SUMMARY: The Department of Transportation (DOT) received no public comments following the publication of its 60-day notice of proposed information collection. As identified in the 60-day notice, the information is currently being collected under an approved Information Collection Request. OST requests that the Office of Management and Budget (OMB) renew an Information Collection Request (OMB Control Number 2105-0569) in accordance with the requirements of the Paperwork Reduction Act of 1995 (Pub. L. 104-13, 44 U.S.C. 3501 *et seq.*), and requests additional comments and recommendations.

On July 6, 2012, the President of the United States signed the Moving Ahead for Progress in the 21st Century Act of 2012 (MAP-21). The TIFIA program will provide Federal credit assistance in the form of direct loans, loan guarantees, and standby lines of credit to eligible surface transportation projects. This information collection relates to the collection of information from entities interested in TIFIA credit assistance and assists DOT in evaluating projects and project sponsors for program eligibility and creditworthiness.

A 60-day **Federal Register** notice was published on September 27, 2013, 2013 (78 FR 59751). Since the publication of the 60-day **Federal Register** notice, no comments were received to the Docket (DOT-OST-2013-0173) and therefore no review of comments was required, so none was performed by the Department.
