Midcontinent Independent System Operator, Inc.; Supplemental Notice Concerning Post-Technical Conference Comments

As announced in the Notice of Technical Conference issued on October 25, 2013, and as required in the Commission's October 16, 2013 order, Commission staff convened a technical conference in this proceeding on November 19, 2013, at the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC, Hearing Room 6.¹ In the course of the discussion therein, Midcontinent Independent System Operator, Inc. (MISO) clarified several aspects of its proposal and suggested certain modifications to its initially proposed revisions to its Open Access Transmission, Energy, and Operating Reserve Markets Tariff (Tariff). MISO offered to file these changes to its Tariff, if so directed by the Commission in a further order in this proceeding. Staff requests that MISO specify any such further Tariff revisions in its post-technical conference comments, and that parties who choose to file post-technical conference comments or reply comments take these potential Tariff revisions into account, and respond to them as appropriate, in the course of formulating their written submissions.

Parties wishing to file comments on the matters discussed at the technical

Records Governing Off-the-Record Communications; Public Notice

This constitutes notice, in accordance with 18 CFR 385.2201(b), of the receipt of prohibited and exempt off-the-record communications.

Order No. 607 (64 FR 51222, September 22, 1999) requires Commission decisional employees, who make or receive a prohibited or exempt

off-the-record communication relevant to the merits of a contested proceeding, to deliver to the Secretary of the Commission, a copy of the communication, if written, or a summary of the substance of any oral communication.

Prohibited communications are included in a public, non-decisional file associated with, but not a part of, the decisional record of the proceeding. Unless the Commission determines that the prohibited communication and any responses thereto should become a part of the decisional record, the prohibited off-the-record communication will not be considered by the Commission in reaching its decision. Parties to a proceeding may seek the opportunity to respond to any facts or contentions made in a prohibited off-the-record communication, and may request that the Commission place the prohibited communication and responses thereto in the decisional record. The Commission will grant such a request only when it determines that fairness so requires. Any person identified below as having made a prohibited off-the-record communication shall serve the document on all parties listed on the

official service list for the applicable proceeding in accordance with Rule 2010, 18 CFR 385.2010.

Exempt off-the-record communications are included in the decisional record of the proceeding, unless the communication was with a cooperating agency as described by 40 CFR 1501.6, made under 18 CFR 385.2201(e)(1)(v).

The following is a list of off-the-record communications recently received by the Secretary of the Commission. The communications listed are grouped chronologically, in ascending order. These filings are available for review at the Commission in the Public Reference Room or may be viewed on the Commission's Web site at <http://www.ferc.gov> using the eLibrary link. Enter the docket number, excluding the last three digits, in the docket number field to access the document.
