Fellows must conduct original research in an area authorized by section 204 of the Rehabilitation Act of 1973, as amended. Section 204 authorizes research, demonstration projects, training, and related activities, the purposes of which are to develop methods, procedures, and rehabilitation technology that maximize the full inclusion and integration into society, employment, independent living, family support, and economic and social self-sufficiency, of individuals with disabilities, especially individuals with the most significant disabilities, and to improve the effectiveness of services authorized under the Act.

Note: An applicant should consult NIDRR's Long-Range Plan for Fiscal Years 2013-2017 (78 FR 20299, April 4, 2013) (the Plan) when preparing its application. The Plan is organized around the following outcome domains: (1) Community living and participation; (2) health and function; and (3) employment and can be accessed on the Internet at the following site: www.ed.gov/about/offices/list/opers/nidrr/policy.html.

Priority: The Research Fellowships Program permits two types of fellowships, Distinguished and Merit. At this time, NIDRR is choosing to fund Merit Fellowships. Under the Merit Fellowship competition, we are particularly interested in applications that address the following priority.

Invitational Priority: For FY 2014, this priority is an invitational priority. Under 34 CFR 75.105(c)(1) we do not give an application that meets this invitational priority a competitive or absolute preference over other applications.

This priority is:

The Secretary is particularly interested in applications from eligible applicants who are individuals with disabilities.

Program Authority: 29 U.S.C. 762(e).

Applicable Regulations: (a) The Education Department General Administrative Regulations (EDGAR) in 34 CFR 75.60 and 75.61, and parts 77, 81, 82, 84, and 97. (b) The Education Department suspension and debarment regulations in 2 CFR part 3485. (c) The regulations for this program in 34 CFR part 356. (d) The regulations in 34 CFR 350.51 and 350.52.

II. Award Information

Estimated Available Funds: The Administration has requested

\$110,000,000 for the NIDRR program for FY 2014, of which we intend to use an estimated \$375,000 for Merit Fellowships. The actual level of funding, if any, depends on final congressional action. However, we are inviting applications to allow enough time to complete the grant process if Congress appropriates funds for this program.

Contingent upon the availability of funds and the quality of applications, we may make additional awards in FY 2015 from the list of approved but unfunded applicants from this competition.

Estimated Range of Awards: \$74,500 to \$75,000 for Merit Fellowships. (This fellowship is described in the *Eligible Applicant* section of this notice.)

Estimated Average Size of Awards: \$74,500.

To be eligible for a Merit Fellowship, an individual must have either advanced professional training or experience in independent study in an area which is directly pertinent to disability and rehabilitation.

Note: Institutions are not eligible to be recipients of research fellowships.

2. *Cost Sharing or Matching:* This program does not require cost sharing or matching.

IV. Application and Submission Information

package via the Internet or from the Education Publications Center (ED Pubs). To obtain a copy via the Internet, use the following address: www.ed.gov/fund/grant/apply/grantapps/index.html. To obtain a copy from ED Pubs, write, fax, or call the following: ED Pubs, U.S. Department of Education, P.O. Box 22207, Alexandria, VA 22304. Telephone, toll free: 1-877-433-7827. FAX: (703) 605-6794. If you use a telecommunications device for the deaf (TDD) or a text telephone (TTY), call, toll free: 1-877-576-7734.

You can contact ED Pubs at its Web site, also: www.EDPubs.gov or at its email address: edpubs@inet.ed.gov.

If you request an application from ED Pubs, be sure to identify this competition as follows: CFDA number 84.133F.

Individuals with disabilities can obtain a copy of the application package in an accessible format (e.g., braille, large print, audiotape, or compact disc) by contacting the team listed under *Accessible Format* in section VIII of this notice.

2. *Content and Form of Application Submission:* Requirements concerning the content of an application, together with the forms you must submit, are in the application package for this competition.

Page Limit: The application narrative is where you, the applicant, address the selection criteria that reviewers use to evaluate your application. You must limit the application narrative to the equivalent of no more than 24 pages, using the following standards:

- A "page" is 8.5" x 11", on one side only, with 1" margins at the top, bottom, and both sides.
- Double space (no more than three lines per vertical inch) all text in the application narrative. You are not required to double space titles, headings, footnotes, references, captions, or text in charts, tables, figures, and graphs.

