- Alternatives to military preservation, packaging, or packing specifications; and/or

industrial preservation, packaging, or packing. If the offeror chooses to propose alternate preservation, packaging, or packing, the provision requires the offeror to submit information sufficient to allow evaluation of the proposed commercial or industrial preservation, packaging, or packing.

The clause at DFARS 252.211-7005, Substitutions for Military or Federal Specifications and Standards, is used in solicitations and contracts for previously developed items. The clause encourages offerors to propose management or manufacturing processes, if previously accepted by DoD under the Single Process Initiative (SPI) program, as alternatives to military or Federal specification and standards cited in the solicitation.
