

ameliorating threats impacting the species so as to allow the ferret's persistence. Although ferret habitat has been dramatically reduced from historical times, a sufficient amount remains if its quality and configuration is appropriately managed. This management, for the most part, is likely to be conducted by State, Tribal, and Federal fish and wildlife and land management agencies. Additionally, private parties, including landowners and conservation organizations, are key for ferret recovery. Many partners contributing to ferret recovery in many places will help minimize the risk of a significant loss of wild populations.

Specifically, recovery of black-footed ferrets will depend upon: (1) Continued efforts of captive breeding facilities to provide suitable animals for release into the wild; (2) conservation of prairie dog habitat adequate to sustain ferrets in several populations distributed throughout their historical range; and (3) management of sylvatic plague. The single, most feasible action that would benefit black-footed ferret recovery is to improve prairie dog conservation. If efforts are undertaken to more proactively manage existing prairie dog habitat for ferret recovery, all other threats to the species will be substantially less difficult to address. Downlisting of the black-footed ferret could be accomplished in approximately 10 years if conservation actions continue at existing reintroduction sites and if additional reintroduction sites are established. Delisting will be possible if more intensive reintroduction efforts are conducted.

Authority

The authority for this action is section 4(f) of the Endangered Species Act, 16 U.S.C. 1533(f).

SUPPLEMENTARY INFORMATION:

I. Abstract

The BIE is seeking renewal of the approval for the information collection conducted under 25 CFR parts 30, 37, 39, 42, 44, and 47 under OMB Control Number 1076-0163. This information collection is necessary to implement Public Law 107-110, No Child Left Behind Act of 2001 (NCLB). The NCLB requires all schools, including Bureau-funded and operated schools, to ensure that all children have a fair, equal, and significant opportunity to obtain a high-quality education and reach, at a minimum, proficiency on challenging academic achievement standards and assessments. The BIE has promulgated several regulations implementing the NCLB Act. This OMB Control Number addresses the following regulations.

- 25 CFR part 30—Adequately Yearly Progress (AYP). Tribes/school boards may request an alternative to the established AYP definition or standards. Tribes/school boards may provide evidence that BIE made an error in identifying the school for improvement. Achievement, attendance and graduation rates are collected from schools to facilitate yearly calculation of AYP.

- 25 CFR part 37—Geographic Boundaries. This part establishes procedures for confirming, establishing, or revising attendance areas for each Bureau-funded and operated school. Tribes and school boards must submit certain information to BIE to propose a change in geographic boundaries.

- 25 CFR part 39—Indian School Equalization Program (ISEP). This part provides for the uniform direct funding of Bureau-operated and tribally operated

day schools, boarding schools, and dormitories. Auditors of schools, to ensure accountability in student counts and student transportation, must certify that they meet certain qualifications and have conducted a conflict of interest check. Schools must submit information to BIE to apply for funds in the event of an emergency or unforeseen contingency.

- 25 CFR part 42—Student Rights. The purpose of this part is to govern student rights and due process procedures in disciplinary proceedings in all Bureau-funded and operated schools. This part requires all the school to provide notice of disciplinary charges, provide a copy of the hearing of record, and provide a student handbook.

- 25 CFR part 44—Grants under the Tribally Controlled Schools Act. The purpose of this part is to establish who is eligible for a grant and requires tribes to submit information to BIE to retrocede a program to the Secretary.

- 25 CFR part 47—Uniform Direct Funding and Support for Bureau-operated Schools. This part contains the requirements for developing local educational financial plans in order to receive direct funding from the Bureau. This part requires school supervisors to submit quarterly reports to school boards; submit a notice of appeal to the BIE for a decision where agencies disagree over expenditures; make certain certifications in financial plans; and send the plan and documentation to the BIE or submit a notice of appeal.

There are no forms associated with collection. No third party notification or public disclosure burden is associated with this collection.

II. Request for Comments

The BIE requests your comments on this collection concerning: (a) The necessity of this information collection for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) The accuracy of the agency's estimate of the burden (hours and cost) of the collection of information, including the validity of the methodology and assumptions used; (c) Ways we could enhance the quality, utility, and clarity of the information to be collected; and (d) Ways we could minimize the burden of the collection of the information on the respondents.

Please note that an agency may not conduct or sponsor, and an individual need not respond to, a collection of information unless it displays a valid OMB Control Number.

It is our policy to make all comments available to the public for review at the

location listed in the **ADDRESSES** section. SUPPLEMENTARY INFORMATION:

I. Abstract

The IDEIA, 20 U.S.C. 1411(h)(4)(c) and 1443(b)(3) require tribes and tribal organizations to submit certain information to the Secretary of the Interior. Under the IDEIA, the U.S. Department of Education provides funding to the Secretary of the Interior for the coordination of assistance for special education and related services for Indian children aged 0 to 5 with disabilities on reservations served by Bureau-funded schools. The Secretary of the Interior, through the BIE, then allocates this funding to tribes and tribal organizations based on the number of such children served. In order to allow the Secretary of the Interior to determine what amounts to allocate to whom, the IDEIA requires tribes and tribal organizations to submit information to Interior. The BIE collects this information on two forms, one for Indian children aged 3 to 5 covered by IDEIA Part B, and one for Indian children aged 0 to 2 covered by IDEIA Part C.

In IDEIA Part B—Assistance for Education of All Children with

Disabilities, 20 U.S.C. 1411(h)(4)(D) requires tribes to and tribal organizations to use the funds to assist in child find, screening, and other procedures for the early identification of Indian children aged 3 through 5, parent training, and the provision of direct services. In IDEIA Part C—Infants and Toddlers with Disabilities, 20 U.S.C. 1443(b)(4) likewise requires tribes and tribal organizations to use the fund to assist in child find, screening, and other procedures for early identification of Indian children under 3 years of age and for parent training, and early intervention services.
