BILLING CODE 9110-04-P

DEPARTMENT OF HOMELAND SECURITY

Coast Guard

33 CFR Part 117

[Docket No. USCG-2014-0071]

Drawbridge Operation Regulation; Bishop Cut, Near Stockton, CA

AGENCY: Coast Guard, DHS.

ACTION: Notice of deviation from drawbridge regulation.

SUMMARY: The Coast Guard has issued a temporary deviation from the operating schedule that governs the San Joaquin County highway bridge across Bishop Cut, mile 1.0 near Stockton, CA. The deviation is necessary to allow PG&E Company to temporarily interrupt electric service to the area while installing new overhead equipment. This deviation allows the bridge to remain in the closed-to-navigation position during the deviation period.

DATES: This deviation is effective from 8 a.m. to 4 p.m. on March 14, 2014.

ADDRESSES: The docket for this deviation, [USCG-2014-0071], is available at <http://www.regulations.gov>. Type the docket number in the "SEARCH" box and click "SEARCH." Click on Open Docket Folder on the line associated with this deviation. You may also visit the Docket Management Facility in Room W12-140 on the ground floor of the Department of Transportation West Building, 1200 New Jersey Avenue SE., Washington, DC 20590, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays.

FOR FURTHER INFORMATION CONTACT: If you have questions on this temporary deviation, call or email David H. Sulouff, Chief, Bridge Section, Eleventh Coast Guard District; telephone 510-437-3516, email David.H.Sulouff@uscg.mil. If you have questions on viewing the docket, call Cheryl Collins, Program Manager, Docket Operations, telephone 202-366-9826.

SUPPLEMENTARY INFORMATION: The County of San Joaquin Public Works Department has requested a temporary change to the operation of the San Joaquin County highway bridge, mile

1.0, over Bishop Cut, near Stockton, CA. The drawbridge navigation span provides approximately 6 feet vertical clearance above Mean High Water in the closed-to-navigation position. In accordance with 33 CFR 117.143, the draw opens on signal if at least 12 hours notice is given to the San Joaquin County Department of Public Works at Stockton. Navigation on the waterway is commercial and recreational.

The drawspan will be secured in the closed-to-navigation position from 8 a.m. to 4 p.m. on March 14, 2014 to allow PG&E Company to install new overhead equipment in the vicinity. This temporary deviation has been coordinated with the waterway users. No objections to the proposed temporary deviation were raised.

Vessels able to pass through the bridge in the closed position may do so at any time. The bridge will not be able to open for emergencies, and Disappointment Slough can be used as an alternate route for vessels unable to pass through the bridge in the closed position. The Coast Guard will also inform the users of the waterways through our Local and Broadcast Notices to Mariners of the change in operating schedule for the bridge so that vessels can arrange their transits to minimize any impact caused by the temporary deviation.

In accordance with 33 CFR 117.35(e), the drawbridge must return to its regular operating schedule immediately at the end of the effective period of this temporary deviation. This deviation from the operating regulations is authorized under 33 CFR 117.35.

Dated: February 21, 2014.

D.H. Sulouff,

District Bridge Chief, Eleventh Coast Guard District.

[Docket No. USCG-2013-1033]

RIN 1625-AA00

Safety Zones; Annual Events Requiring Safety Zones in the Captain of the Port Lake Michigan Zone

AGENCY: Coast Guard, DHS.

ACTION: Final rule.

SUMMARY: The Coast Guard will amend its safety zones regulations for annual

events in the Captain of the Port Lake Michigan zone. This amendment updates the locations/and or enforcement times for 23 permanent safety zones; adds 10 new permanent safety zones; and for all permanent safety zones, provides notice that enforcement times are subject to change. We believe these amendments and additions are necessary to protect spectators, participants, and vessels from the hazards associated with annual maritime events, including fireworks displays, boat races, and air shows.

DATES: This final rule is effective April 3, 2014.

ADDRESSES: Documents mentioned in this preamble are part of docket USCG-2013-1033. To view documents mentioned in this preamble as being available in the docket, go to <http://www.regulations.gov>, type the docket number in the "SEARCH" box and click "SEARCH." Click on Open Docket Folder on the line associated with this rulemaking. You may also visit the Docket Management Facility in Room W12-140 on the ground floor of the Department of Transportation West Building, 1200 New Jersey Avenue SE., Washington, DC 20590, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays.

