Thus, the preparation of an environmental assessment or an environmental impact statement is not required.

In accordance with 10 CFR 72.46(b)(2), the NRC has determined that Amendment No. 2 does not present a genuine issue as to whether public health and safety will be significantly affected. Therefore, the publication of a notice of proposed action and an opportunity for hearing or a notice of hearing is not warranted. Notice is hereby given of the right of interested persons to request a hearing on whether the action should be rescinded or modified.
