## FEDERAL COMMUNICATIONS COMMISSION

### 47 CFR Part 79

[MB Docket Nos. 12-108, 12-107; FCC 13-138]

#### Accessibility of User Interfaces, and Video Programming Guides and Menus

**AGENCY:** Federal Communications Commission.

**ACTION:** Correcting amendments.

**SUMMARY:** This document contains corrections to the final regulations, which were published in the **Federal Register** of Friday, December 20, 2013 (78 FR 77209). The final regulations divided portions of 47 CFR part 79 improperly. This document correctly divides part 79.

**DATES:** Effective February 10, 2014. Sections 79.107(c), 79.108(a)(5), 79.108(c) through (e), and 79.110, which were published December 20, 2013 (78 FR 77210), contain information collection requirements that are not effective until approved by the Office of Management and Budget. The Commission will publish a document in

the **Federal Register** announcing the effective date for those sections.

#### FOR FURTHER INFORMATION CONTACT:

Adam Copeland, *Adam.Copeland@fcc.gov*, or Maria Mullarkey, *Maria.Mullarkey@fcc.gov*, of the Policy Division, Media Bureau, (202) 418-2120.

#### SUPPLEMENTARY INFORMATION:

##### Background

The final regulations divided 47 CFR part 79 into two subparts, Subpart A, consisting of §§ 79.100 through 79.106, and Subpart B, consisting of §§ 79.107 through 79.110. The division improperly omitted pre-existing §§ 79.1 through 79.4. This correction properly divides 47 CFR part 79 into Subpart A, consisting of §§ 79.1 through 79.4, and Subpart B, consisting of §§ 79.100 through 79.110.

##### Need for Correction

As published, the final regulations improperly omitted existing sections of 47 CFR part 79 and divided part 79 improperly and need to be corrected to remedy these errors.

##### List of Subjects in 47 CFR Part 79

Cable television operators, Communications equipment, Multichannel video programming distributors (MVPDs), Satellite television service providers.

Accordingly, 47 CFR part 79 is corrected by making the following correcting amendments:

#### PART 79—ACCESSIBILITY OF VIDEO PROGRAMMING

■ 1. The authority citation for part 79 continues to read as follows:

**Authority:** 47 U.S.C. 151, 152(a), 154(i), 303, 307, 309, 310, 330, 544a, 613, 617.

■ 2. The heading for part 79 is revised to read as set forth above.

■ 3. Transfer §§ 79.1 through 79.4 to subpart A.

■ 4. Transfer §§ 79.100 through 79.106 from subpart A to subpart B.

Federal Communications Commission.

## DEPARTMENT OF COMMERCE

### National Oceanic and Atmospheric Administration

#### 50 CFR Part 679

[Docket No. 120918468-3111-02]

RIN 0648-XD120

#### Fisheries of the Exclusive Economic Zone Off Alaska; Big Skate in the Central Regulatory Area of the Gulf of Alaska

**AGENCY:** National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

**ACTION:** Temporary rule; closure.

**SUMMARY:** NMFS is prohibiting retention of big skate in the Central Regulatory Area of the Gulf of Alaska (GOA). This action is necessary because the 2014 total allowable catch of big skate in the Central Regulatory Area of the GOA will be reached.

**DATES:** Effective 1200 hrs, Alaska local time (A.l.t.), February 5, 2014, through 2400 hrs, A.l.t., December 31, 2014.

**FOR FURTHER INFORMATION CONTACT:** Josh Keaton, 907-586-7228.

**SUPPLEMENTARY INFORMATION:** NMFS manages the groundfish fishery in the GOA exclusive economic zone according to the Fishery Management Plan for Groundfish of the Gulf of Alaska (FMP) prepared by the North Pacific Fishery Management Council under authority of the Magnuson-Stevens Fishery Conservation and Management Act. Regulations governing fishing by U.S. vessels in accordance with the FMP appear at subpart H of 50 CFR part 600 and 50 CFR part 679.

The 2014 total allowable catch (TAC) of big skate in the Central Regulatory Area of the GOA is 1,793 metric tons (mt) as established by the final 2013 and 2014 harvest specifications for groundfish of the GOA (78 FR 13162, February 26, 2013).

In accordance with § 679.20(d)(2), the Administrator, Alaska Region, NMFS (Regional Administrator), has determined that the 2014 TAC of big skate in the Central Regulatory Area of the GOA will be reached. Therefore, NMFS is requiring that big skate caught in the Central Regulatory Area of the GOA be treated as prohibited species in accordance with § 679.21(b).

#### Classification

This action responds to the best available information recently obtained from the fishery. The Acting Assistant Administrator for Fisheries, NOAA

(AA), finds good cause to waive the requirement to provide prior notice and opportunity for public comment pursuant to the authority set forth at 5 U.S.C. 553(b)(B) as such requirement is impracticable and contrary to the public interest. This requirement is impracticable and contrary to the public interest as it would prevent NMFS from responding to the most recent fisheries data in a timely fashion and would delay prohibiting the retention of big

skate in the Central Regulatory Area of the GOA. NMFS was unable to publish a notice providing time for public comment because the most recent, relevant data only became available as of February 4, 2014.

The AA also finds good cause to waive the 30-day delay in the effective date of this action under 5 U.S.C. 553(d)(3). This finding is based upon the reasons provided above for waiver of prior notice and opportunity for public comment.

This action is required by § 679.20 and § 679.21 and is exempt from review under Executive Order 12866.

**Authority:** 16 U.S.C. 1801 *et seq.*

Dated: February 5, 2014.

**Sean F. Corson,**

*Acting Deputy Director, Office of Sustainable Fisheries, National Marine Fisheries Service.*
