The period of review (“POR”) is September 1, 2011, through August 31, 2012. We gave interested parties an opportunity to comment on the *Preliminary Results*, but we received none. The final weighted-average dumping margin for the exporter covered by this administrative review, New King Shan (Zhu Hai) Wire Co., Ltd., is listed in the “Final Results of Review” section below.

DATES: *Effective Date:* January 17, 2014.

SUPPLEMENTARY INFORMATION:

Background

The Department has conducted this administrative review in accordance with section 751(a) of the Tariff Act of 1930, as amended (“the Act”).

¹ See *Certain Kitchen Appliance Shelving and Racks From the People’s Republic of China: Preliminary Results of Antidumping Duty Administrative Review; 2011–2012*, 78 FR 54450 (September 4, 2013) (“*Preliminary Results*”).

Scope of the Order

The scope of the order consists of shelving and racks for refrigerators, freezers, combined refrigerator-freezers, other refrigerating or freezing equipment, cooking stoves, ranges, and ovens (“certain kitchen appliance shelving and racks” or “the merchandise under order”). Certain kitchen appliance shelving and racks are defined as shelving, baskets, racks (with or without extension slides, which are carbon or stainless steel hardware devices that are connected to shelving, baskets, or racks to enable sliding), side racks (which are welded wire support structures for oven racks that attach to the interior walls of an oven cavity that does not include support ribs as a design feature), and subframes (which are welded wire support structures that interface with formed support ribs inside an oven cavity to support oven rack assemblies utilizing extension slides) with the following dimensions:

- shelving and racks with dimensions ranging from 3 inches by 5 inches by 0.10 inch to 28 inches by 34 inches by 6 inches; or
- baskets with dimensions ranging from 2 inches by 4 inches by 3 inches to 28 inches by 34 inches by 16 inches; or
- side racks from 6 inches by 8 inches by 0.1 inch to 16 inches by 30 inches by 4 inches; or
- subframes from 6 inches by 10 inches by 0.1 inch to 28 inches by 34 inches by 6 inches.

The merchandise under the order is comprised of carbon or stainless steel wire ranging in thickness from 0.050 inch to 0.500 inch and may include sheet metal of either carbon or stainless steel ranging in thickness from 0.020 inch to 0.2 inch. The merchandise under this order may be coated or uncoated and may be formed and/or welded. Excluded from the scope of this order is shelving in which the support surface is glass.

The merchandise subject to the order is currently classifiable in the Harmonized Tariff Schedule of the United States (“HTSUS”) statistical reporting numbers 8418.99.8050, 8418.99.8060, 7321.90.5000, 7321.90.6090, 8516.90.8000, 7321.90.6040, 8516.90.8010 and 8419.90.9520. Although the HTSUS subheadings are provided for convenience and customs purposes, the written description of the scope of the order is dispositive.

PRC-Wide Entity

Pursuant to 19 CFR 351.213(d)(1), the Department will rescind an

administrative review, in whole or in part, if a party that requested the review withdraws the request within 90 days of the date of publication of the initiation notice of the requested review. As noted in the *Preliminary Results*, Petitioners timely requested an administrative review for Jiangsu Weixi Group, Co. (“Weixi”), a company that previously has not received a separate rate in earlier segments of this proceeding. Petitioners were the only parties to request an administrative review of Weixi, and timely withdrew their request for review of Weixi.²

In the *Preliminary Results*, because the PRC-wide entity remained potentially under review for the final results of this administrative review, the Department did not rescind this review for Weixi, because it was part of the PRC-wide entity. The PRC-wide entity did not come under review for these final results. Therefore, for the final results the Department is rescinding this review with respect to Weixi, who remains part of the PRC-wide entity.

Final Results of the Review

The Department has made no changes to the *Preliminary Results*. As a result of our review, we determine that the following dumping margin exists for the period September 1, 2011, through August 31, 2012:

Exporter	Weighted-average dumping margin (%)
New King Shan (Zhu Hai) Co., Ltd. ³	0.00

Assessment

The Department will determine, and U.S. Customs and Border Protection (“CBP”) shall assess, antidumping duties on all appropriate entries covered by this review. The Department intends to issue assessment instructions to CBP 15 days after the publication date of these final results of this review. In accordance with 19 CFR 351.212(b)(1), we are calculating importer- (or customer-) specific assessment rates for the merchandise subject to this review. For any individually examined respondent whose weighted-average

