SUPPLEMENTARY INFORMATION:

Title: Dairy Request for Applicant Number.

OMB Number: 0581–0272.

Expiration Date of Approval: July 31, 2014.

Type of Request: Extension and revision of a currently approved information collection.

Abstract: The dairy grading program is a voluntary user fee program authorized under the Agricultural Marketing Act (AMA) of 1946 (7 U.S.C. 1621–1627). The regulations governing inspection and grading services of manufactured or processed dairy products are contained in 7 CFR part 58. In order for a voluntary inspection program to perform satisfactorily, appropriate information must be collected. In general, information requested is used to identify and contact the party responsible for payment of the export certification, inspection, grading or equipment evaluation fee and expense. The information requested on the form is required for AMS Dairy Grading Branch to set up accounts to allow applicants to do business with AMS Dairy Grading Branch. This information includes name of contact, phone number of contact, address of business and tax identification number. This information is currently collected over the telephone, or through faxes, letters or emails. The form allows for uniform collection of the information and more secure management of the information.

The DA–228, Request for Applicant Number, will be updated and the

information collected slightly reduced. The form will now be available in a Word format as opposed to the previous PDF format. The form will no longer request, “whom the information was requested by”, “date”, or “service type”.

The DA–229, Export Applicant Number Activation form has become obsolete and is no longer necessary. This form was previously used to activate applicant accounts that were already in the system.

Estimate of Burden: Public reporting burden for this collection of information is estimated to average 0.05 hours per response.

Respondents: Businesses or other for-profit.

Estimated Number of Respondents: 100.

Estimated Total Annual Responses: 100.

Estimated Number of Responses per Respondent: 1.

Estimated Total Annual Burden on Respondents: 3 minutes.

Comments are invited on: (1) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (2) the accuracy of the agency's estimate of the burden of the proposed collection of information including the validity of the methodology and assumptions used; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) ways to minimize the burden of the collection of information on those who are to respond, including the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

Dated: February 26, 2014.

Rex A. Barnes,

Associate Administrator, Agricultural Marketing Service.

Notice of Intent to Grant Exclusive License

AGENCY: Agricultural Research Service, USDA.

ACTION: Notice of intent.

SUMMARY: Notice is hereby given that the U.S. Department of Agriculture, Agricultural Research Service, intends to grant to Washington State Crop Improvement Association of Pullman,

Washington, an exclusive license to the variety of lentil described in U.S. Plant Variety Protection Certificate Application No. 201400093, “Avondale,” filed on December 19, 2013.

DATES: Comments must be received on or before April 14, 2014.

ADDRESSES: Send comments to: USDA, ARS, Office of Technology Transfer, 5601 Sunnyside Avenue, Rm. 4–1174, Beltsville, Maryland 20705–5131.

FOR FURTHER INFORMATION CONTACT: June Blalock of the Office of Technology Transfer at the Beltsville address given above; telephone: 301–504–5989.

SUPPLEMENTARY INFORMATION: The Federal Government's rights in this plant variety are assigned to the United States of America, as represented by the Secretary of Agriculture. It is in the public interest to so license this plant variety as Washington State Crop Improvement Association of Pullman, Washington has submitted a complete and sufficient application for a license. The prospective exclusive license will be royalty-bearing and will comply with the terms and conditions of 35 U.S.C. 209 and 37 CFR 404.7. The prospective exclusive license may be granted unless, within thirty (30) days from the date of this published Notice, the Agricultural Research Service receives written evidence and argument which establishes that the grant of the license would not be consistent with the requirements of 35 U.S.C. 209 and 37 CFR 404.7.
