BILLING CODE 3510-DS-P**DEPARTMENT OF COMMERCE****Foreign-Trade Zones Board****[B-23-2014]****Proposed Foreign-Trade Zone—Cameron Parish, Louisiana Under Alternative Site Framework**

An application has been submitted to the Foreign-Trade Zones (FTZ) Board by the West Cameron Port Commission to establish a foreign-trade zone within Cameron Parish, Louisiana, adjacent to the Lake Charles CBP port of entry, under the alternative site framework (ASF) adopted by the FTZ Board (15 CFR Sec. 400.2(c)). The ASF is an option for grantees for the establishment or reorganization of zones and can permit significantly greater flexibility in the designation of new "subzones" or "usage-driven" FTZ sites for operators/users located within a grantee's "service area" in the context of the FTZ Board's standard 2,000-acre activation limit for a zone project. The application was submitted pursuant to the provisions of

the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a-81u), and the regulations of the Board (15 CFR part 400). It was formally docketed on March 12, 2014. The applicant is authorized to make the proposal under Louisiana Revised Statutes, Title 51, Sections 61-62.

The proposed zone would be the second zone for the Lake Charles Customs and Border Protection (CBP) port of entry. The existing zone is FTZ 87, Lake Charles (Grantee: Lake Charles Harbor & Terminal District, Board Order 217, July 22, 1983).

The applicant's proposed service area under the ASF would be Wards 3, 4, 5 and 6 of Cameron Parish. If approved, the applicant would be able to serve sites throughout the service area based on companies' needs for FTZ designation. The proposed service area is adjacent to the Lake Charles CBP port of entry.

The proposed zone would include one initial "usage-driven" site: Proposed Site 1 (1,049 acres)—at the Cheniere Sabine Pass LNG Terminal, 9243 Gulf Beach Highway, Cameron.

The application indicates a need for zone services in Cameron Parish, Louisiana. Several firms have indicated an interest in using zone procedures for warehousing/distribution activities for a variety of products. Specific production approvals are not being sought at this time. Such requests would be made to the FTZ Board on a case-by-case basis.

In accordance with the FTZ Board's regulations, Camille Evans of the FTZ Staff is designated examiner to evaluate and analyze the facts and information presented in the application and case record and to report findings and recommendations to the FTZ Board.

Public comment is invited from interested parties. Submissions shall be addressed to the FTZ Board's Executive Secretary at the address below. The closing period for their receipt is May 16, 2014. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period to June 2, 2014.

A copy of the application will be available for public inspection at the Office of the Executive Secretary, Foreign-Trade Zones Board, Room 21013, U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230-0002, and in the "Reading Room" section of the FTZ Board's Web site, which is accessible via www.trade.gov/ftz. For further information, contact Camille Evans at Camille.Evans@trade.gov or (202) 482-2350.

Dated: March 12, 2014.

BILLING CODE 3510-DS-P**DEPARTMENT OF COMMERCE****International Trade Administration****[A-570-928]****Uncovered Innerspring Units From the People's Republic of China; Antidumping Duty Administrative Review; 2012-2013**

AGENCY: Enforcement and Compliance, formerly Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce ("the Department") is conducting an administrative review of the antidumping duty order on uncovered innerspring units from the People's Republic of China ("PRC"). The period of review is February 1, 2012, through January 31, 2013. The review covers the following exporters of subject merchandise: Goldon Bedding Manufacturing (M) Sdn Bhd ("Goldon")¹ and Ta Cheng Coconut Knitting Company Ltd. ("Ta Cheng"). We preliminarily determine that Goldon and Ta Cheng, two market economy exporters, failed to cooperate to the best of their abilities and are, therefore, applying adverse facts available ("AFA") to Goldon's and Ta Cheng's PRC-origin merchandise. Interested parties are invited to comment on these preliminary results.

FOR FURTHER INFORMATION CONTACT: Steven Hampton, AD/CVD Operations, Office V, Enforcement and Compliance, International Trade Administration, Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-0116.

SUPPLEMENTARY INFORMATION:

¹ Based on Petitioner's February 28, 2013, request for review, the Department initiated this review with respect to Goldon Bedding Manufacturing Sdn. Bhd. See Letter from Petitioner regarding Request for Antidumping Duty Administrative Review Duty Order on Uncovered Innerspring Units from the People's Republic of China dated February 28, 2013; *Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation in Part*, 78 FR 19197, 19209 (March 29, 2013) ("Initiation Notice"). However, during the course of this review, Goldon represented that its official company name is Goldon Bedding Manufacturing (M) Sdn Bhd. See Letter from Goldon regarding Uncovered Innerspring Units from the People's Republic of China—Section A Response, dated May 27, 2013 at Attachment #3.

Tolling of Deadlines for Preliminary Results

As explained in the memorandum from the Assistant Secretary for Enforcement and Compliance, the Department exercised its discretion to toll deadlines for the duration of the closure of the Federal Government from October 1, through October 16, 2013.² Therefore, all deadlines in this segment of the proceeding have been extended by 16 days. The revised deadline for the preliminary results of this review is now March 18, 2014.

