SUPPLEMENTARY INFORMATION: This ICR seeks to maintain PRA authority for information collections contained in the Presence Sensing Device (PSD) Initiation Standard. Regulations 29 CFR 1910.217(h) sets standards for using a PSD in a mechanical power-press safety system. A PSD (e.g., a photoelectric field or curtain) automatically stops the stroke of a mechanical power press when the device detects an operator entering a danger zone near the press. The PSD initiation standard contains a number of information collection requirements, including: Certifying brakemonitor adjustments, alternatives to photoelectric PSDs, safety system design and installation, and worker training; annual recertification of safety systems; establishing and maintaining the original certification and validation records, as well as the most recent

recertification and revalidation records; affixing labels to test rods and to certified and recertified presses; and notifying an OSHA-recognized third-party validation organization when a safety system component fails, the employer modifies the safety system, or a point-of-operation injury occurs. Occupational Safety and Health Act sections 6(b)(7), 29 U.S.C. 655(b)(7), and 8(c), 29 U.S.C. 657(c), authorize this information collection.

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is approved by the OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number. See 5 CFR 1320.5(a) and 1320.6. The DOL obtains OMB approval for this information collection under Control Number 1218–0143.

OMB authorization for an ICR cannot be for more than three (3) years without renewal, and the current approval for this collection is scheduled to expire on December 31, 2013. The DOL seeks to extend PRA authorization for this information collection for three (3) more years, without any change to existing requirements. The DOL also notes that existing information collection requirements submitted to the OMB receive a month-to-month extension while they undergo review. For additional substantive information about this ICR, see the related notice published in the **Federal Register** on April 9, 2013, (78 FR 21155).

Interested parties are encouraged to send comments to the OMB, Office of Information and Regulatory Affairs at the address shown in the **ADDRESSES** section within 30 days of publication of this notice in the **Federal Register**. In order to help ensure appropriate consideration, comments should mention OMB Control Number 1218–0143. The OMB is particularly interested in comments that:

- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

OFFICE OF MANAGEMENT AND BUDGET

Information Collection; Request for Public Comments

AGENCY: Office of Management and Budget, Executive Office of the President.

ACTION: Notice and request for comments.

SUMMARY: In compliance with the Paperwork Reduction Act of 1995 (44 U.S.C. 3501, *et seq.*) the Office of Management and Budget (OMB) invites the general public and Federal agencies to comment on a revision of an approved information form (SF–SAC) that is used to report audit results, audit findings, and questioned costs as required by the Single Audit Act Amendments of 1996 (31 U.S.C. 7501, *et seq.*) and OMB Circular A–133, “Audits of States, Local Governments, and Non-Profit Organizations.”

The first notice of this information collection request, as required by the Paperwork Reduction act, was published in the **Federal Register** on May 9, 2013 [78 FR 27259]. The proposed changes are to revise some existing data elements in the form and add other data elements that would make easier for the Federal agencies to

identify the types of audit findings reported in the audits performed under the Single Audit Act. The current Form SF–SAC was designed for audit periods ending in 2011 and 2012. The proposed revised Form SF–SAC will replace the current form for audit periods ending 2013, 2014 and 2015. The detail proposed changes along with the proposed format are described on OMB Web site at: http://www.whitehouse.gov/omb/grants_forms/

DATES: Submit comments on or before December 19, 2013. Late comments will be considered to the extent practicable.

ADDRESSES: Due to potential delays in OMB’s receipt and processing of mail sent through the U.S. Postal Service, we encourage respondents to submit comments electronically to ensure timely receipt. We cannot guarantee that mailed comments will be received before the comment closing date.

Electronic mail comments may be submitted to: Gilbert Tran at hai_m._tran@omb.eop.gov. Please include “Form SF–SAC 2013 Comments” in the subject line and the full body of your comments in the text of the electronic message, not as an attachment. Please include your name, title, organization, postal address, telephone number and email address in the text of the message. Comments may also be submitted via facsimile to 202–395–3952.

Comments may be mailed to Gilbert Tran, Office of Federal Financial Management, Office of Management and Budget, Room 6025, New Executive Office Building, Washington, DC 20503.

All responses will be summarized and included in the request for OMB approval. All comments will also be a matter of public record.

FOR FURTHER INFORMATION CONTACT:

Gilbert Tran, Office of Federal Financial Management, Office of Management and Budget, (202) 395–3052. The proposed revisions to the Information Collection Form, Form SF–SAC can be obtained by contacting the Office of Federal Financial Management as indicated above or by download from the OMB Grants Management home page on the Internet at http://www.whitehouse.gov/omb/grants_forms/

Needs and Uses: Reports from auditors to auditees and reports from auditees to the Federal government are used by non-Federal entities, pass-through entities and Federal agencies to ensure that Federal awards are expended in accordance with applicable laws and regulations. The Federal Audit Clearinghouse (FAC) (maintained by the U.S. Bureau of the Census) uses the information on the SF–SAC to ensure proper distribution of audit reports to Federal agencies and identify non-Federal entities who have not filed the required reports. The FAC also uses the information on the SF–SAC to create a government-wide database, which contains information on audit results. This database is publicly accessible on the Internet at <http://harvester.census.gov/fac/>. It is used by Federal agencies, pass-through entities, non-Federal entities, auditors, the Government Accountability Office, OMB and the general public for management of and information about Federal awards and the results of audits. Comments are invited on: (a) Whether the proposed information collection is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the estimate of the burden of the collection of the information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on those who respond, including through the use of automated collection techniques or other forms of information technology.
