SOCIAL SECURITY ADMINISTRATION

Agency Information Collection Activities: Proposed Request and Comment Request

The Social Security Administration (SSA) publishes a list of information collection packages requiring clearance by the Office of Management and Budget (OMB) in compliance with Public Law 104–13, the Paperwork Reduction Act of 1995, effective October 1, 1995. This notice includes revisions of OMB-approved information collections.

SSA is soliciting comments on the accuracy of the agency’s burden estimate; the need for the information; its practical utility; ways to enhance its quality, utility, and clarity; and ways to minimize burden on respondents, including the use of automated collection techniques or other forms of information technology. Mail, email, or fax your comments and recommendations on the information collection(s) to the OMB Desk Officer and SSA Reports Clearance Officer at the following addresses or fax numbers. (OMB), Office of Management and Budget, Attn: Desk Officer for SSA, Fax: 202–395–6974, Email address: OIRA_Submission@omb.eop.gov. (SSA), Social Security Administration, OLCA, Attn: Reports Clearance Director, 3100 West High Rise, 6401 Security Blvd., Baltimore, MD 21235, Fax: 410–966–2830, Email address: OR.Reports.Clearance@ssa.gov.

I. The information collections below are pending at SSA. SSA will submit

them to OMB within 60 days from the date of this notice. To be sure we consider your comments, we must receive them no later than May 9, 2014. Individuals can obtain copies of the collection instruments by writing to the above email address.

1. Statement Regarding Marriage—20 CFR 404.726—0960–0017. According to section 216(h)(1)(A) of the Social Security Act (Act), SSA must apply state law when determining an individual’s marital status. Some state laws recognize marriages without a ceremony (i.e., common-law marriages). In such cases, SSA provides the same spouse or widow(er) benefits to common-law spouses as it does to ceremonially married spouses. To determine if someone is a common-law spouse, SSA must elicit information from blood relatives or other persons who are knowledgeable about the alleged common-law relationship. SSA uses Form SSA–753, Statement Regarding Marriage, to collect information from third parties to verify the applicant’s statements about intent, cohabitation, and holding out to the public as married, which are the basic tenets of a common-law marriage. SSA uses the information to determine if a valid marital relationship exists, and if the common-law spouse is entitled to Social Security spouse or widow(er) benefits. The respondents are third parties who can confirm or deny an alleged common-law marriage.

Type of Request: Revision of an OMB-approved information collection.

Modality of completion	Number of respondents	Frequency of response	Average burden per response (minutes)	Estimated total annual burden (hours)
SSA–753	40,000	1	9	6,000

2. Request for Review of Hearing Decision/Order—20 CFR 404.967–404.981, 416.1467–416.1481—0960–0277. Claimants have a statutory right under the Act and current regulations to request review of an administrative law judge’s (ALJ) hearing decision or dismissal of a hearing request on Title II and Title XVI claims. Claimants may request Appeals Council review by

filing a written request using Form HA–520. SSA uses the information to establish the claimant filed the request for review within the prescribed time and to ensure the claimant completed the requisite steps permitting the Appeals Council review. The Appeals Council uses the information to: (1) Document the claimant’s reason(s) for disagreeing with the ALJ’s decision or

dismissal; (2) determine whether the claimant has additional evidence to submit; and (3) determine whether the claimant has a representative or wants to appoint one. The respondents are claimants requesting review of an ALJ’s decision or dismissal of hearing.

Type of Request: Revision of an OMB-approved information collection.

Modality of completion	Number of respondents	Frequency of response	Average burden per response (minutes)	Estimated total annual burden (hours)
HA–520	171,000	1	10	28,500

¹⁶ 17 CFR 200.30–3(a)(12).

II. SSA submitted the information collections below to OMB for clearance. Your comments regarding the information collections would be most useful if OMB and SSA receive them 30 days from the date of this publication. To be sure we consider your comments, we must receive them no later than April 9, 2014. Individuals can obtain copies of the OMB clearance packages by writing to *OR.Reports.Clearance@ssa.gov*.

1. State Mental Institution Policy Review Booklet—20 CFR 404.2035, 404.2065, 416.635, & 416.665—0960–0110. SSA uses Form SSA–9584–BK: (1) To determine if the policies and practices of a state mental institution acting as a representative payee for SSA beneficiaries conform to SSA’s regulations in the use of benefits; (2) to confirm institutions are performing other duties and responsibilities required of representative payees; and

(3) as the basis for conducting onsite reviews of the institutions and preparing subsequent reports of findings. The respondents are state mental institutions serving as representative payees for Social Security beneficiaries and Supplemental Security Income (SSI) recipients.

Type of Request: Revision of an OMB-approved information collection.

Modality of completion	Number of respondents	Frequency of response	Average burden per response (minutes)	Estimated total annual burden (hours)
SSA–9584–BK	78	1	60	78

2. Modified Benefit Formula Questionnaire-Employer—20 CFR 401 & 402—0960–0477. Sections 215(a)(7) and 215(d)(3) of the Act require SSA to use the Windfall Elimination Provision (WEP), a modified benefit formula, to compute Social Security retirement or disability benefits for persons first eligible (after 1985) for both a Social

Security benefit and a pension or annuity, based on employment not covered by Social Security. SSA determines if the WEP is applicable and when to apply it to a person’s benefit. SSA uses Form SSA–58 to verify the claimant’s allegations on Form SSA–150 (OMB No. 0960–0395, Modified Benefits Formula Questionnaire). SSA sends the

SSA–58 to an employer for pension-related information, if the claimant is unable to provide it. The respondents are employers of people who are eligible after 1985 for both Social Security benefits and a pension based on work not covered by SSA.

Type of Request: Revision of an OMB-approved information collection.

Modality of completion	Number of respondents	Frequency of response	Average burden per response (minutes)	Estimated total annual burden (hours)
SSA–58	30,000	1	20	10,000

3. Employee Work Activity Questionnaire—20 CFR 404.1574, 404.1592—0960–0483. Social Security disability beneficiaries and SSI recipients qualify for payments when a verified physical or mental impairment prevents them from working. If disability claimants attempt to return to work after receiving payments, but are unable to continue working, they submit

the SSA–3033, Employee Work Activity Questionnaire, so SSA can evaluate their work attempt. SSA also uses this form to evaluate unsuccessful subsidy work and determine applicants’ continuing eligibility for disability payments. The respondents are employers of Social Security disability beneficiaries and SSI recipients who

unsuccessfully attempted to return to work.

This is a correction notice: SSA published the incorrect burden information for this collection at 78 FR 76378, on 12/17/13. We are correcting this error here.

Type of Request: Revision of an OMB-approved information collection.

Modality of completion	Number of respondents	Frequency of response	Average burden per response (minutes)	Estimated total annual burden (hours)
SSA–3033	15,000	1	15	3,750

Date: March 5, 2014.

Reports Clearance Director, Social Security Administration.