- Use a font that is either 12 point or larger or no smaller than 10 pitch (characters per inch).

- Use one of the following fonts: Times New Roman, Courier, Courier New, or Arial.

The page limit for the application narrative does not apply to the documents you upload to the Grants.gov Apply site under the other two headings: ED Project Abstract and Other Attachments. The ED Project Abstract Form should contain only your one-page abstract. The Other Attachments Form should contain all other attachments, including your bibliography, eligibility statement, resume/curriculum vitae, and letters of

recommendation/support. Information regarding the protection of human subjects, if applicable, should be included under the Other Attachments Form or in the place provided on the SF-424 Supplemental Form. You do not need to upload a table of contents for your application, as this will be automatically generated by Grants.gov.

We will reject your application if you exceed the page limit.

In concert with the balance principle described in NIDRR's Long-Range Plan, for Fiscal Years 2013-2017 (78 FR 20299, April 4, 2013), applicants for Merit Fellowships should specify in their abstract and application narrative which of NIDRR's major domains of individual well-being their research will focus on: (a) Community living and participation, (b) employment, or (c) health and function. Although applicants may propose projects that address more than one domain, they should select the applicable competition based on the primary domain addressed in their proposed project.

3. *Submission Dates and Times:*

Applications Available: February 13, 2014.

Date of Pre-Application Meeting:

Interested parties are invited to participate in a pre-application meeting and to receive information and technical assistance through individual consultation with NIDRR staff. The pre-application meeting will be held on March 6, 2014. Interested parties may participate in this meeting by conference call with NIDRR staff from the Office of Special Education and Rehabilitative Services between 1:00 p.m. and 3:00 p.m., Washington, DC time. NIDRR staff also will be available from 3:30 p.m. to 4:30 p.m., Washington, DC time, on the same day, by telephone, to provide information and technical assistance through individual consultation. For further information or to make arrangements to participate in the meeting via conference call or to arrange for an individual consultation, contact the person listed under **FOR FURTHER INFORMATION CONTACT** in section VII of this notice.

Deadline for Transmittal of Applications: April 14, 2014.

Applications for grants under this competition must be submitted electronically using the Grants.gov Apply site (Grants.gov). For information (including dates and times) about how to submit your application electronically, or in paper format by mail or hand delivery if you qualify for an exception to the electronic submission requirement, please refer to

section IV. 7. *Other Submission Requirements* of this notice.

We do not consider an application that does not comply with the deadline requirements.

Individuals with disabilities who need an accommodation or auxiliary aid in connection with the application process should contact the person listed under **FOR FURTHER INFORMATION CONTACT** in section VII of this notice. If the Department provides an accommodation or auxiliary aid to an individual with a disability in connection with the application process, the individual's application remains subject to all other requirements and limitations in this notice.

4. *Intergovernmental Review*: This competition is not subject to Executive Order 12372 and the regulations in 34 CFR part 79.

5. *Funding Restrictions*: Applicants are not required to submit a budget with their proposal.

The Merit Fellowship awards are one Full Time Equivalent (FTE) award. Fellows must work principally on the fellowship during the term of the fellowship award. We define "one FTE" as equal to 40 hours per week. No fellow is allowed to be a direct recipient of Federal government grant funds in addition to those provided by the Merit Fellowship grant (during the duration of the fellowship award performance period). Fellows may, subject to compliance with their institution's policy on additional employment, work on a Federal grant that has been awarded to the fellow's institution. Merit Fellows may be allowed to dedicate additional hours beyond their one FTE requirement for the fellowship to other work during their fellowship grant performance period, if this is in keeping with the guidelines offered by their home institutions. In other words, NIDRR defers to the guidelines of the fellows' home institutions regarding the admissibility of work in excess of the one FTE dedicated to the fellowship. NIDRR strongly recommends that any additional hours be limited to .25 FTE (or 10 hours per week), but requires that additional hours not exceed .5 FTE (or 20 hours per week).

