SUPPLEMENTARY INFORMATION:

Title: National Organic Program
(NOP); Organic Certification Cost-Share
Programs.

OMB Number: 0581—NEW.

Expiration Date of Approval: Three
years from OMB approval date.

Type of Request: New information
collection.

Abstract: The information collection requirements in this request are applied only to those State Departments of Agriculture and organic producers and handlers who voluntarily participate in one of two organic certification cost-share programs: The National Organic Certification Cost-Share Program (NOCCSP) or the Agricultural Management Assistance (AMA) Organic Certification Cost-Share Program. The NOCCSP is authorized under section 10606(d)(1) of the Farm Security and Rural Investment Act of 2002 (7 U.S.C. 7901 note), as amended by section 10004(c) of the Agriculture Act of 2014 (2014 Farm Bill; Pub. L. 113-79). Under this authority, USDA is authorized to provide organic certification cost-share assistance through 50 States, the District of Columbia, and five U.S. Territories (herein called “state agencies”). The AMA is authorized under the Federal Crop Insurance Act (FCIA), as amended, (7 U.S.C. 1524). Under the applicable FCIA provisions, USDA is authorized to provide organic certification cost-share assistance through sixteen states: Connecticut, Delaware, Hawaii, Maine, Maryland, Massachusetts, Nevada, New Hampshire, New Jersey, New York, Pennsylvania, Rhode Island, Utah, Vermont, West Virginia, and Wyoming. To prevent duplicate assistance payments, producers participating in the AMA program are not eligible to participate in the producer portion of the NOCCSP.

Each program provides cost-share assistance, through participating state agencies, to organic producers and, in the case of NOCCSP, to organic handlers. Recipients must receive initial certification or continuation of certification to the USDA organic regulations (7 CFR part 205) from a USDA-accredited certifying agent. Reimbursement is currently available at 75 percent of an operation’s certification costs, up to a maximum of \$750 per year. The information collected from these respondents is needed to ensure that program recipients are eligible for funding and comply with applicable program regulations. Data collected is

the minimum information necessary to effectively carry out the requirements of each program.

In accordance with Office of Management and Budget (OMB) regulations (5 CFR part 1320) that implement the Paperwork Reduction Act (44 U.S.C. 3501-3520) (PRA), the information collection requirements associated with the NOP have been previously approved by OMB and assigned OMB control number 0581-0191. A new information collection package is being submitted to OMB for approval of 13,120 hours in total burden hours to cover this new collection for the two organic certification cost-share programs. Upon OMB’s approval of this new information collection, the NOP intends to merge this collection into currently approved OMB Control Number 0581-0191. In accordance with 5 CFR part 1320, we have included below a description of the collection and recordkeeping requirements and an estimate of the annual burden on entities who would be required to provide information through these cost-share programs. Upon OMB’s approval of this new information collection, the NOP intends to merge this collection into currently approved OMB Control Number 0581-0191.

State agencies who wish to participate in one or, if applicable, both of these organic certification cost-share programs must submit the following:

(a) SF-424, “Application for Federal Assistance,” (approved under OMB collection number 4040-0004) is required to apply for federal assistance.

(b) USDA/AMS-33 Face Page (Agreement Face Sheet). The Agreement Face Sheet sets forth the agreed upon responsibilities of AMS project work. It also indicates the agreed upon grant funding dollar amounts and the beginning date and ending date of the project work and the grant agreement. One copy of this Agreement Face Sheet is required to be returned to AMS with the date and grantee’s signature(s).

Estimate of Burden: Public reporting burden for this collection of information under (a) and (b) is estimated to average 2 hours per response.

Respondents: State agencies.

Electronic records retention is acceptable. This is a part of normal business practice.

AMS is committed to compliance with the Government Paperwork Elimination Act (GPEA) (44 U.S.C. 3540 note), which requires Government agencies in general to provide the public the option of submitting information or transacting business electronically to the maximum extent possible. The SF-424 can be completed electronically and is required to be submitted electronically through www.grants.gov.

The SF-425 and SF-270 forms can be filled out electronically and submitted

electronically. The USDA/AMS-33 Face Page requires an original signature and must be submitted by mail. Producers typically will mail their application and associated documentation to the state agencies, though some agencies have streamlined paperwork submission through databases of producers and handlers in a given state.

Comments are invited on: (1) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (2) The accuracy of the agency's estimate of the burden of the proposed collection of information including the validity of the methodology and assumptions used; (3) Ways to enhance the quality, utility, and clarity of the information to be collected; and (4) Ways to minimize the burden of the collection of information on those who are to respond, including the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology. Comments may be sent to Melissa Bailey, Ph.D., Director, Standards Division, National Organic Program, Agricultural Marketing Service, U.S. Department of Agriculture, 1400 Independence Ave SW., Room 2648-S Ag Stop 0268, Washington, DC 20250; (202) 720-3252 and FAX (202) 205-7808.
