

Broadcast Notices to Mariners of the change in operating schedule for the bridge so that vessels can arrange their transits to minimize any impact caused by the temporary deviation.

In accordance with 33 CFR 117.35(e), the drawbridge must return to its regular operating schedule immediately at the end of the effective period of this temporary deviation. This deviation from the operating regulations is authorized under 33 CFR 117.35.

Dated: December 19, 2013.

David M. Frank,

Bridge Administrator.

DEPARTMENT OF VETERANS AFFAIRS

38 CFR Parts 3, 4, and 60

RIN 2900-AO64

VA Compensation Service and Pension and Fiduciary Service Nomenclature Changes

AGENCY: Department of Veterans Affairs.

ACTION: Final rule.

SUMMARY: This document amends the Department of Veterans Affairs (VA) regulations by making nonsubstantive changes to reflect new titles of certain VA offices.

DATES: These amendments are effective January 13, 2014.

FOR FURTHER INFORMATION CONTACT:

Marie Gregory, Pension and Fiduciary Service (21P1), Veterans Benefits Administration, Department of Veterans Affairs, 810 Vermont Avenue NW., Washington, DC 20420, (202) 632-8863. (This is not a toll-free number.)

SUPPLEMENTARY INFORMATION: In April 2011, VA divided its Compensation and Pension Service (an office within VA's Veterans Benefits Administration) into two separate Services, the "Compensation Service" and the "Pension and Fiduciary Service." This final rule amends VA regulations to reflect this change. No substantive changes are intended by these amendments.

Administrative Procedure Act

This final rule concerns only agency organization, procedure, or practice and therefore is not subject to the notice and comment provisions of 5 U.S.C. 553(b). This final rule consists of only nonsubstantive changes that will make the regulations more accurate and less confusing to readers. Pursuant to 5 U.S.C. 553(d)(3), the Secretary finds that

there is good cause to make these amendments effective on the date of their publication in the **Federal Register**.

Unfunded Mandates

The Unfunded Mandates Reform Act requires, at 2 U.S.C. 1532, that agencies prepare an assessment of anticipated costs and benefits before issuing any rule that may result in an expenditure by State, local, or tribal governments, in the aggregate, or by the private sector of \$100 million or more in any given year. This final rule will have no such effect on State, local, or tribal governments, or on the private sector.

Paperwork Reduction Act

This final rule contains no provisions constituting a collection of information under the Paperwork Reduction Act (44 U.S.C. 3501-3521).

Executive Orders 12866 and 13563

Executive Orders 12866 and 13563 direct agencies to assess the costs and benefits of available regulatory alternatives and, when regulation is necessary, to select regulatory approaches that maximize net benefits (including potential economic, environmental, public health and safety effects, and other advantages; distributive impacts; and equity). Executive Order 13563 (Improving Regulation and Regulatory Review) emphasizes the importance of quantifying both costs and benefits, reducing costs, harmonizing rules, and promoting flexibility. Executive Order 12866 (Regulatory Planning and Review) defines a "significant regulatory action," which requires review by the Office of Management and Budget (OMB), as "any regulatory action that is likely to result in a rule that may: (1) Have an annual effect on the economy of \$100 million or more or adversely affect in a material way the economy, a sector of the economy, productivity, competition, jobs, the environment, public health or safety, or State, local, or tribal governments or communities; (2) Create a serious inconsistency or otherwise interfere with an action taken or planned by another agency; (3) Materially alter the budgetary impact of entitlements, grants, user fees, or loan programs or the rights and obligations of recipients thereof; or (4) Raise novel legal or policy issues arising out of legal mandates, the President's priorities, or the principles set forth in this Executive Order."

VA has examined the economic, interagency, budgetary, legal, and policy implications of this regulatory action, and it has been determined not to be a

significant regulatory action under Executive Order 12866. VA's impact analysis can be found as a supporting document at <http://www.regulations.gov>, usually within 48 hours after the rulemaking document is published. Additionally, a copy of the rulemaking and its impact analysis are available on VA's Web site at <http://www1.va.gov/orpm/>, by following the link for "VA Regulations Published."

Regulatory Flexibility Act

Regulatory Flexibility Act

The Secretary hereby certifies that this final rule will not have a significant economic impact on a substantial number of small entities as they are defined in the Regulatory Flexibility Act, 5 U.S.C. 601-612. This final rule consists of only nonsubstantive changes. Therefore, pursuant to 5 U.S.C. 605(b), this amendment is exempt from the final regulatory flexibility analysis requirements of section 604.

BILLING CODE 8320–01–P

DEPARTMENT OF VETERANS AFFAIRS**38 CFR Part 36****RIN 2900–AO67****Loan Guaranty: Minimum Property and Construction Requirements**

AGENCY: Department of Veterans Affairs.
ACTION: Final rule.

SUMMARY: This final rule amends the Department of Veterans Affairs (VA) guaranteed loan regulations by clarifying VA’s statutory authority to establish minimum property requirements for properties securing VA-guaranteed loans. It does not make any substantive policy change or affect any substantive rights; rather, it merely cites more complete authority for the existing rule.

DATES: *Effective Date:* This rule is effective February 12, 2014.

FOR FURTHER INFORMATION CONTACT: John Bell III, Assistant Director for Loan Policy and Valuation (262), Veterans Benefits Administration, Department of Veterans Affairs, 810 Vermont Avenue NW., Washington, DC 20420, at (202) 632–8823.

SUPPLEMENTARY INFORMATION: Minimum property requirements are necessary to ensure that a property is adequate security for a VA-guaranteed loan. Both 38 United States Code (U.S.C.) 3704(a) and 3710(b)(4) prohibit guarantees on properties that do not meet minimum acceptability requirements, as determined by the Secretary.

The implementing regulation found at 38 Code of Federal Regulation (CFR) 36.4351 states that no loan for the purchase or construction of residential property shall be eligible for a VA guaranty unless the property complies with the Secretary’s minimum property requirements for planning, construction, and general acceptability. Although § 36.4351 refers to 38 U.S.C. 3704(a), a
