

member routing broker could have access to information regarding other members' orders or the routing of those orders. These protections include the Exchange's control over all routing logic as well as the confidentiality of routing information.¹¹

(B) Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. The proposal is pro-competitive because it enables broker-dealers other than NOS and NES to provide routing services to the Exchange, which has the potential to reduce the Exchange's costs of routing orders and, potentially, the fees the Exchange charges for routed orders. The proposal does not raise issues of intra-market competition, because the Exchange's decision to route through a particular routing broker would impact all participants equally.

(C) Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A)(ii) of the Act¹² and subparagraph (f)(6) of Rule 19b-4 thereunder.¹³

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is: (i) Necessary or appropriate in the public interest; (ii) for the protection of investors; or (iii) otherwise in furtherance of the purposes of the Act.

¹¹ See proposed Rules 4758(b)(1) and (8) and BX Options Rules, Chapter VI, Section 11(e).

¹² 15 U.S.C. 78s(b)(3)(a)(ii).

¹³ 17 CFR 240.19b-4(f)(6). In addition, Rule 19b-4(f)(6) requires a self-regulatory organization to give the Commission written notice of its intent to file the proposed rule change at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.

If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.
