

All written comments must be transmitted, postmarked, or hand-delivered as follows. You may provide your response electronically at the TMP Web site <http://parkplanning.nps.gov/smmnra-tmp>, or you may mail or fax your written comments to Superintendent David Szymanski, Santa Monica Mountains National Recreation Area, Attn: Trail Management Plan, 401 W. Hillcrest Drive, Thousand Oaks, CA 91360, Fax (805) 370-1850. Written comments may also be hand-delivered at the public scoping meetings or to the address noted above.

Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Also, comments in any format (written or electronic) submitted by an individual or organization on behalf of another individual or organization will not be accepted.

Decision Process: After analysis of all responses and information received during the scoping period, a Draft EIS/EIR will be prepared (at this time, release of the document is expected to occur in mid-2014). Availability of the Draft EIS/EIR for review and written comment will be officially announced in the **Federal Register**, through local and regional news media, the above-listed Web sites, and direct mailing. Comments on the draft TMP EIS/EIR will be duly considered in preparing the Final EIS/EIR. Thereafter, but not sooner than 30 days after the release of the Final EIS/EIR, a Record of Decision will be prepared for the EIS and the final steps for the EIR Notice of Determination will be followed in accordance with CEQA. As a delegated EIS, the official responsible for approving the Record of Decision is the Regional Director, Pacific West Region, National Park Service; subsequently the official responsible for NPS implementation of the approved Trail Management Plan will be the Superintendent, Santa Monica Mountains National Recreation Area.

Dated: November 13, 2013.

Christine S. Lehnertz,

Regional Director.

Notice of Proposed Information Collection; Request for Comments

AGENCY: Office of Surface Mining Reclamation and Enforcement, Interior.

ACTION: Notice and request for comments.

SUMMARY: In compliance with the Paperwork Reduction Act of 1995, the Office of Surface Mining Reclamation and Enforcement (OSM) is announcing its intention to request renewed approval for the collection of information for Rights of Entry.

DATES: Comments on the proposed information collection must be received by April 4, 2014, to be assured of consideration.

ADDRESSES: Mail comments to John Trelease, Office of Surface Mining Reclamation and Enforcement, 1951 Constitution Avenue NW, Room 203—SIB, Washington, DC 20240. Comments may also be submitted electronically to jtrelease@osmre.gov.

FOR FURTHER INFORMATION CONTACT: To receive a copy of the information collection request contact John Trelease at (202) 208-2783, or electronically at jtrelease@osmre.gov.

SUPPLEMENTARY INFORMATION: The Office of Management and Budget (OMB) regulations at 5 CFR 1320, which implement provisions of the Paperwork Reduction Act of 1995 (Pub. L. 104-13), require that interested members of the public and affected agencies have an opportunity to comment on information collection and recordkeeping activities [see 5 CFR 1320.8 (d)]. This notice identifies an information collection that OSM will be submitting to OMB for extension. This collection is contained in 30 CFR 877.

OSM has revised burden estimates, where appropriate, to reflect current reporting levels or adjustments based on reestimates of burden or respondents and costs. OSM will request a 3-year term of approval for this information collection activity.

Comments are invited on: (1) The need for the collection of information for the performance of the functions of the agency; (2) the accuracy of the agency's burden estimates; (3) ways to enhance the quality, utility and clarity of the information collection; and (4) ways to minimize the information

collection burden on respondents, such as use of automated means of collection of the information. A summary of the public comments will accompany OSM's submission of the information collection request to OMB.

Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

This notice provides the public with 60 days in which to comment on the following information collection activity:

Title: 30 CFR 877—Rights of Entry.
