**SUPPLEMENTARY INFORMATION:** Pursuant to the Act, the Departments of the Interior and Commerce (“the Departments”) share responsibility for the allocation of duty exemptions among program producers in the United States territories of Guam, American Samoa and the Northern Mariana Islands.

In accordance with section 303.3(a) of the regulations (15 CFR 303.3(a)), the total quantity of duty-free insular watches and watch movements for calendar year 2013 is 1,866,000 units for the USVI. This amount was established in *Changes in Watch, Watch Movement and Jewelry Program for the U.S. Insular Possessions*, 65 FR 8048 (February 17, 2000). There are currently no program producers in Guam, American Samoa or the Northern Mariana Islands.

The criteria for the calculation of the calendar year 2014 duty-exemption allocations among program producers within a particular territory are set forth in section 303.14 of the regulations (15 CFR 303.14). The Departments have verified and, where appropriate, adjusted the data submitted in application form ITA-334P by USVI program producers and have inspected these producers’ operations in accordance with section 303.5 of the regulations (15 CFR 303.5).

In calendar year 2013, USVI program producers shipped 62,424 watches and watch movements into the customs territory of the United States under the Act. The dollar amount of corporate income taxes paid by USVI program producers during calendar year 2013, and the creditable wages and benefits paid by these producers during calendar year 2013 to residents of the territory was a combined total of \$1,087,105. The calendar year 2014 USVI annual duty exemption allocations, based on the data verified by the Departments, are as follows:

Program producer	Annual allocation
Belair Quartz, Inc. ....	500,000

The balance of the units allocated to the USVI is available for new entrants into the program or existing program producers who request a supplement to their allocation.
