

adequate basis for predicting each driver's ability to continue to drive safely in interstate commerce. Therefore, FMCSA concludes that extending the exemption for each renewal applicant for a period of two years is likely to achieve a level of safety equal to that existing without the exemption.

Request for Comments

FMCSA will review comments received at any time concerning a particular driver's safety record and determine if the continuation of the exemption is consistent with the requirements at 49 U.S.C. 31136(e) and 31315. However, FMCSA requests that interested parties with specific data concerning the safety records of these drivers submit comments by February 24, 2014.

FMCSA believes that the requirements for a renewal of an exemption under 49 U.S.C. 31136(e) and 31315 can be satisfied by initially granting the renewal and then requesting and evaluating, if needed, subsequent comments submitted by interested parties. As indicated above, the Agency previously published notices of final disposition announcing its decision to exempt these 7 individuals from the vision requirement in 49 CFR 391.41(b)(10). The final decision to grant an exemption to each of these individuals was made on the merits of each case and made only after careful consideration of the comments received to its notices of applications. The notices of applications stated in detail the qualifications, experience, and medical condition of each applicant for an exemption from the vision requirements. That information is available by consulting the above cited **Federal Register** publications.

Interested parties or organizations possessing information that would otherwise show that any, or all, of these drivers are not currently achieving the statutory level of safety should immediately notify FMCSA. The Agency will evaluate any adverse evidence submitted and, if safety is being compromised or if continuation of the exemption would not be consistent with the goals and objectives of 49 U.S.C. 31136(e) and 31315, FMCSA will take immediate steps to revoke the exemption of a driver.

FOR FURTHER INFORMATION CONTACT:

Requests for additional information should be directed to Deputy Director, SSBCI, Department of the Treasury, 655 15th Street NW., Washington, DC 20220.

SUPPLEMENTARY INFORMATION: SSBCI was created under the Small Business Jobs Act of 2010 (Pub. L. 111-240) (the "Act") to help establish and strengthen state programs that support lending to small businesses. Under SSBCI, all states, territories, the District of Columbia, and eligible municipalities (collectively, "Participating States") could apply for and receive an allocation of SSBCI funds to design and implement programs to expand access to capital to small businesses. Treasury published the *SSBCI Policy Guidelines* ("Policy Guidelines") and *SSBCI National Standards for Compliance and Oversight* ("National Standards"), which are applicable to all Participating States as they implement their SSBCI programs. The *Policy Guidelines* articulate program rules and the *National Standards* provide Participating States with a recommended framework for identifying, monitoring, and managing SSBCI compliance and oversight risks. Since the documents were initially published, Treasury has clarified certain program rules and is now issuing revised guidelines and standards to reflect the clarifications. Specifically, the revisions to the *Policy Guidelines* clarify: (1) The \$20 million restriction on credit extended by other credit support programs articulated in the Act; (2) SSBCI's private capital-at-risk requirements; (3) how to calculate private leverage when a community development financial institution re-lends SSBCI funds; (4) the private leverage example provided for venture capital programs; and (4) the restriction on enrolling an SBA-guaranteed loan in an SSBCI program. The revisions to the *National Standards* clarify (1) the restriction on enrolling an SBA-guaranteed loan in an SSBCI program and (2) lender and investor assurance and certification requirements. The *Policy Guidelines* and *National Standards* are available on Treasury's Web site at www.treasury.gov/ssbci.

Background

The Kingpin Act became law on December 3, 1999. The Kingpin Act establishes a program targeting the activities of significant foreign narcotics traffickers and their organizations on a worldwide basis. It provides a statutory framework for the imposition of sanctions against significant foreign narcotics traffickers and their organizations on a worldwide basis, with the objective of denying their businesses and agents access to the U.S. financial system and the benefits of

The Kingpin Act blocks all property and interests in property, subject to U.S. jurisdiction, owned or controlled by significant foreign narcotics traffickers as identified by the President. In addition, the Secretary of the Treasury, in consultation with the Attorney General, the Director of the Central Intelligence Agency, the Director of the Federal Bureau of Investigation, the Administrator of the Drug Enforcement Administration, the Secretary of Defense, the Secretary of State, and the Secretary of Homeland Security may designate and block the property and interests in property, subject to U.S. jurisdiction, of persons who are found to be: (1) Materially assisting in, or providing financial or technological support for or to, or providing goods or services in support of, the international narcotics trafficking activities of a person designated pursuant to the Kingpin Act; (2) owned, controlled, or directed by, or acting for or on behalf of, a person designated pursuant to the Kingpin Act; or (3) playing a significant role in international narcotics trafficking.
