

SUPPLEMENTARY INFORMATION:

I. Thor's Petition: Pursuant to 49 U.S.C. 30118(d) and 30120(h) (see implementing rule at 49 CFR part 556), Thor submitted a petition for an exemption from the notification and remedy requirements of 49 U.S.C. Chapter 301 on the basis that this noncompliance is inconsequential to motor vehicle safety.

This notice of receipt of Thor's petition is published under 49 U.S.C. 30118 and 30120 and does not represent any agency decision or other exercise of judgment concerning the merits of the petition.

II. RV Trailers Involved: Affected are approximately 3,465 RV trailers manufactured between November 7, 2008 and September 10, 2013. The trailer models affected are Livin' Lite model year (MY) 2008–2014 Quicksilver, MY 2009–2014 Camplite, MY 2009–2014 VRV, MY 2009–2014 Bearcat, and MY 2013–2014 Axxess.

III. Noncompliance: Thor explains that the noncompliance is that of the absence of the Cargo Carrying Capacity (CCC) label that is required by paragraph S9 of FMVSS No. 110 and paragraph S10 of FMVSS No. 120 for all motor homes and RV Trailers.

IV. Rule Text: Paragraph S9 of FMVSS No. 110 requires in pertinent part:

. . . S9.3 Each motor home and RV Trailer single stage or final stage manufacturer must affix either a motor home occupant and cargo carrying capacity (OCCC) label (Figure 3) or a RV trailer cargo carrying capacity (CCC) label (Figure 4) to its vehicles that meets the following criteria . . .

Paragraph S10 of FMVSS No. 120 requires in pertinent part:

. . . S10.4 Each motor home and RV Trailer single stage or final stage manufacturer must affix either a motor home occupant and cargo carrying capacity (OCCC) label (Figure 1) or a RV trailer cargo carrying capacity (CCC) label (Figure 2) to its vehicles that meets the following criteria . . .

V. Summary of Thor's Analyses: Thor stated its belief that the subject noncompliance is inconsequential to motor vehicle safety for the following reasons:

1. The cargo carrying capacity information displayed on the CCC label is redundant since it is also displayed on the Tire Placard Label as required by paragraph S4.3 of FMVSS No. 110.

2. Although the Tire Placard Label is not required on trailers over 10,000 lbs GVWR, Thor placed the Tire Placard Label on all trailers it produced and is located on the trailer tongue next to the Federal Certification Label.

3. The Livin' Lite Owner's manuals (which can be found on

www.livinlite.com) instruct owners on the loading of their vehicle and where to find the required ratings that are displayed on the Federal Certification Label.

4. The Manufacturer's Certificate of Origin (MSO) also contains both the Gross Vehicle Weight Rating (GVWR) and the unloaded vehicle weight (UVW). The difference of these two numbers would also give the owner the available CCC of the trailer.

5. Thor had received no complaints or inquiries regarding cargo carrying capacity from any of its owners or dealers.

6. Thor also stated its belief that NHTSA has previously stated (72 FR 68442–68466, December 4, 2007) that the most important time for RV purchasers to receive the CCC information is at the point-of-sale.

Thor has additionally informed NHTSA that it has corrected the noncompliance so that all future production of these trailers will fully comply with FMVSS Nos. 110 and 120.

In summation, Thor believes that the described noncompliance of the subject trailers is inconsequential to motor vehicle safety, and that its petition, to exempt from providing recall notification of noncompliance as required by 49 U.S.C. 30118 and remedying the recall noncompliance as required by 49 U.S.C. 30120 should be granted.

NHTSA notes that the statutory provisions (49 U.S.C. 30118(d) and 30120(h)) that permit manufacturers to file petitions for a determination of inconsequentiality allow NHTSA to exempt manufacturers only from the duties found in sections 30118 and 30120, respectively, to notify owners, purchasers, and dealers of a defect or noncompliance and to remedy the defect or noncompliance. Therefore, any decision on this petition only applies to the subject noncompliant trailers that Thor no longer controlled at the time it determined that the noncompliance existed. However, any decision on this petition does not relieve trailer distributors and dealers of the prohibitions on the sale, offer for sale, or introduction or delivery for introduction into interstate commerce of the noncompliant trailers under their control after Thor notified them that the subject noncompliance existed.

Authority: (49 U.S.C. 30118, 30120; Delegations of authority at 49 CFR 1.95 and 501.8).

Jeffrey Giuseppe,

Acting Director, Office of Vehicle Safety Compliance.

BILLING CODE 4910–59–P

DEPARTMENT OF TRANSPORTATION**Surface Transportation Board**

[Docket No. AB 1115X]

Nebraska Central Railroad Company—Abandonment Exemption—in Merrick County, Neb.

Nebraska Central Railroad Company (NCRC) has filed a verified notice of exemption under 49 CFR part 1152 subpart F—*Exempt Abandonments* to abandon the 1.81-mile rail line located between milepost 17.5, near Central City, and milepost 19.31, in Central City, Merrick County, Neb. The line traverses United States Postal Service Zip Code 68826.

