and Indian tribes. The Department of the Interior's regulations at 25 CFR part 151 implement this statutory provision of the IRA, as well as other statutes authorizing the acquisition of land in trust. Prior to 1996, the Department announced decisions to take land into trust simultaneously with the action of taking the land into trust. According to then-prevailing court decisions, once the land was taken in trust, judicial review was very limited. Consequently, the Department decided to create a time-limited opportunity for judicial review. In 1996, the Department revised part 151 by procedural rulemaking. In response to *State of South Dakota v. U.S. Department of the Interior*, 69 F.3d 878 (8th Cir. 1995), the Department established a procedure to ensure the opportunity for judicial review of administrative decisions to acquire title to lands in trust for Indian tribes and individual Indians. That procedural rule added a paragraph (b) to § 151.12, which established a 30-day waiting period following publication of notice in the **Federal Register** or in a newspaper of
