

Participation Requirements

All applicants will be evaluated on their ability to meet certain conditions and best satisfy the selection criteria as outlined below. The mission is designed for a minimum of 15 companies and/or trade associations and a maximum of 20 companies and/or trade associations to participate in the mission from the applicant pool. U.S. companies already doing business in the target markets as well as U.S. companies seeking to enter these markets for the first time are encouraged to apply.

Fees and Expenses

After a company or trade association has been selected to participate on the mission, a participation fee to the U.S. Department of Commerce is required.

- The participation fee for one representative is \$3,100 for a small or medium-sized enterprise (SME)¹ or trade association and \$3,300 for large firms.
- The fee for each additional firm representative (SME or large) is \$750.
- Fee for the optional 4th stop to the National Institute of Oceanography in Goa will be \$300 per participants for the first representative and \$100 for any additional representative, provided there are a minimum of 5 participants travelling to Goa.

Expenses for travel, lodging, some meals, and incidentals will be the responsibility of each mission participant.

Conditions for Participation

An applicant must submit a completed and signed mission application and supplemental application materials, including adequate information on the company's or represented companies' products and/or services, primary market objectives, and goals for participation. If the U.S. Department of Commerce receives an incomplete application, the Department may reject the application, request additional information, or take the lack of information into account when evaluating the applications.

Each applicant must also certify that the products and services it seeks to export through the mission are either produced in the United States, or, if not, marketed under the name of a U.S. firm

and have at least fifty-one percent U.S. content of the value of the finished product or service. In the case of a trade association, the applicant must certify that, for each company to be represented by the trade association, the products and services the represented company seeks to export are either produced in the United States or, if not, marketed under the name of a U.S. firm and have at least fifty-one percent U.S. content.

Selection Criteria for Participation

Selection will be based on the following criteria:

- Suitability of the company's products or services to the mission goals.
- Applicant's potential for business in India, including likelihood of exports resulting from the mission.
- Consistency of the applicant's goals and objectives with the stated scope of the mission. Referrals from political organizations and any documents containing references to partisan political activities (including political contributions) will be removed from an applicant's submission and not considered during the selection process.

Timeframe for Recruitment and Applications

Mission recruitment will be conducted in an open and public manner, including publication in the **Federal Register**, posting on the Commerce Department trade mission calendar—<http://wxport.gov/trademissions>—and other Internet Web sites, press releases to general and trade media, direct mail, broadcast fax, notices by industry trade associations and other multiplier groups, and publicity at industry meetings, symposia, conferences, and trade shows. Recruitment for the mission will begin immediately, and conclude on August 15, 2014. The U.S. Department of Commerce will review applications and make selection decisions on a rolling basis beginning May 14, 2014, until the maximum of 20 participants is selected. Applications received after August 15, 2014, will be considered only if space and scheduling constraints permit.

Combinatorial Approaches to Functional Materials Workshop

AGENCY: National Institute of Standards and Technology (NIST), Commerce.

ACTION: Notice of public meeting.

SUMMARY: In cooperation with the National Science Foundation (NSF) and the Office of Science and Technology Policy (OSTP), NIST announces the "Combinatorial Approaches to Functional Materials Workshop" on Monday, May 5, 2014 from 8 a.m. to 5 p.m. Pacific Time and Tuesday, May 6, 2014 from 8 a.m. to 12 p.m. Pacific Time in San Francisco, California hosted by the University of South Carolina and Applied Material Inc. The Workshop will bring together the community of combinatorial materials science practitioners from academia, industry, and government in efforts to advance the Materials Genome Initiative. The goal of this workshop is to identify challenges in the field, brainstorm ideas for breakthrough, and identify areas of cross-community collaboration.

DATES: The Workshop will meet on Monday, May 5, 2014, from 8 a.m. to 5 p.m. Pacific Time and Tuesday, May 6, 2014, from 8 a.m. to 12 p.m. Pacific Time. Registration is required and will open on March 14, 2014.

ADDRESSES: The Workshop will be held at The City Club of San Francisco, Stock Exchange Tower, 155 Sansome Street, San Francisco, California 94104, telephone number 415-362-2042. Please note admittance instructions under the **SUPPLEMENTARY INFORMATION** section of this notice.

FOR FURTHER INFORMATION CONTACT: Martin Green, Materials Measurement Science Division, NIST, 100 Bureau Drive, Mail Stop 8520, Gaithersburg, Maryland 20899-1060, telephone number 301-975-8496. Martin Green's email address is martin.green@nist.gov.

¹ An SME is defined as a firm with 500 or fewer employees or that otherwise qualifies as a small business under SBA regulations. See <http://www.sba.gov/contractingopportunities/owners/basics/whatis-small-business/index.html>. Parent companies, affiliates, and subsidiaries will be considered when determining business size. The dual pricing reflects the Commercial Service's user fee schedule that became effective May 1, 2008. See <http://www.export.gov/newsletter/march2008/initiatives.html>.

SUPPLEMENTARY INFORMATION:

Registration: Due to space limitations, pre-registration for the Workshop is required. Registration is on a first-come, first-served basis and will be capped at 100 participants. Registration will open on March 14, 2014. Individuals planning to attend the workshop should register online at <http://www.activeevents.com/solutions/product/active-starcite>.

Meeting Accommodations: Individuals requiring special accommodations to access this public workshop should contact Martin Green at 301-975-8496 or martin.green@nist.gov, at least ten business days prior to the Workshop so that appropriate arrangements can be made.

Dated: March 10, 2014.
