AGENCY: Bureau of Reclamation, Interior.

ACTION: Notice of public meeting.

SUMMARY: The Colorado River Basin Salinity Control Advisory Council (Council) was established by the Colorado River Basin Salinity Control Act of 1974 (Pub. L. 93–320) (Act) to receive reports and advise Federal agencies on implementing the Act. In accordance with the Federal Advisory Committee Act, the Bureau of Reclamation announces that the Council will meet as detailed below. The meeting of the Council is open to the public.

DATES: The Council will convene the meeting on Wednesday, December 11, 2013, at 1:30 p.m. and adjourn at approximately 2:30 p.m.

ADDRESSES: The meeting will be held in the Conference Center of Caesars Palace, Tarrant Room, 3570 Las Vegas Boulevard South, Las Vegas, Nevada 89109. Send written comments to Mr. Kib Jacobson, Bureau of Reclamation, Upper Colorado Regional Office, 125 South State Street, Room 6107, Salt Lake City, Utah 84138–1147; telephone (801) 524–3753; facsimile (801) 524–3847; email at: kjacobson@usbr.gov.

SUPPLEMENTARY INFORMATION: Any member of the public may file written statements with the Council before, during, or up to 30 days after the meeting either in person or by mail. To the extent that time permits, the Council chairman will allow public presentation of oral comments at the meeting. To allow full consideration of information by Council members, written notice must be provided at least 5 days prior to the meeting. Any written comments received prior to the meeting will be provided to Council members at the meeting.

The purpose of the meeting is to discuss: (1) Funding recommendations to Reclamation for use of funds from the Lower Colorado River Basin Development Fund and to fund 50 percent of an agreement with the U.S. Fish and Wildlife Service; (2) input for drafting the Council's annual report;

and (3) the Charter that is due to be renewed in the coming year.

The Council planned to meet October 23–24, 2013, in Los Angeles, California. However, due to the government shutdown, notice of the meeting could not be published in the **Federal Register** and the meeting was not held. Since Council members from each of the seven Colorado River Basin states are planning to attend the Colorado River Water Users Association (CRWUA) annual conference in Las Vegas, Nevada, on December 11–13, 2013, the Council decided to hold a short meeting in conjunction with the CRWUA conference. Council members not in Las Vegas will participate by conference call. Reclamation will not be reimbursing travel expenses for the Council members.

oriented electrical steel, provided for in subheadings 7225.11.00, 7226.11.10, and 7226.11.90 of the Harmonized Tariff Schedule of the United States, that are alleged to be sold in the United States at less than fair value (LTFV), and by reason of imports of grain-oriented electrical steel that are allegedly subsidized by the Government of China.

Commencement of Final Phase Investigations

Pursuant to section 207.18 of the Commission's rules, the Commission also gives notice of the commencement of the final phase of its investigations. The Commission will issue a final phase notice of scheduling, which will be published in the **Federal Register** as provided in section 207.21 of the Commission's rules, upon notice from the Department of Commerce (Commerce) of affirmative preliminary determinations in the investigations under sections 703(b) or 733(b) of the Act, or, if the preliminary determinations are negative, upon notice of affirmative final determinations in those investigations under sections 705(a) or 735(a) of the Act. Parties that filed entries of appearance in the preliminary phase of the investigations need not enter a separate appearance for the final phase of the investigations. Industrial users, and, if the merchandise under investigation is sold at the retail level, representative consumer organizations have the right to appear as parties in Commission antidumping and countervailing duty investigations. The Secretary will prepare a public service list containing the names and addresses of all persons, or their representatives, who are parties to the investigations.

Background

On September 18, 2013, a petition was filed with the Commission and Commerce by of AK Steel Corp., West Chester, Ohio; Allegheny Ludlum, LLC, Pittsburgh, Pennsylvania; and the United Steelworkers, Pittsburgh, Pennsylvania, alleging that an industry in the United States is materially injured or threatened with material injury by reason of LTFV and subsidized imports of grain-oriented electrical steel from China and LTFV imports of grain-oriented electrical steel from Czech Republic, Germany, Japan, Korea, Poland, and Russia. Accordingly, effective September 18, 2013, the Commission instituted countervailing duty investigation No. 701–TA–505 and antidumping duty investigation Nos. 731–TA–1231–1237 (Preliminary).

Notice of the institution of the Commission's investigations and of a

public conference to be held in connection therewith was given by posting copies of the notice in the Office of the Secretary, U.S. International Trade Commission, Washington, DC, and by publishing the notice in the **Federal Register** on September 25, 2013 ((78 FR 59059), as revised on October 21, 2013 (78 FR 64011, October 25, 2013)). The conference was held in Washington, DC, on October 25, 2013, and all persons who requested the opportunity were permitted to appear in person or by counsel.

The Commission transmitted its determinations in these investigations to the Secretary of Commerce on November 20, 2013. The views of the Commission are contained in USITC Publication 4439 (November 2013), entitled *Grain-Oriented Electrical Steel From China, Czech Republic, Germany, Japan, Korea, Poland, and Russia*.

By order of the Commission.

Issued: November 20, 2013.