Scope of the Order

The merchandise subject to the order is uncovered innerspring units composed of a series of individual metal springs joined together in sizes corresponding to the sizes of adult mattresses (e.g., twin, twin long, full, full long, queen, California king and king) and units used in smaller constructions, such as crib and youth mattresses. The product is currently classified under subheading 9404.29.9010 and has also been classified under subheadings 9404.10.0000, 7326.20.0070, 7320.20.5010, or 7320.90.5010 of the Harmonized Tariff Schedule of the United States (“HTSUS”). The HTSUS subheadings are provided for convenience and customs purposes only; the written product description of the scope of the order is dispositive.³

Methodology

The Department conducted this review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (“the Act”). In making these findings, we relied on facts available and, because Goldon and Ta Cheng did not act to the best of their ability to respond to the Department’s requests for information, we drew an adverse inference in selecting from among the facts otherwise available.⁴

For a full description of the methodology underlying our conclusions, please see the Preliminary Decision Memorandum. The

Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (“IA ACCESS”). IA ACCESS is available to registered users at <http://iaaccess.trade.gov> and in the Central Records Unit, room 7046 of the main Department of Commerce building. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly on the internet at <http://enforcement.trade.gov/frn/>. The signed Preliminary Decision Memorandum and the electronic versions of the Preliminary Decision Memorandum are identical in content.

Preliminary Results of Review

As a result of this review, we preliminarily determine that a dumping margin of 234.51 percent exists for Goldon and Ta Cheng for the period February 1, 2012, through January 31, 2013.

Assessment Rates

Upon issuance of the final results, the Department will determine, and U.S. Customs and Border Protection (“CBP”) shall assess, antidumping duties on all appropriate entries covered by this review.⁹ The Department intends to issue assessment instructions to CBP 15 days after the publication date of the final results of this review. We will instruct CBP to assess duties at the *ad valorem* margin rate published above. We will instruct CBP to assess antidumping duties on all appropriate entries covered by this review if any assessment rate calculated in the final results of this review is above *de minimis*. The final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the final results of this review and for future deposits of estimated duties, where applicable. The Department will assess duties only on Goldon’s and Ta Cheng’s PRC-origin merchandise.

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this administrative review for shipments of the subject merchandise from the PRC entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided by sections 751(a)(2)(C) of the Act: (1) For Goldon and Ta Cheng, the cash deposit rate will be that established in the final results of this review (except, if the rate is zero or *de minimis*, then zero cash deposit will be required); (2) for previously investigated or reviewed PRC and non-PRC exporters not listed above that received a separate rate in a prior segment of this proceeding, the cash deposit rate will continue to be the existing exporter-specific rate published for the most recently completed period; (3) for all PRC exporters of subject merchandise that have not been found to be entitled to a separate rate, the cash deposit rate will be the PRC-wide rate of 234.51 percent; and (4) for all non-PRC exporters of subject merchandise which have not received their own rate, the cash deposit rate will be the rate applicable to the PRC exporter that supplied that non-PRC exporter. SUMMARY: The Department of Commerce ("the Department") is rescinding the administrative review of the antidumping duty order on silicon metal from the People's Republic of China ("PRC") for the period of review June 1, 2012, through May 31, 2013.

SUPPLEMENTARY INFORMATION:

Background

On August 1, 2013, based on a timely request for review by Globe Metallurgical Inc. ("Globe Metal"), the Department published in the **Federal Register** a notice of initiation of an administrative review of the antidumping duty order on silicon metal from the PRC covering the period June 1, 2012, through May 31, 2013.¹ The review covers one company: Shanghai Jinneng International Trade Co., Ltd. On November 15, 2013, Globe Metal timely withdrew its request for an administrative review of the company listed above.

Rescission of Review

Pursuant to 19 CFR 351.213(d)(1), the Department will rescind an administrative review if the party that requested the review withdraws its request within 90 days of the publication of the notice of initiation of the requested review. As explained in the memorandum from the Assistant Secretary for Enforcement and Compliance, the Department exercised its discretion to toll deadlines for the duration of the closure of the Federal Government from October 1, through October 16, 2013.² Accordingly, all deadlines in this segment of the proceeding have been extended by 16 days. Therefore, Globe Metal withdrew its request within the 90-day deadline and no other parties requested an administrative review of the antidumping duty order. As a result, we are rescinding the administrative review of silicon metal from the PRC for the period of review June 1, 2012, through May 31, 2013.

Assessment

The Department will instruct U.S. Customs and Border Protection ("CBP") to assess antidumping duties on all appropriate entries. Because the Department is rescinding this administrative review in its entirety, the entries to which this administrative review pertained shall be assessed antidumping duties at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c). The Department intends to issue appropriate assessment

instructions to CBP 15 days after the publication of this notice.

Notifications

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Department's presumption that reimbursement of the antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

This notice also serves as a final reminder to parties subject to administrative protective order ("APO") of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305, which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested.
