

standard lease stipulations required by the Bridger-Teton National Forest Land and Resource Management Plan. For example, a combination of No Surface Occupancy, Timing Limitation, Controlled Surface Use, Conditional No Surface Occupancy, and the Jackson Hole Area Oil and Gas Lease stipulations may be used depending upon resource issues. The Bureau of Land Management may add additional stipulations in accordance with the applicable resource management plan. Future oil and gas exploration and development would occur in accordance with procedures established under an approved Federal oil and gas unit agreement.

Alternative 4: Implement Forest Plan Leasing Availability Decision with No Surface Occupancy. The Forest Service would not object to the Bureau of Land Management offering for sale leases within these specific parcels with a No Surface Occupancy stipulation. Future oil and gas exploration and development would occur in accordance with procedures established under an approved Federal oil and gas unit agreement.

Lead and Cooperating Agencies

The Forest Service is the lead agency. The Bureau of Land Management, the State of Wyoming, and Sublette County are cooperating agencies.

Responsible Official

This corrected NOI updates the responsible officials for this project. The Forest Service responsible official for this decision [36 CFR 228.102(d)] is Clinton D. Kyhl, Bridger-Teton National Forest Supervisor, Bridger-Teton National Forest, 340 N. Cache (P.O. Box 1888), Jackson, Wyoming 83001. The Bureau of Land Management responsible official for final decision (43 CFR 3101.7) relative to the issuance or disposition of the leases and lease parcels is Donald A. Simpson, State Director, Bureau of Land Management—Wyoming State Office, 5353 Yellowstone (P.O. Box 1828), Cheyenne, Wyoming 82009.

Nature of Decision To Be Made

The decision to be made is whether the Forest Service objects or does not object to the Bureau of Land Management offering for sale oil and gas leases on these specific parcels, and under what terms and conditions. This decision will supersede prior Forest Service decisions regarding oil and gas leasing on these specific parcels. Based upon the Forest Service's decision, the Bureau of Land Management will decide which parcels would be offered for lease

with appropriate stipulations, which parcels will be deferred, which parcels are not available for leasing, and which parcels are canceled.

Dated: March 12, 2014.

Clinton D. Kyhl,

Forest Supervisor, Bridger-Teton National Forest.

Foreign-Trade Zones Board

[Docket B-58-2013]

Foreign-Trade Zone (FTZ) 83—Huntsville, Alabama; Application for Production Authority, Toray Carbon Fibers America, Inc., Opening of Comment Period on New Evidence

An application has been submitted to the Foreign-Trade Zones Board by the Huntsville-Madison County Airport Authority, grantee of FTZ 83, requesting production authority on behalf of Toray Carbon Fibers America, Inc. (Toray), located in Decatur, Alabama. Toray is requesting authority to produce polyacrylonitrile (PAN) fiber and PAN-based carbon fiber under FTZ procedures. The Toray facility produces carbon fiber from both proprietary, domestically-produced PAN and foreign-sourced PAN.

On March 7, 2014, Toray made a submission to the FTZ Board that included new evidence in response to the examiner's preliminary recommendation for approval with a restriction requiring re-export of all foreign-status PAN. Public comment is invited on Toray's new evidence through April 21, 2014. Rebuttal comments may be submitted during the subsequent 15-day period, until May 5, 2014. Submissions shall be addressed to the FTZ Board's Executive Secretary at: Foreign-Trade Zones Board, U.S. Department of Commerce, Room 21013, 1401 Constitution Ave. NW., Washington, DC 20230.

A copy of Toray's March 7, 2014, submission will be available for public inspection at the address above, and in the "Reading Room" section of the FTZ Board's Web site, which is accessible via www.trade.gov/ftz.

For further information, contact Diane Finver at Diane.Finver@trade.gov or (202) 482-1367.

Dated: March 14, 2014.

Andrew McGilvray,
Executive Secretary.

Foreign-Trade Zones Board

[B-22-2014]

Foreign-Trade Zone 26—Atlanta, Georgia, Application for Additional Production Authority, PBR, Inc. d/b/a SKAPS Industries, (Non-Woven Geotextiles), Athens, Georgia

An application has been submitted to the Foreign-Trade Zones (FTZ) Board by the Georgia Foreign-Trade Zone, Inc., grantee of FTZ 26, requesting additional production authority on behalf of PBR, Inc. d/b/a SKAPS Industries (SKAPS), located in Athens, Georgia. The application conforming to the requirements of the regulations of the FTZ Board (15 CFR 400.23) was docketed on March 12, 2014.

The SKAPS facilities (185 employees) are located within Site 29 of FTZ 26. The facilities are used for the production of non-woven geotextile fabric using polypropylene staple fiber. SKAPS requested FTZ production authority in a notification proceeding (15 CFR 400.22) in 2013 (see, 78 FR 54234, 9-3-2013; Doc. B-37-2013). After an initial review, the requested production authority was limited to a five-year initial term, as well as a restriction that precludes inverted tariff benefits on foreign polypropylene staple fiber used in production of non-woven geotextile fabrics for U.S. consumption.

The pending application seeks to remove the above-mentioned restriction by requesting authority for SKAPS to choose the duty rate during customs entry procedures that applies to non-woven geotextile fabrics (duty rate—free) for the polypropylene staple fiber (duty rate—4.3%) sourced from abroad. The request indicates that the savings related to inverted tariff benefits on polypropylene staple fiber used in production for the U.S. market would further improve the facilities' international competitiveness.

In accordance with the FTZ Board's regulations, Pierre Duy of the FTZ Staff is designated examiner to evaluate and analyze the facts and information presented in the application and case record and to report findings and recommendations to the FTZ Board.

Public comment is invited from interested parties. Submissions shall be addressed to the FTZ Board's Executive Secretary at the address below. The closing period for their receipt is May 20, 2014. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period to May 20, 2014.
