SUPPLEMENTARY INFORMATION: In order to fulfill the requirements of section 20A of the Bank Act (12 U.S.C. 1440a), and as provided in 12 CFR part 1260, FHFA will distribute or otherwise make available to each Bank and to the Office of Finance on a regular and ongoing basis the following categories of information, as soon as practicable after the materials have been prepared in final form:

1. Information submitted by a Bank to FHFA's call report system (CRS)

electronic database, excluding Bank membership information;

2. Information about each Bank, and the Banks collectively, that is presented in FHFA's semi-annual "Profile of the Federal Home Loan Bank System" report prepared by FHFA's Division of Bank Regulation (DBR);

3. Information about each Bank, and the Banks collectively, that is contained in the weekly report on Bank liquidity prepared by DBR;

4. Information about each Bank, and the Banks collectively, that is contained in the quarterly report on Bank membership prepared by DBR;

5. Information about each Bank, and the Banks collectively, that is contained in the weekly report on the Banks' unsecured credit exposure prepared by DBR;

6. A quarterly statement, to be prepared by FHFA, indicating whether each Bank has timely filed with FHFA the quarterly liquidity certification required under 12 CFR 1270.10(b)(1);

7. A statement, to be prepared by FHFA as circumstances warrant, identifying any Bank that has notified FHFA pursuant to 12 CFR 1270.10(b)(2) of any actual or anticipated liquidity problems and describing the nature of the liquidity problems; and

8. Beginning with the calendar year 2014 Bank examination cycle, information contained in the "Summary and Conclusions" portion of each Bank's final report of examination.

Dated: November 22, 2013.

Edward J. DeMarco,

Acting Director, Federal Housing Finance Agency.

BILLING CODE 8070–01–P**CONSUMER PRODUCT SAFETY COMMISSION****16 CFR Parts 1112 and 1225****[CPSC Docket No. CPSC–2012–0068]****Safety Standard for Hand-Held Infant Carriers****AGENCY:** Consumer Product Safety Commission.**ACTION:** Final rule.

SUMMARY: The Danny Keysar Child Product Safety Notification Act, section 104(b) of the Consumer Product Safety Improvement Act of 2008 (CPSIA), requires the United States Consumer Product Safety Commission (Commission, CPSC, or we) to promulgate consumer product safety standards for durable infant or toddler

products. These standards are to be "substantially the same as" applicable voluntary standards or more stringent than the voluntary standard if the Commission concludes that more stringent requirements would further reduce the risk of injury associated with the product. The Commission is issuing a safety standard for hand-held infant carriers in response to the direction under section 104(b) of the CPSIA. The rule would incorporate ASTM F2050–13a by reference, with one modification.

DATES: The rule will become effective on June 6, 2014. The incorporation by reference of the publication listed in this rule is approved by the Director of the Federal Register as of June 6, 2014.

SUPPLEMENTARY INFORMATION:**I. Background and Statutory Authority**

The CPSIA (Pub. L. 110–314) was enacted on August 14, 2008. Section 104(b) of the CPSIA requires the Commission to: (1) Examine and assess the effectiveness of voluntary consumer product safety standards for durable infant or toddler products, in consultation with representatives of consumer groups, juvenile product manufacturers, and independent child product engineers and experts; and (2) promulgate consumer product safety standards for durable infant and toddler products. These standards are to be substantially the same as applicable voluntary standards or more stringent than the voluntary standard if the Commission concludes that more stringent requirements would further reduce the risk of injury associated with the product.

The term "durable infant or toddler product" is defined in section 104(f)(1) of the CPSIA as a durable product intended for use, or that may be reasonably expected to be used, by children under the age of 5 years. Infant carriers are one of the products specifically identified in section 104(f)(2)(H) as a durable infant or toddler product. The Commission has identified four types of products that could fall within the infant carrier product category, including: Frame backpack carriers, soft infant and toddler carriers, slings, and hand-held infant carriers. This rule addresses hazards associated only with hand-held infant carriers. Hazards associated with other types of carriers would be
