L. 110-289; approved July 30, 2008) the Department of the Treasury (Treasury) implemented two programs under the HFA (Housing Finance Agency) Initiative. The statute provides the Secretary authority to purchase securities and obligations of Fannie Mae and Freddie Mac (the GSEs) as he determines necessary to stabilize the financial markets, prevent disruptions in the availability of mortgage finance, and to protect the taxpayer. On December 4, 2009, the Secretary made the appropriate determination to authorize the two programs of the HFA Initiative: The New Issue Bond Program (NIBP) and the Temporary Credit and Liquidity Program (TCLP). Under the NIBP, Treasury purchased securities from the GSEs backed by mortgage revenue bonds issued by participating state and local HFAs. Under the TCLP, Treasury purchased a participation interest from the GSEs in temporary credit and liquidity facilities provided to participating HFAs as a liquidity backstop on their variable-rate debt. In order to properly manage the two programs of the initiative, continue to protect the taxpayer, and assure compliance with the Programs' provisions, Treasury instituted a series of data collection requirements to be completed by participating HFAs and furnished to Treasury through the GSEs.