FOR FURTHER INFORMATION CONTACT: If you have questions on this rule, contact MST1 Joseph McCollum, Prevention Department, Coast Guard Sector Lake Michigan, Milwaukee, WI at (414) 747-7148 or by email at Joseph.P.McCollum@USCG.mil. If you have questions on viewing or submitting material to the docket, call Cheryl Collins, Program Manager, Docket Operations, telephone 1-800-647-5527.

SUPPLEMENTARY INFORMATION:

Table of Acronyms

DHS Department of Homeland Security
FR Federal Register
NPRM Notice of Proposed Rulemaking
TFR Temporary Final Rule

A. Regulatory History and Information

On January 15, 2014, the Coast Guard published an NPRM entitled Safety Zones; Annual Events Requiring Safety Zones in the Captain of the Port Lake Michigan Zone in the **Federal Register** (79 FR 2597). We did not receive any comments in response to the proposed rule. No public meeting was requested and none was held.

B. Basis and Purpose

The legal basis for this rule is the Coast Guard's authority to establish regulated navigation areas and limited access areas: 33 U.S.C. 1231; 46 U.S.C.

Chapter 701, 3306, 3703; 50 U.S.C. 191, 195; 33 CFR 1.05–1, 6.04–1, 6.04–6, 160.5; Public Law 107–295, 116 Stat. 2064; Department of Homeland Security Delegation No. 0170.1.

This rule updates 23 permanent safety zones in 33 CFR 165.929. These 23 amendments involve updating the location, size, and/or enforcement times for 21 fireworks displays in various locations, 1 regatta in Spring Lake, Michigan, and 1 Air and Water Show in Gary, Indiana. The Coast Guard updates the safety zones in § 165.929 to ensure that vessels and persons are protected from the specific hazards of the differing events, including firework displays, boat races, and air shows. These specific hazards include: obstructions to the waterway that may cause marine casualties; the explosive danger of fireworks; and flaming debris falling into the water that may cause death or serious bodily harm.

Additionally, this rule adds 10 new safety zones to § 165.929 for annually-recurring events in the Lake Michigan Zone. These 10 zones were added in order to protect the public from the safety hazards previously described. The 10 additions include 9 safety zones for fireworks displays, and 1 safety zone for the launch of vessels on the Menominee River by Marinette Marine Corporation in Marinette, Wisconsin.

In this rule, the Coast Guard also reorganized the safety zones in § 165.929 into a compressed chart which is sorted by month. This change of format was made in an effort to improve clarity and readability.

This rule will permit the enforcement dates and times for each of the safety zones listed in Table 165.929 to be subject to change, but the duration of enforcement would remain the same or nearly the same total number of hours as stated in the table. The Coast Guard will issue a Notice of Enforcement for safety zones in § 165.929 reflecting any changes to enforcement dates or times. This will facilitate minor changes in the date and time of an event by publishing a Notice of Enforcement in the **Federal Register**, along with issuing a Broadcast Notice to Mariners. In this way the Coast Guard can quickly inform the public of any changes to the enforcement dates or time for any of the zones listed within this rule.

C. Discussion of Comments, Changes and the Final Rule

As noted, we received no comments in response to the proposed rule, and we did not make any substantive changes from the proposed rule (79 FR 2597, January 15, 2014). We did convert a Table 165.929 reference to Datum

NAD 1983 from a table header to a table footnote.

The safety zones in this rule are necessary to ensure the safety of vessels and people during annual marine or triggering events in the Captain of the Port Lake Michigan area of responsibility. Although this rule will be effective year-round, the safety zones in this rule will be enforced only immediately before, during, and after events that pose a hazard to the public, and only upon notice by the Captain of the Port Lake Michigan—either by relying on constructive notice of the dates and times specified for an event in § 165.929 or by issuing a notice of enforcement if the safety zone for an event that year will be enforced on a date or dates other than those stated in § 165.929.

The Captain of the Port Lake Michigan will notify the public that the zones in this rule are or will be enforced by all appropriate means to the affected segments of the public, including publication in the **Federal Register**, as practicable, in accordance with 33 CFR 165.7(a). Such means of notification may also include, but are not limited to, Broadcast Notice to Mariners or Local Notice to Mariners.

Entry into, transiting, or anchoring within the safety zones is prohibited unless authorized by the Captain of the Port, or his or her designated representative. The Captain of the Port or his or her designated representative may be contacted via VHF Channel 16.

