

Take notice that on March 26, 2014, the staff of the Federal Energy Regulatory Commission (Commission) will hold a technical conference on the Revisions to Electric Quarterly Report (EQR) Filing Process. The conference will take place from 10:00 a.m. to 1:00 p.m. (EST), in the Commission Meeting Room at 888 First Street NE., Washington, DC 20426. The public may attend.

Commission staff will demonstrate the new EQR filing system announced in Order No. 770.¹ The new filing system includes two options for filing EQRs: one that will allow EQR users to file through a Web interface on the Commission's Web site, and a second that will allow an EQR filer to file its EQR in an Extensible Mark-up Language formatted file. At the conference, staff will discuss the filing system using examples of both the XML and Web interface approaches that the Commission believes parties will find useful ahead of the new filing system "go-live" date.

Any additional information regarding the agenda for the technical conference will be posted prior to the conference on the Calendar of Events on the Commission's Web site, www.ferc.gov.

A free Webcast of the conference will be available through www.ferc.gov. Anyone with Internet access interested in viewing this conference can do so by navigating to www.ferc.gov's Calendar of Events and locating this event in the Calendar. The event will contain a link to the webcast. Capitol Connection provides technical support for the Webcasts and offers the option of listening to the conferences via phone-bridge for a fee. If you need technical support, please visit www.CapitolConnections.org or call (703) 993-3100.

Participants, either attending in person or on the Webcast, are encouraged to preregister at <https://www.ferc.gov/whats-new/registration/03-26-14-form.asp>. The Webcasting provides audio service and is archived. Participants may submit questions before or during the event via email to: eqr@ferc.gov. Please specify "EQR Questions for Mar 26 Conference" in the subject line of your emails.

This meeting/conference will be transcribed. Transcripts of the meeting/conference will be immediately available for a fee from Ace-Federal Reporters, Inc. (202-347-3700 or 1-800-336-6646).

Review of Cost Submittals by Other Federal Agencies for Administering Part I of the Federal Power Act; Notice of Technical Conference

In an order issued on October 8, 2004, the Commission set forth a guideline for Other Federal Agencies (OFAs) to submit their costs related to Administering Part I of the Federal Power Act. *Order On Rehearing Consolidating Administrative Annual Charges Bill Appeals And Modifying Annual Charges Billing Procedures*, 109 FERC ¶ 61,040 (2004) (October 8 Order). The Commission required OFAs to submit their costs using the OFA Cost Submission Form. The October 8 Order also announced that a technical conference would be held for the purpose of reviewing the submitted cost forms and detailed supporting documentation.

The Commission will hold a technical conference for reviewing the submitted OFA costs. The purpose of the conference will be for OFAs and licensees to discuss costs reported in the forms and any other supporting documentation or analyses.

The technical conference will be held on March 20, 2014, in Conference Room 3M-1 at the Commission's headquarters, 888 First Street NE., Washington, DC. The technical conference will begin at 2:00 p.m. (EST).

The technical conference will also be transcribed. Those interested in obtaining a copy of the transcript

immediately for a fee should contact the Ace-Federal Reporters, Inc., at 202-347-3700, or 1-800-336-6646. Two weeks after the post-forum meeting, the transcript will be available for free on the Commission's e-library system. Anyone without access to the Commission's Web site or who has questions about the technical conference should contact Norman Richardson at (202) 502-6219 or via email at annualcharges@ferc.gov.

Version 5 Critical Infrastructure Protection Reliability Standards; Notice of Technical Conference

Take notice that the Federal Energy Regulatory Commission (Commission) will hold a staff-led technical conference on Critical Infrastructure Protection Issues Identified in Order No. 791 on April 29, 2014, beginning at 9:00 a.m. and ending at approximately 5:00 p.m. (Eastern Time). The conference will be held at the Federal Energy Regulatory Commission, 888 First Street NE., Washington, DC 20426.

The technical conference shall facilitate a structured dialogue on operational and technical issues identified by the Commission in the Critical Infrastructure Protection (CIP) version 5 Standards Final Rule. Technical Conference panelists may be asked to address: (1) Whether additional definitions and/or security controls are needed to protect Bulk-Power System communications networks, including remote systems access; (2) the adequacy of the approved CIP version 5 Standards' protections for Bulk-Power System data being transmitted over data networks; and (3) functional differences between the respective methods utilized for identification, categorization, and specification of appropriate levels of protection for cyber assets using CIP

version 5 Standards as compared with those employed within the National Institute of Standards and Technology Security Risk Management Framework. The technical conference will be led by Commission staff, with prepared remarks to be presented by invited panelists, which must be submitted to the Commission shortly in advance of the conference. A subsequent notice detailing the topics to be discussed and agenda will be issued in advance of the conference.

There is no fee for attendance. However, members of the public are encouraged to preregister online at: <https://www.ferc.gov/whats-new/registration/04-29-14-form.asp>.

Those wishing to participate in panel discussions should submit nominations no later than close of business on March 14 online at: <https://www.ferc.gov/whats-new/registration/04-29-14-speaker-form.asp>.

There will be no webcast of this event. However, it will be transcribed. Transcripts of the meeting/conference will be immediately available for a fee from Ace-Federal Reporters, Inc. (202-347-3700 or 1-800-336-6646).
