

approximate position: 38°34'49.98" N, 121°30'29.61" W (NAD 83) within a radius of 1,000 feet. At the conclusion of the fireworks display the safety zone shall terminate. This safety zone will be in effect from 9 p.m. to 9:20 p.m. on December 31, 2013.

Under the provisions of 33 CFR 165.1191, unauthorized persons or vessels are prohibited from entering into, transiting through, or anchoring in the safety zone during all applicable effective dates and times, unless authorized to do so by the PATCOM. Additionally, each person who receives notice of a lawful order or direction issued by an official patrol vessel shall obey the order or direction. The PATCOM is empowered to forbid entry into and control the regulated area. The PATCOM shall be designated by the Commander, Coast Guard Sector San Francisco. The PATCOM may, upon request, allow the transit of commercial vessels through regulated areas when it is safe to do so.

This document is issued under authority of 33 CFR 165.1191 and 5 U.S.C. 552 (a). In addition to this publication in the **Federal Register**, the Coast Guard will provide the maritime community with extensive advance notification of the safety zone and its enforcement period via the Local Notice to Mariners. If the Captain of the Port determines that the regulated area need not be enforced for the full duration stated in this document, a Broadcast Notice to Mariners may be used to grant general permission to enter the regulated area.

Dated: November 26, 2013.

**Gregory G. Stump,**

*Captain, U.S. Coast Guard, Captain of the Port San Francisco.*

### Coast Guard

#### 33 CFR Part 165

[Docket No. USCG-2013-0902]

RIN 1625-AA00

#### Safety Zone: Google's Night at Sea Fireworks Display, San Francisco Bay, Alameda, CA

**AGENCY:** Coast Guard, DHS.

**ACTION:** Temporary final rule.

**SUMMARY:** The Coast Guard is establishing temporary safety zones in the navigable waters of the San

Francisco Bay near the breakwater in Alameda, CA in support of Google's Night at Sea Fireworks Displays on December 7, 2013 and December 14, 2013. These safety zones are established to help protect the participants and spectators from the dangers associated with pyrotechnics. Unauthorized persons or vessels are prohibited from entering into, transiting through, or remaining in the safety zones without permission of the Captain of the Port or their designated representative.

**DATES:** This rule is effective on December 7, 2013 and December 14, 2013. This rule will be enforced from 12:01 p.m. to 10:45 p.m. on December 7, 2013 and from 12:01 p.m. to 11:30 p.m. on December 14, 2013.

**ADDRESSES:** Documents mentioned in this preamble are part of docket USCG-2013-0902. To view documents mentioned in this preamble as being available in the docket, go to <http://www.regulations.gov>, type the docket number in the "SEARCH" box and click "SEARCH." Click on Open Docket Folder on the line associated with this rulemaking. You may also visit the Docket Management Facility in Room W12-140 on the ground floor of the Department of Transportation West Building, 1200 New Jersey Avenue SE., Washington, DC 20590, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays.

**FOR FURTHER INFORMATION CONTACT:** If you have questions on this rule, call or email Lieutenant Junior Grade William Hawn, U.S. Coast Guard Sector San Francisco; telephone (415) 399-7442 or email at [D11-PF-MarineEvents@uscg.mil](mailto:D11-PF-MarineEvents@uscg.mil). If you have questions on viewing or submitting material to the docket, call Program Manager, Docket Operations, telephone (202) 366-9826.

#### SUPPLEMENTARY INFORMATION:

##### Table of Acronyms

DHS Department of Homeland Security  
FR Federal Register  
NOAA National Oceanic and Atmospheric Administration  
NPRM Notice of Proposed Rulemaking

##### A. Regulatory History and Information

The Coast Guard is issuing this temporary final rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are "impracticable, unnecessary, or contrary to the public interest."

Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule because the event would occur before the rulemaking process would be completed. Because of the dangers posed by the pyrotechnics used in these fireworks displays, the safety zones are necessary to provide for the safety of event participants, spectators, spectator craft, and other vessels transiting the event area. For the safety concerns noted, it is in the public interest to have these regulations in effect during the event. Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**.

##### B. Basis and Purpose

The legal basis for the proposed rule is 33 U.S.C 1231; 46 U.S.C Chapter 701, 3306, 3703; 50 U.S.C. 191, 195; 33 CFR 1.05-1, 6.04-1, 6.04-6, 160.5; Public Law 107-295, 116 Stat. 2064; Department of Homeland Security Delegation No. 0170.1, which collectively authorize the Coast Guard to establish safety zones.