D. Regulatory Analyses

We developed this rule after considering numerous statutes and executive orders related to rulemaking. Below we summarize our analyses based on these statutes or executive orders.

1. Regulatory Planning and Review

This rule is not a significant regulatory action under section 3(f) of Executive Order 12866, Regulatory Planning and Review, and does not require an assessment of potential costs and benefits under section 6(a)(3) of that Order. The Office of Management and Budget has not reviewed it under that Order. It is not “significant” under the regulatory policies and procedures of the Department of Homeland Security (DHS). We conclude that this rule is not a significant regulatory action because we anticipate that it will have minimal impact on the economy, will not interfere with other agencies, will not adversely alter the budget of any grant or loan recipients, and will not raise any novel legal or policy issues. The safety zones created by this rule will be

relatively small. Also, the safety zones are designed to minimize impact on navigable waters. Furthermore, the safety zones have been designed to allow vessels to transit unrestricted portions of the waterways not affected by the safety zones. Thus, restrictions on vessel movements within the affected area are expected to be minimal. Under certain conditions, moreover, vessels may still transit through the safety zones when permitted by the Captain of the Port, Lake Michigan. On the whole, the Coast Guard expects insignificant adverse impact to mariners from the activation of these safety zones.

2. Impact on Small Entities

The Regulatory Flexibility Act of 1980 (5 U.S.C. 601–612), as amended, requires federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard certifies under 5 U.S.C. 605(b) that this rule would not have a significant economic impact on a substantial number of small entities.

This rule will affect the following entities, some of which might be small entities: the owners and operators of vessels intending to transit or anchor in the areas designated as safety zones during the dates and times the safety zones are being enforced.

These safety zones will not have a significant economic impact on a substantial number of small entities for the reasons cited in the *Regulatory Planning and Review* section. Additionally, before the enforcement of these zones, we would issue a local Broadcast Notice to Mariners so vessel owners and operators can plan accordingly.

If you think that your business, organization, or governmental jurisdiction qualifies as a small entity and that this rule would have a significant economic impact on it, please submit a comment (see **ADDRESSES**) explaining why you think it qualifies and how and to what degree this rule would economically affect it.

3. Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we want to assist small entities in understanding this rule so that they can better evaluate its effects on them and participate in the rulemaking process. If

this rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact the person listed in **FOR FURTHER INFORMATION CONTACT** section, above. The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

4. Collection of Information

This rule calls for no new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

5. Federalism

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on State or local governments and would either preempt State law or impose a substantial direct cost of compliance on them. We have analyzed this rule under that Order and have determined that it does not have implications for federalism.

6. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places or vessels.

7. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule would not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

8. Taking of Private Property

This rule would not affect a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

9. Civil Justice Reform

This rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to

minimize litigation, eliminate ambiguity, and reduce burden.

10. Protection of Children

We have analyzed this rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and would not create an environmental risk to health or risk to safety that might disproportionately affect children.

11. Indian Tribal Governments

This rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

12. Energy Effects

This action is not a “significant energy action” under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use.

13. Technical Standards

This rule does not use technical standards. Therefore, we did not consider the use of voluntary consensus standards.

14. Environment

We have analyzed this rule under Department of Homeland Security Management Directive 023–01 and Commandant Instruction M16475.ID, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA) (42 U.S.C. 4321–4370f), and have determined that this action is one of a category of actions which do not individually or cumulatively have a significant effect on the human environment. This rule involves the establishment of safety zones and thus, is categorically excluded under paragraph (34)(g) of the Instruction. An environmental analysis checklist supporting this determination is available in the docket where indicated under **ADDRESSES**. We seek any comments or information that may lead to the discovery of a significant environmental impact from this rule.

List of Subjects in 33 CFR Part 165

Harbors, Marine Safety, Navigation (water), Reporting and record keeping requirements, Security measures, Waterways.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 165 as follows:

PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

■ 1. The authority citation for Part 165 continues to read as follows:

Authority: 33 U.S.C. 1231; 46 U.S.C. Chapter 701, 3306, 3703; 50 U.S.C. 191, 195; 33 CFR 1.05–1, 6.04–1, 6.04–6, and 160.5; Pub. L. 107–295, 116 Stat. 2064; Department of Homeland Security Delegation No. 0170.1.

■ 2. Revise § 165.929 to read as follows:

§ 165.929 Safety Zones; Annual events requiring safety zones in the Captain of the Port Lake Michigan zone.

