NATIONAL CREDIT UNION ADMINISTRATION

5 CFR Part 9601 and 12 CFR Part 750

Technical corrections

AGENCY: National Credit Union Administration (NCUA).

ACTION: Technical corrections.

SUMMARY: NCUA is making minor technical corrections to its supplementary ethics regulation to correct certain statutory references and to its regulation governing golden parachute and indemnification payments to conform certain internal cross citations affected by two recently revised final regulations.

DATES: These corrections are effective on March 6, 2014.

FOR FURTHER INFORMATION CONTACT: For part 9601: Hattie Ulan, Senior Ethics Counsel, Office of General Counsel, (703) 518-6544; and for part 750: John H. Brolin, Staff Attorney, Office of General, (703) 518-6438, both at National Credit Union Administration, 1775 Duke Street, Alexandria, Virginia 22314.

SUPPLEMENTARY INFORMATION:

- I. Background
- II. Technical Corrections
- III. Regulatory Procedures

I. Background

Why is NCUA issuing these corrections?

On April 17, 2013, NCUA published its final supplemental ethics rule concerning approval of outside employment and activities.¹ The ethics rule only applies to NCUA employees. It does not affect credit unions. The ethics rule as published inadvertently made a few incorrect references to the Federal Credit Union Act in § 9601.104.

This document corrects those references.

On January 18, 2013 and May 31, 2013, NCUA published final rules amending various parts of NCUA's regulations.² Some of these amendments renumbered sections and paragraphs of these regulations, which affected certain internal cross citations in part 750 of NCUA's regulations causing them to be incorrect. This document corrects those internal cross citations.

II. Technical Corrections

5 CFR 9601.104—Ethics

This document corrects 5 CFR 9601.104(a)(1), (a)(2) and (b)(1) of 5 CFR part 9601 by deleting the phrase “of the Act” from those paragraphs. 5 CFR part 9601 should not reference an “Act,” but rather should reference other paragraphs of part 9601. The phrase “of the Act” confuses the references and should be deleted.

12 CFR Part 750—Golden Parachute and Indemnification Payments

This document amends 12 CFR 750.1, 750.4, 750.5, and 750.6 to correct internal cross citations that were affected when a duplicative definition of the term “Act” was removed from 12 CFR § 750.1(a) and the remaining definitions in that section were renumbered as part of a technical amendments final rule.³ In addition, this document amends 12 CFR 750.4(a)(4)(ii) to correct an internal cross citation to § 750.1(l). The definition of “troubled condition” formerly appearing in 12 CFR 750.1(l) was removed and replaced in 12 CFR 700.2 as part of NCUA's final rule regarding the definition of troubled condition.⁴

All of these changes to 5 CFR Part 9601 and 12 CFR Part 750 correct errors that are obvious in form and technical in nature. NCUA intends no substantive change to its regulations by making these corrections.

III. Regulatory Procedures

Effective Date

Generally, the Administrative Procedure Act (APA) requires a federal agency to provide the public with notice

and the opportunity to comment on agency rulemakings. The corrections discussed herein are non-substantive and technical and are exempt from APA notice and comment requirements.⁵ The APA permits an agency to forego the notice and comment period under certain circumstances, such as when an action is technical and non-substantive. NCUA finds good cause that notice and public comments are unnecessary under section 553(b)(3)(B) of the APA.⁶ NCUA also finds good cause to dispense with the 30-day delayed effective date requirement under section 553(d)(3) of the APA.⁷ These corrections, therefore, will be effective immediately upon publication.

List of Subjects

5 CFR Part 9601

12 CFR Part 750

By the National Credit Union Administration Board on February 27, 2014.

For the reasons stated above, NCUA amends 5 CFR Part 9601 and 12 CFR Part 750 as follows:

[Docket No. SLSDC-2014-0001]

RIN 2135-AA33

Seaway Regulations and Rules: Periodic Update, Various Categories

AGENCY: Saint Lawrence Seaway Development Corporation, DOT.

ACTION: Final rule.

SUMMARY: The Saint Lawrence Seaway Development Corporation (SLSDC) and the St. Lawrence Seaway Management Corporation (SLSMC) of Canada, under international agreement, jointly publish and presently administer the St. Lawrence Seaway Regulations and Rules (Practices and Procedures in Canada) in their respective jurisdictions. Under agreement with the SLSMC, the SLSDC is amending the joint regulations by updating the Seaway Regulations and Rules in various categories. The changes update the following sections of the Regulations and Rules: Condition of Vessels; Preclearance and Security for Tolls; Tolls Assessment and Payment; Seaway Navigation; Dangerous Cargo; Toll Assessment and Payment; and, Information and Reports. These amendments are necessary to take account of updated procedures and will enhance the safety of transits through the Seaway. Many of the amendments are merely editorial or for clarification

of existing requirements. The joint regulations will become effective in Canada on March 31, 2014. For consistency, because these are joint regulations under international agreement, and to avoid confusion among users of the Seaway, the SLSDC finds that there is good cause to make the U.S. version of the amendments effective on the same date.

DATES: The rule will become effective on March 31, 2014.

ADDRESSES: For access to the docket to read background documents or comments received, go to <http://www.Regulations.gov>; or in person at the Docket Management Facility; U.S. Department of Transportation, 1200 New Jersey Avenue SE., West Building Ground Floor, Room W12-140, Washington, DC 20590-001, between 9 a.m. and 5 p.m., Monday through Friday, except Federal Holidays.