Google will sponsor the Google's Night at Sea Fireworks Displays on December 7, 2013 and December 14, 2013 near the breakwater in Alameda, CA in approximate position 37°46'07" N, 122°19'10" W (NAD83) as depicted in National Oceanic and Atmospheric Administration (NOAA) Chart 18650. These safety zones establish a temporary restricted area on the waters 100 feet surrounding the fireworks barges during the loading, transit and arrival of the pyrotechnics from the loading site to the launch site until the commencement of the fireworks displays. Upon the commencement of the fireworks displays, the safety zones will increase in size and encompass the navigable waters around the fireworks barges within a radius of 420 feet. The fireworks displays are meant for entertainment purposes. The restricted area around the fireworks barges is necessary to protect spectators, vessels, and other property from the hazards associated with pyrotechnics.

##### C. Discussion of the Final Rule

The Coast Guard will enforce safety zones in navigable waters around and under the fireworks barges within a radius of 100 feet during the loading, transit, and arrival of the fireworks barges to the display location until the start of the fireworks displays. From 12:01 p.m. until 9 p.m. on December 7, 2013 and from 12:01 p.m. until 8 p.m. on December 14, 2013 the fireworks

barges will be loaded at Pier 50 in San Francisco, CA. From 9 p.m. until 9:45 p.m. on December 7, 2013 and from 8 p.m. until 8:45 p.m. on December 14, 2013 the loaded fireworks barges will transit from Pier 50 to the launch site near the breakwater in Alameda, CA in approximate position 37°46'07" N, 122°19'10" W (NAD 83) where they will remain until the commencement of the fireworks displays. Upon the commencement of the fireworks display, scheduled to take place from 10:15 p.m. to 10:45 p.m. on December 7, 2013; from 9:15 p.m. to 9:20 p.m. on December 14, 2013; and from 11:15 p.m. to 11:30 p.m. on December 14, 2013, the safety zones will increase in size and encompass the navigable waters around and under the fireworks barges within a radius 420 feet in approximate position 37°46'07" N, 122°19'10" W (NAD 83) for the Google's Night at Sea Fireworks Displays. At the conclusion of the fireworks displays the safety zones shall terminate.

The effect of the temporary safety zones will be to restrict navigation in the vicinity of the fireworks barges while the fireworks are set up, and until the conclusion of the scheduled displays. Except for persons or vessels authorized by the Coast Guard Patrol Commander, no person or vessel may enter or remain in the restricted areas. These regulations are needed to keep spectators and vessels away from the immediate vicinity of the fireworks barges to ensure the safety of participants, spectators, and transiting vessels.

#### D. Regulatory Analyses

We developed this rule after considering numerous statutes and executive orders related to rulemaking. Below we summarize our analyses based on 13 of these statutes and executive orders.

##### 1. Regulatory Planning and Review

This rule is not a significant regulatory action under section 3(f) of Executive Order 12866, Regulatory Planning and Review, as supplemented by Executive Order 13563, Improving Regulation and Regulatory Review, and does not require an assessment of potential costs and benefits under section 6(a)(3) of Executive Order 12866 or under section 1 of Executive Order 13563. The Office of Management and Budget has not reviewed it under those Orders.

We expect the economic impact of this rule will not rise to the level of necessitating a full Regulatory Evaluation. The safety zones are limited in duration, and are limited to a

narrowly tailored geographic area. In addition, although this rule restricts access to the waters encompassed by the safety zones, the effect of this rule will not be significant because the local waterway users will be notified via public Broadcast Notice to Mariners to ensure the safety zones will result in minimum impact. The entities most likely to be affected are waterfront facilities, commercial vessels, and pleasure craft engaged in recreational activities.

##### 2. Impact on Small Entities

The Regulatory Flexibility Act of 1980 (RFA), 5 U.S.C. 601–612, as amended, requires federal agencies to consider the potential impact of regulations on small entities during rulemaking. The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities.

This rule may affect owners and operators of waterfront facilities, commercial vessels, and pleasure craft engaged in recreational activities and sightseeing. These safety zones would not have a significant economic impact on a substantial number of small entities for the following reasons. The safety zones will be activated, and thus subject to enforcement, for a limited duration. When the safety zones are activated, vessel traffic will be able to navigate around the safety zones. The maritime public will be advised in advance of this safety zones via Broadcast Notice to Mariners.

##### 3. Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we want to assist small entities in understanding this rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT**, above.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency's responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1–888–REG–FAIR (1–888–734–3247). The Coast Guard will not retaliate against

small entities that question or complain about this rule or any policy or action of the Coast Guard.

##### 4. Collection of Information

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

##### 5. Federalism

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that Order and determined that this rule does not have implications for federalism.

##### 6. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places or vessels.

##### 7. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

##### 8. Taking of Private Property

This rule will not cause a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

##### 9. Civil Justice Reform

This rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

##### 10. Protection of Children

We have analyzed this rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not

an economically significant rule and does not create an environmental risk to health or risk to safety that may disproportionately affect children.

#### 11. Indian Tribal Governments

This rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

#### 12. Energy Effects

This action is not a “significant energy action” under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use.

#### 13. Technical Standards

This rule does not use technical standards. Therefore, we did not consider the use of voluntary consensus standards.