(a) *Regulations.* The following regulations apply to the safety zones listed in Table 165.929 of this section.

(1) The general regulations in 33 CFR 165.23.

(2) All vessels must obtain permission from the Captain of the Port Lake Michigan or his or her designated representative to enter, move within, or exit a safety zone established in this section when the safety zone is enforced. Vessels and persons granted permission to enter one of the safety zones listed in this section must obey all lawful orders or directions of the Captain of the Port Lake Michigan or his or her designated representative. Upon being hailed by the U.S. Coast Guard by siren, radio, flashing light or other means, the operator of a vessel must proceed as directed.

(3) The enforcement dates and times for each of the safety zones listed in Table 165.929 are subject to change, but the duration of enforcement would remain the same or nearly the same total number of hours as stated in the table. In the event of a change, the Captain of the Port Lake Michigan will provide notice to the public by publishing a Notice of Enforcement in the **Federal Register**, as well as, issuing a Broadcast Notice to Mariners.

(b) *Definitions.* The following definitions apply to this section:

(1) *Designated representative* means any Coast Guard commissioned, warrant, or petty officer designated by the Captain of the Port Lake Michigan to monitor a safety zone, permit entry into a zone, give legally enforceable orders to persons or vessels within a safety zone, and take other actions authorized by the Captain of the Port Lake Michigan.

(2) *Public vessel* means a vessel that is owned, chartered, or operated by the United States, or by a State or political subdivision thereof.

(3) *Rain date* refers to an alternate date and/or time in which the safety

zone would be enforced in the event of inclement weather.

(c) *Suspension of enforcement.* The Captain of the Port Lake Michigan may suspend enforcement of any of these zones earlier than listed in this section. Should the Captain of the Port suspend any of these zones earlier than the listed duration in this section, he or she may

make the public aware of this suspension by Broadcast Notice to Mariners and/or on-scene notice by his or her designated representative.

(d) *Exemption.* Public vessels, as defined in paragraph (b) of this section, are exempt from the requirements in this section.

(e) *Waiver.* For any vessel, the Captain of the Port Lake Michigan or his or her designated representative may waive any of the requirements of this section, upon finding that operational conditions or other circumstances are such that application of this section is unnecessary or impractical for the purposes of safety or security.

TABLE 165.929

Event	Location ¹	Enforcement date and time ²
(a) March Safety Zones		
(1) St. Patrick's Day Fireworks	Manitowoc, WI. All waters of the Manitowoc River in Manitowoc, WI within the arc of a circle with a 200-foot radius from the fireworks launch site located in position 44°5'29.6" N, 087°39'23.0" W.	The third Saturday of March; 5:30 p.m. to 7 p.m.
(b) April Safety Zones		
(1) Michigan Aerospace Challenge Sport Rocket Launch.	Muskegon, MI. All waters of Muskegon Lake, near the West Michigan Dock and Market Corp facility, within the arc of a circle with a 1500-yard radius from the rocket launch site located in position 43°14'21" N, 086°15'35" W.	The last Saturday of April; 8 a.m. to 4 p.m.
(2) Lubbers Cup Regatta	Spring Lake, MI. All waters of Spring Lake in Spring Lake, Michigan in the vicinity of Keenan Marina within a rectangle that is approximately 6,300 by 300 feet. The rectangle will be bounded by points beginning at 43°04'55" N, 086°12'32" W; then east to 43°04'57" N, 086°11'6" W; then south to 43°04'55" N, 086°11'5" W; then west to 43°04'52" N, 086°12'32" W; then north back to the point of origin.	April 12; 8 a.m. to 6 p.m., and April 13; 8:40 a.m. to 12:30 p.m.
(c) May Safety Zones		
(1) Tulip Time Festival Fireworks ...	Holland, MI. All waters of Lake Macatawa, near Kollen Park, within the arc of a circle with a 1000-foot radius from the fireworks launch site in position 42°47'23" N, 086°07'22" W.	The first Saturday of May; 9:30 p.m. to 11:30 p.m. Rain date: The first Friday of May; 9:30 p.m. to 11:30 p.m.
(2) Cochrane Cup	Blue Island, IL. All waters of the Calumet Saganashkee Channel from the South Halstead Street Bridge at 41°39'27" N, 087°38'29" W; to the Crawford Avenue Bridge at 41°39'05" N, 087°43'08" W; and the Little Calumet River from the Ashland Avenue Bridge at 41°39'7" N, 087°39'38" W; to the junction of the Calumet Saganashkee Channel at 41°39'23" N, 087°39'00" W.	The first Saturday of May; 6:30 a.m. to 5 p.m.
(3) Rockets for Schools Rocket Launch.	Sheboygan, WI. All waters of Lake Michigan and Sheboygan Harbor, near the Sheboygan South Pier, within the arc of a circle with a 1500-yard radius from the rocket launch site located with its center in position 43°44'55" N, 087°41'52" W.	The first Saturday of May; 8 a.m. to 5 p.m.
(4) Celebrate De Pere	De Pere, WI. All waters of the Fox River, near Voyageur Park, within the arc of a circle with a 500 foot radius from the fireworks launch site located in position 44°27'10" N, 088°03'50" W.	The Sunday before Memorial Day; 8:30 p.m. to 10 p.m.
(d) June Safety Zones		
(1) International Bayfest	Green Bay, WI. All waters of the Fox River, near the Western Lime Company 1.13 miles above the head of the Fox River, within the arc of a circle with a 1,000-foot radius from the fireworks launch site located in position 44°31'24" N, 088°00'42" W.	The second Friday of June; 9 p.m. to 11 p.m.
(2) Harborfest Music and Family Festival.	Racine, WI. All waters of Lake Michigan and Racine Harbor, near the Racine Launch Basin Entrance Light, within the arc of a circle with a 200-foot radius from the fireworks launch site located in position 42°43'43" N, 087°46'40" W.	Friday and Saturday of the third complete weekend of June; 9 p.m. to 11 p.m. each day.
(3) Spring Lake Heritage Festival Fireworks.	Spring Lake, MI. All waters of the Grand River within the arc of a circle with a 700-foot radius from a barge in position 43°04'22.5" N, 086°12'24.07" W.	The third Saturday of June; 9 p.m. to 11 p.m.
(4) Elberta Solstice Festival	Elberta, MI. All waters of Betsie Lake within the arc of a circle with a 500-foot radius from the fireworks launch site located in approximate position 44°37'36.5" N 086°13'59.6" W.	The last Saturday of June; 9 p.m. to 11 p.m.