To satisfy the requirement that fellows devote one FTE to the fellowship work, applicants must include in their Eligibility Statement a plan for how they will fulfill the obligation to work principally on the fellowship during the term of the fellowship award. We will reject your application if you fail to include such a plan in your Eligibility Statement.

We reference regulations outlining funding restrictions in the *Applicable Regulations* section of this notice.

6. *Requirements for Registering for Grants.gov and Submitting Your Application*:

All individuals applying for a research fellowship must register at www.Grants.gov prior to submitting their application. To register with Grants.gov you must know the Funding Opportunity Number (FON) of the grant opportunity you are applying for. You can obtain this number by searching Grants.gov using the CFDA number, 84.133. This search will lead you to available NIDRR solicitations and identify the FON for each. You will use the FON to register in Grants.gov. Once you register with Grants.gov, to facilitate the safe and secure transfer of your application to the Department, you will be asked to create a profile with your username and password, which will be used to identify you within the system, and create an electronic signature. Details on registering with Grants.gov as an individual are outlined in the following Grants.gov tutorial: www.grants.gov/assets/IndividualRegistrationOverview.html.

To register with Grants.gov, you do not have to provide a Data Universal Numbering System Number, a Taxpayer Identification Number, or your Social Security Number (SSN). You also do not have to complete a Central Contractor Registry or System for Award Management registration in order to access Grants.gov or submit your application.

However, your SSN is required to complete your application for a research fellowship.

7. *Other Submission Requirements*: Applications for grants under this competition must be submitted electronically unless you qualify for an exception to this requirement in accordance with the instructions in this section.

a. *Electronic Submission of Applications*.

Applications for grants under the Research Fellowships Program, CFDA Number 84.133F-1, must be submitted electronically using the Governmentwide Grants.gov Apply site at www.Grants.gov. Through this site, you will be able to download a copy of the application package, complete it offline, and then upload and submit your application. You may not email an electronic copy of a grant application to us.

We will reject your application if you submit it in paper format unless, as described elsewhere in this section, you qualify for one of the exceptions to the

electronic submission requirement and submit, no later than two weeks before the application deadline date, a written statement to the Department that you qualify for one of these exceptions. Further information regarding calculation of the date that is two weeks before the application deadline date is provided later in this section under *Exception to Electronic Submission Requirement*.

You may access the electronic grant application for the Research Fellowships Program at www.Grants.gov. You must search for the downloadable application package for this competition by the CFDA number. Do not include the CFDA number's alpha suffix in your search (e.g., search for 84.133, not 84.133F).

Please note the following:

- When you enter the Grants.gov site, you will find information about submitting an application electronically through the site, as well as the hours of operation.
- Applications received by Grants.gov are date and time stamped. Your application must be fully uploaded and submitted and must be date and time stamped by the Grants.gov system no later than 4:30:00 p.m., Washington, DC time, on the application deadline date. Except as otherwise noted in this section, we will not accept your application if it is received—that is, date and time stamped by the Grants.gov system—after 4:30:00 p.m., Washington, DC time, on the application deadline date. We do not consider an application that does not comply with the deadline requirements. When we retrieve your application from Grants.gov, we will notify you if we are rejecting your application because it was date and time stamped by the Grants.gov system after 4:30:00 p.m., Washington, DC time, on the application deadline date.

- The amount of time it can take to upload an application will vary depending on a variety of factors, including the size of the application and the speed of your Internet connection. Therefore, we strongly recommend that you do not wait until the application deadline date to begin the submission process through Grants.gov.

- To ensure that you submit your application in a timely manner to the Grants.gov system, you should review and follow the Education Submission Procedures for submitting an application through Grants.gov that are included in the application package for this program. You can also find the Education Submission Procedures pertaining to Grants.gov under News and Events on the Department's G5 system home page at www.G5.gov. In

addition, for specific guidance and procedures for submitting an application through Grants.gov, please refer to the Grants.gov Web site at: www.grants.gov/web/grants/applicants/apply-for-grants.html.

- You will not receive additional point value because you submit your application in electronic format, nor will we penalize you if you qualify for an exception to the electronic submission requirement, as described elsewhere in this section, and submit your application in paper format.

