SUPPLEMENTARY INFORMATION: As part of a biennial review of this System of Records, the CFPB revises its Privacy Act System of Records Notice (SORN) "CFPB.010—Ombudsman System." In

revising this SORN, the CFPB modifies the retention and disposal of records in the system to reflect the Ombudsman's official Records Schedule on file with the National Archives and Records Administration; the categories of records in the system; and the record source categories for the system. Additionally, the CFPB makes several non-substantive changes to the system location and address; the system manager and address; the authority section; the routine use section; and the notification procedure section.

Section 1013(a)(5) of the Dodd-Frank Wall Street Reform and Consumer Protection Act Public Law 111–203, Title X, established an Ombudsman's Office to liaise between the CFPB and “any affected person with respect to any problem that such party may have in dealing with the Bureau, resulting from the regulatory activities of the Bureau.” The Ombudsman's Office is an independent, impartial, and confidential resource that will advocate for a fair process to resolve issues between the CFPB and an individual or a financial product or service provider. Records in this system allow the Ombudsman's Office to track inquiries submitted to the Ombudsman while they are being addressed. The CFPB Ombudsman's Office will maintain the records covered by this notice.

The report of the revised system of records has been submitted to the Committee on Oversight and Government Reform of the House of Representatives, the Committee on Homeland Security and Governmental Affairs of the Senate, and the Office of Management and Budget, pursuant to Appendix I to OMB Circular A–130, “Federal Agency Responsibilities for Maintaining Records About Individuals,” dated November 30, 2000,¹ and the Privacy Act, 5 U.S.C. 552a(r).

The revised system of records entitled “CFPB.010—Ombudsman System” is published in its entirety below.

Dated: January 27, 2014.