TABLE 165.929—Continued

Event	Location ¹	Enforcement date and time ²
(5) World War II Beach Invasion Re-enactment.	St. Joseph, MI. All waters of Lake Michigan in the vicinity of Tiscornia Park in St. Joseph, MI beginning at 42°06'55" N, 086°29'23" W; then west/northwest along the north breakwater to 42°06'59" N, 086°29'41" W; then northwest 100 yards to 42°07'01" N, 086°29'44" W; then northeast 2,243 yards to 42°07'50" N, 086°28'43" W; the southeast to the shoreline at 42°07'39" N, 086°28'27" W; then southwest along the shoreline to the point of origin.	The last Saturday of June; 8 a.m. to 2 p.m.
(6) Ephraim Fireworks	Ephraim, WI. All waters of Eagle Harbor and Lake Michigan within the arc of a circle with a 750-foot radius from the fireworks launch site located on a barge in position 45°09'18" N, 087°10'51" W.	The third Saturday of June; 9 p.m. to 11 p.m.
(7) Thunder on the Fox	Elgin, IL. All waters of the Fox River, near Elgin, Illinois, between Owasco Avenue, located at approximate position 42°03'06" N, 088°17'28" W and the Kimball Street bridge, located at approximate position 42°02'31" N, 088°17'22" W.	Friday, Saturday, and Sunday of the third weekend in June; 10 a.m. to 7 p.m. each day.
(8) Olde Ellison Bay Days Fireworks.	Ellison Bay, WI. All waters of Lake Michigan, in the vicinity of Ellison Bay Wisconsin, within a 400-foot radius from the fireworks launch site located on a barge in position 45°15'36" N, 087°05'03" W.	The fourth Saturday of June; 9 p.m. to 10 p.m.
(9) Sheboygan Harborfest Fireworks.	Sheboygan, WI. All waters of Lake Michigan and Sheboygan Harbor within the arc of a circle with a 1000-foot radius from the fireworks launch site located in position 43°44'55" N, 087°41'54.8" W.	June 15; 8:45 p.m. to 10:45 p.m.

