## DEPARTMENT OF STATE

**[Public Notice 8621]**

### Defense Trade Advisory Group; Notice of Membership

**AGENCY:** Department of State.

**ACTION:** Notice.

**SUMMARY:** The U.S. Department of State's Bureau of Political-Military Affairs' Defense Trade Advisory Group

(DTAG) is accepting membership applications. The Bureau of Political-Military Affairs is interested in applications from subject matter experts from the United States defense industry, relevant trade and labor associations, academic, and foundation personnel.

The DTAG was established as an advisory committee under the authority of 22 U.S.C. 2651a and 2656 and the Federal Advisory Committee Act, 5 U.S.C. App. ("FACA"). The purpose of the DTAG is to provide the Bureau of Political-Military Affairs with a formal channel for regular consultation and coordination with U.S. private sector defense exporters and defense trade specialists on issues involving U.S. laws, policies, and regulations for munitions exports. The DTAG advises the Bureau on its support for and regulation of defense trade to help ensure that impediments to legitimate exports are reduced while the foreign policy and national security interests of the United States continue to be protected and advanced in accordance with the Arms Export Control Act (AECA), as amended. Major topics addressed by the DTAG include (a) policy issues on commercial defense trade and technology transfer; (b) regulatory and licensing procedures applicable to defense articles, services, and technical data; (c) technical issues involving the U.S. Munitions List (USML); and (d) questions relating to actions designed to carry out the AECA and International Traffic in Arms Regulations (ITAR).

Members are appointed by the Assistant Secretary of State for Political-Military Affairs on the basis of individual substantive and technical expertise and qualifications, and must be representatives of United States defense industry, relevant trade and labor associations, academic, and foundation personnel. In accordance with the DTAG Charter, all DTAG members must be U.S. citizens, and DTAG members will represent the views of their organizations. All DTAG members shall be aware of the Department of State's mandate that arms transfers must further U.S. national security and foreign policy interests. DTAG members also shall be versed in the complexity of commercial defense trade and industrial competitiveness, and all members must be able to advise the Bureau on these matters. While members are expected to use their expertise and provide candid advice, national security and foreign policy interests of the United States, as well as the interests of the entities they represent, shall be the bases for all policy and technical recommendations.
