DEPARTMENT OF LABOR**Occupational Safety and Health Administration****29 CFR Part 1926****[Docket ID-OSHA-2007-0066]****RIN 1218-AC86****Cranes and Derricks in Construction: Operator Certification****AGENCY:** Occupational Safety and Health Administration (OSHA), Labor.**ACTION:** Notice of Proposed Rulemaking.

SUMMARY: On August 9, 2010, OSHA issued a final standard establishing requirements for cranes and derricks used in construction work. The standard requires employers to ensure that crane operators are certified by November 10, 2014. Until that date, employers also have added duties under the standard to ensure that crane operators are trained and competent to operate the crane safely. The Agency is proposing to extend the deadline for operator certification by three years to November 10, 2017, and to extend the existing employer duties for the same period.

DATES: Submit comments to this proposed rule, including comments to the information-collection (paperwork) determination (described under the section titled "Agency Determinations"), hearing requests, and other information by March 12, 2014. All submissions must bear a postmark or provide other evidence of the submission date.

ADDRESSES: Submit comments, hearing requests, and other material, identified by Docket No. OSHA-2007-0066, using any of the following methods:

Electronically: Submit comments and attachments, as well as hearing requests and other information, electronically at <http://www.regulations.gov>, which is the Federal e-Rulemaking Portal. Follow the instructions online for submitting comments. Note that this docket may include several different **Federal Register** notices involving active rulemakings, so it is extremely important to select the correct notice or its ID number when submitting

comments for this rulemaking. After accessing the docket (OSHA-2007-0066), check the "proposed rule" box in the column headed "Document Type," find the document posted on the date of publication of this document, and click the "Submit a Comment" link.

Additional instructions for submitting comments are available from the [regulations.gov](http://www.regulations.gov) homepage.

Facsimile: OSHA allows facsimile transmission of comments that are 10 pages or fewer in length (including attachments). Fax these documents to the OSHA Docket Office at (202) 693-1648. OSHA does not require hard copies of these documents. Instead of transmitting facsimile copies of attachments that supplement these documents (e.g., studies, journal articles), commenters must submit these attachments to the OSHA Docket Office, Technical Data Center, Room N-2625, OSHA, U.S. Department of Labor, 200 Constitution Ave. NW., Washington, DC 20210. These attachments must clearly identify the sender's name, the date, subject, and the docket number (OSHA-2007-0066) so that the Docket Office can attach them to the appropriate document.

Regular mail, express delivery, hand delivery, and messenger (courier) service: Submit comments and any additional material to the OSHA Docket Office, RIN No. 1218-AC86, Technical Data Center, Room N-2625, OSHA, U.S. Department of Labor, 200 Constitution Ave. NW., Washington, DC 20210; telephone: (202) 693-2350. (OSHA's TTY number is (877) 889-5627). Contact the OSHA Docket Office for information about security procedures concerning delivery of materials by express delivery, hand delivery, and messenger service. The Docket Office will accept deliveries (express delivery, hand delivery, messenger service) during the Docket Office's normal business hours, 8:15 a.m. to 4:45 p.m., e.t.

Instructions: All submissions must include the Agency's name, the title of the rulemaking (Cranes and Derricks in Construction: Operator Certification), and the docket number (i.e., OSHA Docket No. OSHA-2007-0066). OSHA will place comments and other material, including any personal information, in the public docket without revision, and the comments and other material will be available online at <http://www.regulations.gov>. Therefore, OSHA cautions commenters about submitting statements they do not want made available to the public, or submitting comments that contain personal information (either about themselves or others) such as Social Security numbers, birth dates, and medical data.