(e) July Safety Zones

(1) Town of Porter Fireworks Display.	Porter IN. All waters of Lake Michigan within the arc of a circle with a 1000 foot radius from the fireworks launch site located in position 41°39'56" N, 087°03'57" W.	The first Saturday of July; 8:45 p.m. to 9:30 p.m.
(2) City of Menasha 4th of July Fireworks.	Menasha, WI. All waters of Lake Winnebago and the Fox River within an 800-foot radius from the fireworks launch site located in position 44°12'14" N, 088°25'31.4" W.	July 4; 9 p.m. to 10:30 p.m.
(3) Pentwater July Third Fireworks	Pentwater, MI. All waters of Lake Michigan and the Pentwater Channel within the arc of a circle with a 1,000-foot radius from the fireworks launch site located in position 43°46'57" N, 086°26'38" W.	July 3; 9 p.m. to 11 p.m. Rain date: July 4; 9 p.m. to 11 p.m.
(4) Taste of Chicago Fireworks	Chicago, IL. All waters of Monroe Harbor and Lake Michigan bounded by a line drawn from 41°53'24" N, 087°35'59" W; then east to 41°53'15" N, 087°35'26" W; then south to 41°52'49" N, 087°35'26" W; then southwest to 41°52'27" N, 087°36'37" W; then north to 41°53'15" N, 087°36'33" W; then east returning to the point of origin.	July 3; 9 p.m. to 11 p.m. Rain date: July 4; 9 p.m. to 11 p.m.
(5) St. Joseph Fourth of July Fireworks.	St. Joseph, MI. All waters of Lake Michigan and the St. Joseph River within the arc of a circle with a 1000-foot radius from the fireworks launch site in position 42°06'52" N, 086°29'28.2" W.	July 4; 9 p.m. to 11 p.m. Rain date: July 5; 9 p.m. to 11 p.m.
(6) US Bank Fireworks	Milwaukee, WI. All waters and adjacent shoreline of Milwaukee Harbor, in the vicinity of Veteran's park, within the arc of a circle with a 1,200-foot radius from the center of the fireworks launch site which is located on a barge in approximate position 43°02'22" N, 087°53'29" W.	July 3; 9 p.m. to 11 p.m. Rain date: July 4; 9 p.m. to 11 p.m.
(7) Manistee Independence Day Fireworks.	Manistee, MI. All waters of Lake Michigan, in the vicinity of the First Street Beach, within the arc of a circle with a 1,000-foot radius from the fireworks launch site located in position 44°14'51" N, 086°20'46" W. Coast Guard

33 CFR Part 165

[Docket No. USCG-2014-0004]

RIN 1625-AA00

Safety Zone; Havasu Triathlon; Lake Havasu, AZ

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary safety zone within the navigable waters of Lake Havasu and the London Bridge Channel for the Havasu Triathlon. This temporary safety zone is necessary to provide safety for the swimmers, crew, rescue personnel, and other users of the waterway. Persons and vessels are prohibited from entering into, transiting through, or anchoring within this safety zone unless authorized by the Captain

of the Port or his designated representative.

DATES: This rule is effective from 7:30 a.m. to 9:30 a.m. on March 22, 2014.

ADDRESSES: Documents mentioned in this preamble are part of docket [USCG-2014-0004]. To view documents mentioned in this preamble as being available in the docket, go to <http://www.regulations.gov>, type the docket number in the "SEARCH" box and click "SEARCH." Click on Open Docket Folder on the line associated with this rulemaking. You may also visit the Docket Management Facility in Room W12-140 on the ground floor of the Department of Transportation West Building, 1200 New Jersey Avenue SE., Washington, DC 20590, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays.

FOR FURTHER INFORMATION CONTACT: If you have questions on this rule, call or email Petty Officer Bryan Gollogly, Waterways Management, U.S. Coast Guard Sector San Diego, Coast Guard; telephone 619-278-7656, email d11marineeventssandiego@uscg.mil If you have questions on viewing or submitting material to the docket, call Cheryl Collins, Program Manager, Docket Operations, telephone (202) 366-9826.

A. Regulatory History and Information

The Coast Guard is issuing this temporary final rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are "impracticable, unnecessary, or contrary to the public interest." Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule because an NPRM would be impracticable. Logistical details did not present the Coast Guard enough time to draft, publish, and receive public comment on an NPRM. As such, the event would occur before the rulemaking process was complete. Immediate action is needed to help protect the safety of the participants, crew, spectators, and participating vessels from other vessels during this one day event.

Under 5 U.S.C. 553(d)(3), for the same reasons mentioned above, the Coast