#### 14. Environment

We have analyzed this rule under Department of Homeland Security Management Directive 023–01 and Commandant Instruction M16475.ID, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA)(42 U.S.C. 4321–4370f), and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule involves safety zones of limited size and duration. This rule is categorically excluded from further review under paragraph 34(g) of Figure 2–1 of the Commandant Instruction. An environmental analysis checklist supporting this determination and a Categorical Exclusion Determination are available in the docket where indicated under **ADDRESSES**. We seek any comments or information that may lead to the discovery of a significant environmental impact from this rule.

#### E. List of Subjects in 33 CFR Part 165

Harbors, Marine safety, Navigation (water), Reporting and recordkeeping requirements, Security measures, and Waterways.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR Part 165 as follows:

### PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

■ 1. The authority citation for part 165 continues to read as follows:

**Authority:** 33 U.S.C. 1231; 46 U.S.C. Chapter 701; 50 U.S.C. 191, 195; 33 CFR 1.05–1(g), 6.04–1, 6.04–6, and 160.5; Pub. L. 107–295, 116 Stat. 2064; Department of Homeland Security Delegation No. 0170.1.

■ 2. Add temporary § 165–T11–609 to read as follows:

#### § 165–T11–609 Safety zone; Google’s Night at Sea Fireworks Display, San Francisco Bay, Alameda, CA.

(a) *Location.* These temporary safety zones are established in the navigable waters of the San Francisco Bay near the breakwater in Alameda, CA as depicted in National Oceanic and Atmospheric Administration (NOAA) Chart 18650. From 12:01 p.m. until 10:15 p.m. on December 7, 2013, from 12:01 p.m. until 9:15 p.m. on December 14, 2013, and from 9:20 p.m. until 11:15 p.m. on December 14, 2013, the temporary safety zones apply to the nearest point of the fireworks barges within a radius of 100 feet during the loading, transit, and arrival of the fireworks barges from Pier 50 to the launch site near the breakwater in Alameda, CA in approximate position 37°46′07″ N, 122°19′10″ W (NAD83). From 10:15 p.m. until 10:45 p.m. on December 7, 2013, from 9:15 p.m. until 9:20 p.m. on December 14, 2013, and from 11:15 p.m. until 11:30 p.m. on December 14, 2013, the temporary safety zones will increase in size and encompass the navigable waters around and under the fireworks barges in approximate position 37°46′07″ N, 122°19′10″ W (NAD83) within a radius of 420 feet.

(b) *Enforcement Period.* The zones described in paragraph (a) of this section will be enforced from 12:01 p.m. through 10:45 p.m. on December 7, 2013 and from 12:01 p.m. through 11:30 p.m. on December 14, 2013. The Captain of the Port San Francisco (COTP) will notify the maritime community of periods during which these zones will be enforced via Broadcast Notice to Mariners in accordance with 33 CFR 165.7.

(c) *Definitions.* As used in this section, “designated representative” means a Coast Guard Patrol Commander, including a Coast Guard coxswain, petty officer, or other officer on a Coast Guard vessel or a Federal, State, or local officer designated by or assisting the COTP in the enforcement of the safety zones.

(d) *Regulations.* (1) Under the general regulations in 33 CFR Part 165, Subpart C, entry into, transiting or anchoring

within these safety zones is prohibited unless authorized by the COTP or a designated representative.

(2) The safety zones are closed to all vessel traffic, except as may be permitted by the COTP or a designated representative.

(3) Vessel operators desiring to enter or operate within the safety zones must contact the COTP or a designated representative to obtain permission to do so. Vessel operators given permission to enter or operate in the safety zones must comply with all directions given to them by the COTP or a designated representative. Persons and vessels may request permission to enter the safety zones on VHF–23A or through the 24-hour Command Center at telephone (415) 399–3547.

Dated: November 26, 2013.

## DEPARTMENT OF COMMERCE

### United States Patent and Trademark Office

#### 37 CFR Part 1

[Docket No.: PTO–P–2013–0007]

RIN 0651–AC85

### Changes To Implement the Patent Law Treaty; Correction

**AGENCY:** United States Patent and Trademark Office, Department of Commerce.

**ACTION:** Final rule; correction.

**SUMMARY:** The United States Patent and Trademark Office (Office) published in the **Federal Register** on October 21, 2013, a final rule revising the rules of practice in patent cases for consistency with the changes in the Patent Law Treaty (PLT) and provisions of the Patent Law Treaties Implementation Act of 2012 (PLTIA) that implement the PLT (PLT Final Rule). The PLT Final Rule as published in the **Federal Register** inadvertently omits the small and micro entity fee amounts for certain petitions and contains a cross-reference to a section that has been removed. This document corrects the omission and removes the cross-reference in the PLT Final Rule as published in the **Federal Register**.

**DATES:** *Effective Date:* December 18, 2013.

**FOR FURTHER INFORMATION CONTACT:** Robert W. Bahr, Senior Patent Counsel,
