I. Introduction

On December 24, 2013, the Postal Service filed notice, pursuant to 39 CFR 3010.40 *et seq.*, announcing that it has entered into a bilateral agreement (Agreement) with Hongkong Post, along with a Type 2 rate adjustment.¹ It asks that the Commission include the Agreement within the Inbound Market Dominant Multi-Service Agreements with Foreign Postal Operators I (MC2010-35) product on grounds of functional equivalence.

II. Contents of Filing

In addition to the Notice, the Postal Service filed an application for non-public treatment of materials filed under seal (Attachment 1); a redacted copy of the Hongkong Post Agreement (Attachment 2), and a redacted Excel file with supporting financial documentation. Notice at 1-2. The Postal Service also filed unredacted copies of the Agreement and the

supporting financial documentation under seal. *Id.* at 2.

The Agreement is the successor agreement to one previously found to be functionally equivalent to the Inbound Market Dominant Multi-Service Agreements with Foreign Postal Operators I (MC2010-35).² Notice at 1. The Postal Service identifies Hongkong Post, the postal operator for Hong Kong, and the Postal Service as the parties to the Agreement. *Id.* at 3.

The Postal Service states that the Agreement includes negotiated pricing for various inbound small packets with delivery scanning. *Id.* It asserts that the Agreement will not only improve financial performance over default Universal Postal Union (UPU) rates, but will also continue to improve operational performance. *Id.*

The Postal Service identifies March 1, 2014 as the intended effective date; states that its Notice provides the requisite advance notice; identifies a Postal Service official as a contact person; provides financial data and information in the unredacted workpapers filed under seal; describes expected operational improvements; and addresses why the Agreement will not result in unreasonable harm to the marketplace. *Id.* at 2-5. The intended expiration date is March 1, 2015, unless terminated sooner with at least 30 days' written notice by either party. Notice, Attachment 2 at 6; see also *id.* at 2.

Data collection and performance reporting proposals. The Postal Service proposes that no special data collection plan be created for the Agreement because it intends to report information on the Agreement through the Annual Compliance Report. Notice at 5. With respect to performance measurement, the Postal Service asks that it be excepted from separate reporting under 39 CFR 3055.3(a)(3) based on Order No. 996.³ Notice at 5-6.

Statutory criteria. The Postal Service states that under 39 U.S.C. 3622(c)(10), the criteria for Commission review are whether the Agreement (1) improves the Postal Service's net financial position or enhances the performance of

operational functions; (2) will not cause unreasonable harm to the marketplace; and (3) will be available on public and reasonable terms to similarly situated mailers. *Id.* at 6. It states that it addresses the first two criteria in its Notice and views the third criterion as inapplicable, given Hongkong Post's status as the designated operator for letter post packets originating in Hong Kong. *Id.* at 4, 6.

Functional equivalence. The Postal Service notes that in Order No. 1864, the Commission requested that it put forth a proposal for identification of the appropriate baseline for comparison of agreements for functional equivalency purposes.⁴ Notice at 6-7. The Postal Service states that the Agreement is functionally equivalent to the previously filed and included predecessor agreement with Hongkong Post, which was included within Inbound Market Dominant Multi-Service Agreement with Foreign Postal Operators 1 product grouping. *Id.* at 8. It also states that the terms of the Agreement fit within the proposed Mail Classification Schedule (MCS) language for Inbound Market-Dominant Multi-Service Agreements with Foreign Postal Operators 1 and that the Agreement and its predecessor conform to a common description and share a common market. *Id.* at 7. The Postal Service asserts that in comparison with its predecessor, cost characteristics and the financial models used to project costs and revenues are similar. *Id.* at 7-8. It states that while minor differences exist between the Agreement and its predecessor, none of the differences affect the cost or market characteristics nor do they detract from the conclusion that the Agreement is functionally equivalent to its predecessor agreement. *Id.* at 8-9.

III. Commission Action

The Commission, in conformance with 39 CFR 3010.44, establishes Docket No. R2014-4 to consider matters raised by the Notice. The Commission invites interested persons to submit comments on whether the Notice is consistent with the policies of 39 U.S.C. 3622 and 39 CFR part 3010.40.
