Submission for OMB Review; Comment Request

The Department of Commerce will submit to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. Chapter 35).

Agency: National Oceanic and Atmospheric Administration (NOAA).

Title: Statement of Financial Interests, Regional Fishery Management Councils.

OMB Control Number: 0648-0192.

Form Number(s): NA.

Type of Request: Regular submission (revision and extension of a current information collection).

Number of Respondents: 330.

Average Hours Per Response: 35 minutes.

Burden Hours: 193.

Needs and Uses: This request is for revision and extension of a current information collection.

The Magnuson-Stevens Fishery Conservation and Management Act (Magnuson Stevens Act) authorizes the establishment of Regional Fishery Management Councils to exercise sound judgment in the stewardship of fishery resources through the preparation, monitoring, and revision of such fishery management plans under circumstances (a) which will enable the States, the fishing industry, consumers, environmental organizations, and other interested persons to participate in the development of such plans, and (b) which take into account the social and economic needs of fishermen and dependent communities.

Section 302(j) of the Magnuson-Stevens Act requires that Council nominees and appointees disclose their financial interest in any Council fishery. These interests include harvesting, processing, lobbying, advocacy, or marketing activity that is being, or will be, undertaken within any fishery over which the Council concerned has jurisdiction, or with respect to an individual or organization with a financial interest in such activity.

The Secretary is required to submit an annual report to Congress on action taken to implement the disclosure of financial interest and recusal requirements, including identification of any conflict of interest problems with respect to the Councils and Secretary, Scientific and Statistical Committees (SSCs) and recommendations for addressing any such problems.

The Act further provides that a member shall not vote on a Council decision that would have a significant and predictable effect on a financial interest if there is a close causal link between the Council decision and an expected and substantially disproportionate benefit to the financial interest of the affected individual relative to the financial interest of other participants in the same gear type or sector of the fishery. However, an affected individual who is declared ineligible to vote on a Council action may participate in Council deliberations relating to the decision after notifying the Council of his/her recusal and identifying the financial interest that would be affected.

Revision: NMFS is in the process of revising the form by adding clearer instructions, providing examples of submissions, and updating the form to provide a more appropriate and intuitive format.

Affected Public: Individuals or households.

Frequency: Annually and when updates are required.

Respondent's Obligation: Mandatory.

Certain Frozen Warmwater Shrimp From Thailand; Amended Final Results of Antidumping Duty Administrative Review

AGENCY: Enforcement and Compliance, formerly Import Administration, International Trade Administration, Department of Commerce.

DATES: Effective Date: January 27, 2014.

SUPPLEMENTARY INFORMATION:

Amended Final Results

On July 10, 2012, the Department of Commerce (the Department) published the final results of its administrative review of the antidumping duty order on certain frozen warmwater shrimp from Thailand.¹ The period of review (POR) is February 1, 2010, through January 31, 2011.

¹ See *Certain Frozen Warmwater Shrimp From Thailand: Final Results of Antidumping Duty Administrative Review and Final No Shipment Determination*, 77 FR 40574 (July 10, 2012) (*Final Results*).

Following the publication of the *Final Results*, Marine Gold Products Limited (Marine Gold); Pakfood Public Company Ltd.; Thai Royal Frozen Food Company Limited; Thai Union Frozen Products Public Co., Ltd.; and Thai Union Seafood Company Ltd. (collectively, “Thai Respondents”) challenged the Department’s *Final Results* in the United States Court of International Trade (CIT). The Thai Respondents challenged the Department’s decision not to calculate an individual antidumping duty margin for Marine Gold as a voluntary respondent, and the Department’s decision not to offset positive antidumping duty margins with negative ones. On August 2, 2013, the CIT remanded the *Final Results* for further consideration of Marine Gold’s request for individual examination as a voluntary respondent, while noting that the Thai Respondents dropped their challenge to the Department’s decision not to offset positive antidumping duty margins with negative ones.²

On January 9, 2014, the United States and Marine Gold entered into an agreement to settle this dispute and requested a stipulated judgment. On January 9, 2014, the CIT issued an order of judgment by stipulation. Consistent with the January 9, 2014 settlement agreement and the judgment by stipulation, we will instruct U.S. Customs and Border Protection to liquidate all unliquidated entries of certain frozen warmwater shrimp from Thailand produced and/or exported by Marine Gold, and entered, or withdrawn from warehouse, for consumption in the United States during the POR at the importer-specific per-unit assessment rates determined by setting Marine Gold’s weighted-average dumping margin at 0.41 percent (*de minimis*). However, we are not establishing a revised cash deposit rate for Marine Gold because the antidumping duty order on certain frozen warmwater shrimp from Thailand was revoked with respect to merchandise produced and/or exported by Marine Gold on July 16, 2013, with an effective date of February 1, 2012.³

We are issuing this determination and publishing these amended final results and notice in accordance with section 516A(e) of the Act.

Dated: January 16, 2014.

Christian Marsh,

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

Based on our analysis of the comments received, we have made certain changes in the margin calculations. Therefore, the final results differ from the preliminary results. The final weighted-average dumping margins for the reviewed firms are listed below in the section entitled “Final Results of the Review.”