- You must submit all documents electronically, including all information you typically provide on the following forms: The Application for Federal Assistance (SF 424), the Department of Education Supplemental Information for SF 424, and all necessary assurances and certifications.

- You must upload any narrative sections and all other attachments to your application as files in a PDF (Portable Document) read-only, non-modifiable format. Do not upload an interactive or fillable PDF file. If you upload a file type other than a read-only, non-modifiable PDF or submit a password-protected file, we will not review that material. Additional, detailed information on how to attach files is in the application instructions.

- Your electronic application must comply with any page-limit requirements described in this notice.

- After you electronically submit your application, you will receive from Grants.gov an automatic notification of receipt that contains a Grants.gov tracking number. This notification indicates receipt by Grants.gov only, not receipt by the Department. Grants.gov will also notify you automatically by email if your application met all the Grants.gov validation requirements or if there were any errors. You will be given an opportunity to correct any errors and resubmit, but you must still meet the deadline for submission of applications.

Once your application is successfully validated by Grants.gov, the Department will retrieve your application and send you an email with a unique PR/Award number for your application.

These emails do not mean that your application is without any disqualifying errors. It is your responsibility to ensure that your submitted application has met all of the of the Department's requirements, including submitting only PDF documents, as prescribed in this notice and in the application instructions.

- We may request that you provide us original signatures on forms at a later date.

Application Deadline Date Extension in Case of Technical Issues With the Grants.gov System: If you are experiencing problems submitting your application through Grants.gov, please contact the Grants.gov Support Desk, toll free, at 1-800-518-4726. You must obtain a Grants.gov Support Desk Case Number and must keep a record of it.

If you are prevented from electronically submitting your application on the application deadline date because of technical problems with the Grants.gov system, we will grant you an extension until 4:30:00 p.m., Washington, DC time, the following business day to enable you to transmit your application electronically or by hand delivery. You also may mail your application by following the mailing instructions described elsewhere in this notice.

If you submit an application after 4:30:00 p.m., Washington, DC time, on the application deadline date, please contact the person listed under **FOR FURTHER INFORMATION CONTACT** in section VII of this notice and provide an explanation of the technical problem you experienced with Grants.gov, along with the Grants.gov Support Desk Case Number. We will accept your application if we can confirm that a technical problem occurred with the Grants.gov system and that that problem affected your ability to submit your application by 4:30:00 p.m., Washington, DC time, on the application deadline date. The Department will contact you after a determination is made on whether your application will be accepted.

Note: The extensions to which we refer in this section apply only to the unavailability of, or technical problems with, the Grants.gov system. We will not grant you an extension if you failed to fully register to submit your application to Grants.gov before the application deadline date and time or if the technical problem you experienced is unrelated to the Grants.gov system.

Exception to Electronic Submission Requirement: You qualify for an exception to the electronic submission requirement, and may submit your application in paper format, if you are unable to submit an application through the Grants.gov system because—

- You do not have access to the Internet; or
- You do not have the capacity to upload large documents to the Grants.gov system;

- No later than two weeks before the application deadline date (14 calendar days or, if the fourteenth calendar day before the application deadline date falls on a Federal holiday, the next

business day following the Federal holiday), you mail or fax a written statement to the Department, explaining which of the two grounds for an exception prevents you from using the Internet to submit your application.

If you mail your written statement to the Department, it must be postmarked no later than two weeks before the application deadline date. If you fax your written statement to the Department, we must receive the faxed statement no later than two weeks before the application deadline date.

Address and mail or fax your statement to: Patricia Barrett, U.S. Department of Education, 400 Maryland Avenue SW., Room 5142, Potomac Center Plaza (PCP), Washington, DC 20202-2700. FAX: (202) 245-7323.

Your paper application must be submitted in accordance with the mail or hand delivery instructions described in this notice.

If you mail your application through the U.S. Postal Service, we do not accept either of the following as proof of mailing:

- (1) A private metered postmark.
- (2) A mail receipt that is not dated by the U.S. Postal Service.

If your application is postmarked after the application deadline date, we will not consider your application.