³ In the *Preliminary Results*, the Department found New King Shan affiliated with certain entities and treated New King Shan and one affiliated entity to be a single entity. Because we have not made any changes to the *Preliminary Results*, we will assign this rate to New King Shan and its affiliated entity in this administrative review. See *Preliminary Results*, and accompanying Preliminary Decision Memorandum at pages 3–4.

dumping margin is above *de minimis* (*i.e.*, 0.50 percent), the Department will calculate importer-specific assessment rates on the basis of the ratio of the total amount of dumping calculated for the importer's examined sales and the total entered value of sales.⁴ We will instruct CBP to assess antidumping duties on all appropriate entries covered by this review when the importer-specific assessment rate is above *de minimis*. Where either the respondent's weighted-average dumping margin is zero or *de minimis*, or an importer-specific assessment rate is zero or *de minimis*, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties.

The Department announced a refinement to its assessment practice in NME cases.⁵ Pursuant to this refinement in practice, for entries that were not reported in the U.S. sales databases submitted by companies individually examined during this review, the Department will instruct CBP to liquidate such entries at the NME-wide rate. In addition, if the Department determines that an exporter under review had no shipments of the subject merchandise, any suspended entries that entered under that exporter's case number (*i.e.*, at that exporter's rate) will be liquidated at the NME-wide rate.

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this administrative review for shipments of the subject merchandise from the PRC entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided by section 751(a)(2)(C) of the Act: (1) For New King Shan (Zhu Hai) Co., Ltd., the cash deposit rate will be that established in the final results of this review; (2) for previously investigated or reviewed PRC and non-PRC exporters that received a separate rate in a prior segment of this proceeding, the cash deposit rate will continue to be the existing exporter-specific rate; (3) for all PRC exporters of subject merchandise that have not been found to be entitled to a separate rate, the cash deposit rate will be that for the PRC-wide entity; and (4) for all non-PRC exporters of subject merchandise which have not received their own rate, the cash deposit rate will be the rate

applicable to the PRC exporter that supplied that non-PRC exporter. These deposit requirements, when imposed, shall remain in effect until further notice.

Notifications

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in the Department's presumption that reimbursement of antidumping duties has occurred and the subsequent assessment of doubled antidumping duties.

This notice also serves as a reminder to parties subject to the administrative protective order ("APO") of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely notification of the destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

We are issuing and publishing these results and this notice in accordance with sections 751(a)(1) and 777(i) of the Act and 19 CFR 351.213(d)(4) and 19 CFR 351.213(h)(1).

Dated: January 13, 2014.

Christian Marsh,

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

Certain New Pneumatic Off-the-Road Tires From the People's Republic of China: Rescission of Countervailing Duty Administrative Review; 2012

AGENCY: Enforcement and Compliance, formerly Import Administration, International Trade Administration, Department of Commerce.

DATES: *Effective Date:* January 17, 2014.

FOR FURTHER INFORMATION CONTACT: David Lindgren, Enforcement and Compliance, AD/CVD Operations, Office VII, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution

Avenue NW., Washington, DC 20230; telephone: (202) 482-3870.

Background

On September 3, 2013, the Department of Commerce (Department) published a notice of opportunity to request an administrative review of the countervailing duty (CVD) order on certain new pneumatic off-the-road tires (OTR Tires) from the People's Republic of China (PRC) covering the period January 1, 2012 through December 31, 2013.¹ The Department received a timely request from Guizhou Tyre Co. Ltd. (GTC) for a CVD administrative review of itself.² No other interested party submitted a request for review. On November 8, 2013, the Department published a notice of initiation of an administrative review of the CVD order on OTR Tires from the PRC with respect to GTC.³ On December 30, 2013, GTC timely withdrew its request for a review.⁴

Rescission of Review

Pursuant to 19 CFR 351.213(d)(1), the Department will rescind an administrative review, in whole or in part, if a party that requested the review withdraws the request within 90 days of the date of publication of the notice of initiation of the requested review. GTC timely submitted a withdrawal request within the 90-day period (*i.e.*, before February 6, 2014). Because the review request filed by GTC was the only request filed, we are rescinding this administrative review of the CVD order on OTR Tires from the PRC, consistent with 19 CFR 351.213(d)(1).

Assessment

The Department will instruct U.S. Customs and Border Protection (CBP) to assess CVDs on all appropriate entries. GTC shall be assessed CVDs at rates equal to the cash deposit of estimated CVDs required at the time of entry, or
