Executive Order 12866

This notice is exempt from review by the Office of Management and Budget under Executive Order 12866.

Regulatory Flexibility Act

This action is not a rule as defined by the Regulatory Flexibility Act (5 U.S.C.

601-612) and thus is exempt from the provisions of this Act.

Paperwork Reduction Act of 1995

This notice does not contain reporting or recordkeeping requirements subject to approval by the Office of Management and Budget in accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. 3507).

Executive Order 12372

This program is listed in the Catalog of Federal Domestic Assistance Programs under No. 10.557, and is subject to the provisions of Executive Order 12372, which requires intergovernmental consultation with State and local officials (7 CFR part 3015, Subpart V, 48 FR 29100, June 24, 1983, and 49 FR 22675, May 31, 1984).

Description

Section 17(d)(2)(A) of the Child Nutrition Act of 1966, as amended (42 U.S.C. 1786(d)(2)(A)), requires the Secretary of Agriculture to establish income criteria to be used with nutritional risk criteria in determining a person’s eligibility for participation in the WIC Program. The law provides that persons will be income-eligible for the WIC Program only if they are members of families that satisfy the income standard prescribed for reduced-price school meals under section 9(b) of the Richard B. Russell National School Lunch Act (42 U.S.C. 1758(b)). Under section 9(b), the income limit for reduced-price school meals is 185 percent of the Federal poverty guidelines, as adjusted.

Section 9(b) also requires that these guidelines be revised annually to reflect changes in the Consumer Price Index. The annual revision for 2014/2015 was published by the Department of Health and Human Services (HHS) at 79 FR 3593, January 22, 2014. The guidelines

published by HHS are referred to as the “poverty guidelines.”

Section 246.7(d)(1) of the WIC regulations (Title 7, Code of Federal Regulations) specifies that State agencies may prescribe income guidelines either equaling the income guidelines established under section 9 of the Richard B. Russell National School Lunch Act for reduced-price school meals, or identical to State or local guidelines for free or reduced-price health care. However, in conforming WIC income guidelines to State or local health care guidelines, the State cannot establish WIC guidelines which exceed the guidelines for reduced-price school meals, or which are less than 100 percent of the Federal poverty guidelines. Consistent with the method used to compute income eligibility guidelines for reduced-price meals under the National School Lunch Program, the poverty guidelines were multiplied by 1.85 and the results rounded upward to the next whole dollar.

At this time, the Department is publishing the maximum and minimum WIC income eligibility guidelines by household size for the period July 1, 2014, through June 30, 2015. Consistent with section 17(f)(17) of the Child Nutrition Act of 1966, as amended (42 U.S.C. 1786(f)(17)), a State agency may implement the revised WIC income eligibility guidelines concurrently with the implementation of income eligibility guidelines under the Medicaid Program established under Title XIX of the Social Security Act (42 U.S.C. 1396, et seq.). State agencies may coordinate implementation with the revised Medicaid guidelines, i.e., earlier in the year, but in no case may implementation take place later than July 1, 2014.

State agencies that do not coordinate implementation with the revised

Medicaid guidelines must implement the WIC income eligibility guidelines on July 1, 2014. The first table of this

Notice contains the income limits by household size for the 48 contiguous

States, the District of Columbia, and all Territories, including Guam.