Note: The U.S. Postal Service does not uniformly provide a dated postmark. Before relying on this method, you should check with your local post office.

c. Submission of Paper Applications by Hand Delivery.

If you qualify for an exception to the electronic submission requirement, you (or a courier service) may deliver your paper application to the Department by hand. You must deliver the original and two copies of your application by hand, on or before the application deadline date, to the Department at the following address: U.S. Department of Education, Application Control Center, Attention: (CFDA Number 84.133F-1), 550 12th Street SW., Room 7041, Potomac Center Plaza, Washington, DC 20202-4260. V. Application Review Information

1. *Selection Criteria:* The selection criteria for this competition are from 34 CFR 356.30 through 356.32 and are listed in the application package.

2. *Review and Selection Process:* We remind potential applicants that in reviewing applications in any discretionary grant competition, the Secretary may consider, under 34 CFR 75.217(d)(3), the past performance of the applicant in carrying out a previous award, such as the applicant's use of funds, achievement of project objectives, and compliance with grant conditions. The Secretary may also consider whether the applicant failed to submit a timely performance report or submitted a report of unacceptable quality.

In addition, in making a competitive grant award, the Secretary also requires various assurances including those applicable to Federal civil rights laws that prohibit discrimination in programs or activities receiving Federal financial assistance from the Department of Education (34 CFR 100.4, 104.5, 106.4, 108.8, and 110.23).

3. *Special Conditions:* Under 34 CFR 74.14 and 80.12, the Secretary may

impose special conditions on a grant if the applicant or grantee is not financially stable; has a history of unsatisfactory performance; has a financial or other management system that does not meet the standards in 34 CFR parts 74 or 80, as applicable; has not fulfilled the conditions of a prior grant; or is otherwise not responsible.

VI. Award Administration Information

1. *Award Notices:* If your application is successful, we notify your U.S. Representative and U.S. Senators and send you a Grant Award Notification (GAN); or we may send you an email containing a link to access an electronic version of your GAN. We may notify you informally, also.

If your application is not evaluated or not selected for funding, we notify you.

2. *Administrative and National Policy Requirements:* We identify administrative and national policy requirements in the application package and reference these and other requirements in the *Applicable Regulations* section of this notice.

We reference the regulations outlining the terms and conditions of an award in the *Applicable Regulations* section of this notice and include these and other specific conditions in the GAN. The GAN also incorporates your approved application as part of your binding commitments under the grant.

3. *Reporting:* (a) If you apply for a grant under this competition, you must ensure that you have in place the necessary processes and systems to comply with the reporting requirements in 2 CFR part 170 should you receive funding under the competition. This does not apply if you have an exception under 2 CFR 170.110(b).

(b) At the end of your project period, you must submit a final performance report, including financial information, as directed by the Secretary. If you receive a multi-year award, you must submit an annual performance report that provides the most current performance and financial expenditure information as directed by the Secretary under 34 CFR 75.118. The Secretary may also require more frequent performance reports under 34 CFR 75.720(c). For specific requirements on reporting, please go to www.ed.gov/fund/grant/apply/appforms/appforms.html.

4. *Performance Measures:* To evaluate the overall success of its research program, NIDRR assesses the quality of its funded projects through a review of grantee performance and products. Each year, NIDRR examines a portion of its grantees to determine the extent to which grantees are conducting high-

quality research and related activities that lead to high-quality products. Performance measures for the Research Fellowships Program include—

- The number of NIDRR-supported fellows, post-doctoral trainees, and doctoral students who publish results of NIDRR-sponsored research in refereed journals;
- The percentage of grantee research and development that has appropriate study design, meets rigorous standards of scientific and/or engineering methods, and builds on and contributes to knowledge in the field; and
- The average number of publications per award based on NIDRR-funded research and development activities in refereed journals.

NIDRR evaluates the overall success of individual research and development grants through a review of grantee performance and products. For these reviews, NIDRR uses information submitted by grantees as part of their final performance report. Approved final performance report guidelines require grantees to submit information regarding research methods, results, outputs, and outcomes. Because grants made under the Research Fellowships Program are limited to a maximum of 12 months, they are not eligible for continuation awards.
