0960–0072. Sections 221(i), 1614(a)(3)(H)(ii)(I), and 1633(c)(1) of the Social Security Act require SSA to periodically review the cases of individuals who receive disability benefits under Title II or Title XVI to determine if the individuals’ disabilities continue. SSA uses Form SSA–454, Continuing Disability Review Report, to complete the review for continuing disability. SSA considers adults eligible for payment if they continue to be unable to do substantial gainful activity because of their impairments, and we

consider Title XVI children eligible for payment if they have marked and severe functional limitations because of their impairments. SSA also uses Form SSA–454 to obtain information on sources of medical treatment; participation in vocational rehabilitation programs (if any); attempts to work (if any); and if individuals believe their conditions have improved. The respondents are Title II or Title XVI disability recipients or their representatives.
