DEPARTMENT OF TRANSPORTATION**Federal Highway Administration****Notice of Final Federal Agency Actions on Transportation Project in Nevada**

AGENCY: Federal Highway Administration (FHWA), DOT.

ACTION: Notice of Limitation on Claims for Judicial Review of Actions by FHWA and Other Federal Agencies.

SUMMARY: This notice announces actions taken by the FHWA and other Federal agencies that are final within the

meaning of 23 U.S.C. 139(l)(1). The actions relate to the Pyramid Way and McCarran Boulevard Intersection Improvement Project located in Sparks, Washoe County, Nevada. These actions grant licenses, permits, and approval of the project.

DATES: By this notice, FHWA is advising the public of final agency actions subject to 23 U.S.C. 139(l)(1). A claim seeking judicial review of the Federal agency actions on the listed highway project will be barred unless the claim is filed on or before June 30, 2014. If this date falls on a Saturday, Sunday, or legal holiday, parties are advised to file their claim no later than the business day preceding this date. If the Federal law that authorizes judicial review of a claim provides a time period of less than 150 days for filing such claim, then that shorter time period still applies.

FOR FURTHER INFORMATION CONTACT: For FHWA: Mr. Abdelmoez Abdalla, Environmental Program Manager, Federal Highway Administration, 705 North Plaza Street, Carson City, Nevada 89701-0602; telephone: (775) 687-1231; email: abdelmoez.abdalla@dot.gov. Federal Transit Administration

[Docket FTA–2014–0001]

Notice of Establishment of Emergency Relief Docket for Calendar Year 2014

AGENCY: Federal Transit Administration (FTA), DOT.

ACTION: Notice.

SUMMARY: The Federal Transit Administration (FTA) is establishing an Emergency Relief Docket for calendar year 2014 so that grantees and subgrantees affected by national or regional emergencies may request relief from FTA administrative and statutory requirements. By this notice, FTA is establishing an Emergency Relief Docket for calendar year 2014.

FOR FURTHER INFORMATION CONTACT:

Bonnie L. Graves, Acting Assistant Chief Counsel for Legislation and Regulations, Office of Chief Counsel, Federal Transit Administration, 1200 New Jersey Ave. SE., Room E56–306, Washington, DC, 20590, phone: (202) 366–4011, fax: (202) 366–3809, or email, Bonnie.Graves@dot.gov.

SUPPLEMENTARY INFORMATION: Pursuant to title 49 CFR part 601, subpart D, FTA is establishing the Emergency Relief Docket for calendar year 2014, and also opening the docket for Hurricane Sandy requests made in calendar year 2014. Grantees and subgrantees impacted by Hurricane Sandy and requesting relief from FTA administrative or statutory requirements should use the calendar year 2014 docket for any requests made after January 31, 2014. The docket may be opened at the request of a grantee or subgrantee, or on the Administrator's own initiative.

In the event a grantee or subgrantee believes the Emergency Relief Docket should be opened and it has not been opened, that grantee or subgrantee may submit a petition in duplicate to the Administrator, via U.S. mail, to: Federal Transit Administration, 1200 New Jersey Ave. SE., Washington, DC 20590; via telephone, at: (202) 366–4011; via fax, at (202) 366–3472, or via email, to bonnie.graves@dot.gov, requesting

opening of the Docket for that emergency and including the information set forth below.

Section 5324(d) of title 49, U.S.C. provides that a grant awarded under section 5324 or under 49 U.S.C. 5307 or 49 U.S.C. 5311 that is made to address an emergency shall be subject to the terms and conditions the Secretary determines are necessary. This language allows FTA to waive statutory, as well as administrative, requirements. Therefore, grantees affected by an emergency or major disaster may request waivers of provisions of chapter 53 of title 49, U.S.C. when the requirement(s) will limit a grantee's or subgrantee's ability to respond to an emergency. Grantees must follow the procedures set forth below when requesting a waiver of statutory or administrative requirements.

All petitions for relief from a provision of chapter 53 of title 49, U.S.C. or FTA administrative requirements must be posted in the docket in order to receive consideration by FTA. The docket is publicly available and can be accessed 24 hours a day, seven days a week, via the Internet at www.regulations.gov. Petitions may also be submitted by U.S. mail or by hand delivery to the DOT Docket Management Facility, 1200 New Jersey Ave. SE., Room W12–140, Washington, DC 20590. Any grantee or subgrantee submitting petitions for relief or comments to the docket must include the agency name (Federal Transit Administration) and docket number FTA–2014–0001. Grantees and subgrantees making submissions to the docket by mail or hand delivery should submit two copies. Grantees and subgrantees are strongly encouraged to contact their FTA regional office and notify FTA of the intent to submit a petition to the docket.

In the event a grantee or subgrantee needs to request immediate relief and does not have access to electronic means to request that relief, the grantee or subgrantee may contact any FTA regional office or FTA headquarters and request that FTA staff submit the petition on its behalf.

A petition for relief shall:

(a) Identify the grantee or subgrantee and its geographic location;

(b) Identify the section of chapter 53 of title 49, U.S.C., or the FTA policy statement, circular, guidance document and/or rule from which the grantee or subgrantee seeks relief;

(c) Specifically address how a requirement in chapter 53 of title 49 U.S.C., or an FTA requirement in a policy statement, circular, agency guidance or rule will limit a grantee's or
