Qualification of Drivers; Exemption Applications; Vision

AGENCY: Federal Motor Carrier Safety Administration (FMCSA), DOT.

ACTION: Notice of renewal of exemptions; request for comments.

SUMMARY: FMCSA announces its decision to renew the exemptions from the vision requirement in the Federal Motor Carrier Safety Regulations for 7 individuals. FMCSA has statutory authority to exempt individuals from the vision requirement if the exemptions granted will not compromise safety. The Agency has concluded that granting these exemption renewals will provide a level of safety that is equivalent to or greater than the level of safety maintained without the exemptions for these commercial motor vehicle (CMV) drivers.

DATES: This decision is effective February 9, 2014. Comments must be received on or before February 24, 2014.

SUPPLEMENTARY INFORMATION:**Background**

Under 49 U.S.C. 31136(e) and 31315, FMCSA may renew an exemption from the vision requirements in 49 CFR 391.41(b)(10), which applies to drivers of CMVs in interstate commerce, for a two-year period if it finds “such exemption would likely achieve a level of safety that is equivalent to or greater than the level that would be achieved absent such exemption.” The procedures for requesting an exemption (including renewals) are set out in 49 CFR part 381.

Exemption Decision

This notice addresses 7 individuals who have requested renewal of their exemptions in accordance with FMCSA procedures. FMCSA has evaluated these 7 applications for renewal on their merits and decided to extend each exemption for a renewable two-year period. They are:

James S. Ayers (GA)
Vernon J. Dohrn (MN)

Brian L. Keszler (CO)
Dennis L. Maxcy (NY)
Cameron S. McMillen (NM)
Rashawn L. Morris (VA)
Dean B. Ponte (MA)

The exemptions are extended subject to the following conditions: (1) That each individual has a physical examination every year (a) by an ophthalmologist or optometrist who attests that the vision in the better eye continues to meet the requirements in 49 CFR 391.41(b)(10), and (b) by a medical examiner who attests that the individual is otherwise physically qualified under 49 CFR 391.41; (2) that each individual provides a copy of the ophthalmologist's or optometrist's report to the medical examiner at the time of the annual medical examination; and (3) that each individual provide a copy of the annual medical certification to the employer for retention in the driver's qualification file and retains a copy of the certification on his/her person while driving for presentation to a duly authorized Federal, State, or local enforcement official. Each exemption will be valid for two years unless rescinded earlier by FMCSA. The exemption will be rescinded if: (1) The person fails to comply with the terms and conditions of the exemption; (2) the exemption has resulted in a lower level of safety than was maintained before it was granted; or (3) continuation of the exemption would not be consistent with the goals and objectives of 49 U.S.C. 31136(e) and 31315.

Basis for Renewing Exemptions

Under 49 U.S.C. 31315(b)(1), an exemption may be granted for no longer than two years from its approval date and may be renewed upon application for additional two year periods. In accordance with 49 U.S.C. 31136(e) and 31315, each of the 7 applicants has satisfied the entry conditions for obtaining an exemption from the vision requirements (66 FR 53826; 66 FR 66966; 68 FR 69434; 70 FR 57353; 70 FR 71884; 70 FR 72689; 71 FR 4632; 71 FR 6825; 73 FR 6246; 74 FR 60022; 75 FR 1450; 75 FR 4623; 76 FR 29022; 76 FR 44082; 77 FR 3554; 77 FR 543). Each of these 7 applicants has requested renewal of the exemption and has submitted evidence showing that the vision in the better eye continues to meet the requirement specified at 49 CFR 391.41(b)(10) and that the vision impairment is stable. In addition, a review of each record of safety while driving with the respective vision deficiencies over the past two years indicates each applicant continues to meet the vision exemption requirements. These factors provide an

adequate basis for predicting each driver's ability to continue to drive safely in interstate commerce. Therefore, FMCSA concludes that extending the exemption for each renewal applicant for a period of two years is likely to achieve a level of safety equal to that existing without the exemption.

Request for Comments

FMCSA will review comments received at any time concerning a particular driver's safety record and determine if the continuation of the exemption is consistent with the requirements at 49 U.S.C. 31136(e) and 31315. However, FMCSA requests that interested parties with specific data concerning the safety records of these drivers submit comments by February 24, 2014.

FMCSA believes that the requirements for a renewal of an exemption under 49 U.S.C. 31136(e) and 31315 can be satisfied by initially granting the renewal and then requesting and evaluating, if needed, subsequent comments submitted by interested parties. As indicated above, the Agency previously published notices of final disposition announcing its decision to exempt these 7 individuals from the vision requirement in 49 CFR 391.41(b)(10). The final decision to grant an exemption to each of these individuals was made on the merits of each case and made only after careful consideration of the comments received to its notices of applications. The notices of applications stated in detail the qualifications, experience, and medical condition of each applicant for an exemption from the vision requirements. That information is available by consulting the above cited **Federal Register** publications.

Interested parties or organizations possessing information that would otherwise show that any, or all, of these drivers are not currently achieving the statutory level of safety should immediately notify FMCSA. The Agency will evaluate any adverse evidence submitted and, if safety is being compromised or if continuation of the exemption would not be consistent with the goals and objectives of 49 U.S.C. 31136(e) and 31315, FMCSA will take immediate steps to revoke the exemption of a driver.

DEPARTMENT OF THE TREASURY

State Small Business Credit Initiative; Notice of Availability of Revised Policy Guidelines and National Standards

AGENCY: State Small Business Credit Initiative (SSBCI), Department of the Treasury.

ACTION: Notice of Document Availability.

SUMMARY: This Notice announces the availability of revised *SSBCI Policy Guidelines* and *SSBCI National*

Standards for Compliance and Oversight.

DATES: *Effective Date:* January 23, 2014.

ADDRESSES: Copies of the document are available at the SSBCI Web site at www.treasury.gov/ssbci.

FOR FURTHER INFORMATION CONTACT:

Requests for additional information should be directed to Deputy Director, SSBCI, Department of the Treasury, 655 15th Street NW., Washington, DC 20220.

SUPPLEMENTARY INFORMATION: SSBCI was created under the Small Business Jobs Act of 2010 (Pub. L. 111-240) (the "Act") to help establish and strengthen state programs that support lending to small businesses. Under SSBCI, all states, territories, the District of Columbia, and eligible municipalities (collectively, "Participating States") could apply for and receive an allocation of SSBCI funds to design and implement programs to expand access to capital to small businesses. Treasury published the *SSBCI Policy Guidelines* ("Policy Guidelines") and *SSBCI National Standards for Compliance and Oversight* ("National Standards"), which are applicable to all Participating States as they implement their SSBCI programs. The *Policy Guidelines* articulate program rules and the *National Standards* provide Participating States with a recommended framework for identifying, monitoring, and managing SSBCI compliance and oversight risks. Since the documents were initially published, Treasury has clarified certain program rules and is now issuing revised guidelines and standards to reflect the clarifications. Specifically, the revisions to the *Policy Guidelines* clarify: (1) The \$20 million restriction on credit extended by other credit support programs articulated in the Act; (2) SSBCI's private capital-at-risk requirements; (3) how to calculate private leverage when a community development financial institution re-lends SSBCI funds; (4) the private leverage example provided for venture capital programs; and (4) the restriction on enrolling an SBA-guaranteed loan in an SSBCI program. The revisions to the *National Standards* clarify (1) the restriction on enrolling an SBA-guaranteed loan in an SSBCI program and (2) lender and investor assurance and certification requirements. The *Policy Guidelines* and *National Standards* are available on Treasury's Web site at www.treasury.gov/ssbci.