NCRC has certified that: (1) No local traffic has been handled to or from any customer over the line for at least two years; (2) no overhead traffic has been handled on the line for at least two years; (3) no formal complaint filed by a user of rail service on the line (or a state or local government entity acting on behalf of such user) regarding cessation of service over the line either is pending before the Surface Transportation Board (Board) or any U.S. District Court or has been decided in favor of the complainant within the two-year period; and (4) the requirements at 49 CFR 1105.7(c) (environmental report), 49 CFR 1105.11 (transmittal letter), 49 CFR 1105.12 (newspaper publication), and 49 CFR 1152.50(d)(1) (notice to governmental agencies) have been met.

As a condition to this exemption, any employee adversely affected by the abandonment shall be protected under *Oregon Short Line Railroad—Abandonment Portion Goshen Branch Between Firth & Ammon, in Bingham & Bonneville Counties, Idaho*, 360 I.C.C. 91 (1979). To address whether this condition adequately protects affected employees, a petition for partial revocation under 49 U.S.C. 10502(d) must be filed.

Provided no formal expression of intent to file an offer of financial assistance (OFA) has been received, this exemption will be effective on April 29, 2014, unless stayed pending reconsideration. Petitions to stay that do

not involve environmental issues,¹ formal expressions of intent to file an OFA under 49 CFR 1152.27(c)(2),² and trail use/rail banking requests under 49 CFR 1152.29 must be filed by April 7, 2014. Petitions to reopen or requests for public use conditions under 49 CFR 1152.28 must be filed by April 17, 2014, with the Surface Transportation Board, 395 E Street SW., Washington, DC 20423-0001.

A copy of any petition filed with the Board should be sent to NCRC's representative: Karl Morell, Ball Janik LLP, 655 Fifteenth Street NW., Suite 225, Washington, DC 20005.

If the verified notice contains false or misleading information, the exemption is void *ab initio*.

NCRC has filed environmental and historic reports that address the effects, if any, of the abandonment on the environment and historic resources. OEA will issue an environmental assessment (EA) by April 4, 2014. Interested persons may obtain a copy of the EA by writing to OEA (Room 1100, Surface Transportation Board, Washington, DC 20423-0001) or by calling OEA at (202) 245-0305. Assistance for the hearing impaired is available through the Federal Information Relay Service (FIRS) at (800) 877-8339. Comments on environmental and historic preservation matters must be filed within 15 days after the EA becomes available to the public.

Environmental, historic preservation, public use, or trail use/rail banking conditions will be imposed, where appropriate, in a subsequent decision.

Pursuant to the provisions of 49 CFR 1152.29(e)(2), NCRC shall file a notice of consummation with the Board to signify that it has exercised the authority granted and fully abandoned the line. If consummation has not been effected by NCRC's filing of a notice of consummation by March 28, 2015, and there are no legal or regulatory barriers to consummation, the authority to abandon will automatically expire.

Board decisions and notices are available on our Web site at "WWW.STB.DOT.GOV."

Decided: March 24, 2014.

¹ The Board will grant a stay if an informed decision on environmental issues (whether raised by a party or by the Board's Office of Environmental Analysis (OEA) in its independent investigation) cannot be made before the exemption's effective date. See *Exemption of Out-of-Serv. Rail Lines*, 5 I.C.C. 2d 377 (1989). Any request for a stay should be filed as soon as possible so that the Board may take appropriate action before the exemption's effective date.

² Each OFA must be accompanied by the filing fee, which is currently set at \$1,600. See 49 CFR 1002.2(f)(25).

By the Board, Rachel D. Campbell,
Director, Office of Proceedings.

Jeffrey Herzig,
Clearance Clerk.

BILLING CODE 4915-01-P

DEPARTMENT OF THE TREASURY

Submission for OMB Review; Comment Request

March 25, 2014.

The Department of the Treasury will submit the following information collection request to the Office of Management and Budget (OMB) for review and clearance in accordance with the Paperwork Reduction Act of 1995, Public Law 104-13, on or after the date of publication of this notice.

DATES: Comments should be received on or before April 28, 2014 to be assured of consideration.

ADDRESSES: Send comments regarding the burden estimate, or any other aspect of the information collection, including suggestion for reducing the burden, to (1) Office of Information and Regulatory Affairs, Office of Management and Budget, Attention: Desk Officer for Treasury, New Executive Office Building, Room 10235, Washington, DC 20503, or email at *OIRA_Submission@OMB.EOP.GOV* and (2) Treasury PRA Clearance Officer, 1750 Pennsylvania Ave. NW., Suite 8140, Washington, DC 20220, or email at *PRA@treasury.gov*.

FOR FURTHER INFORMATION CONTACT: Copies of the submission(s) may be obtained by calling (202) 927-5331, email at *PRA@treasury.gov*, or the entire information collection request may be found at *www.reginfo.gov*.

Community Development Financial Institutions (CDFI) Fund

OMB Number: 1559-0016.

Type of Review: Revision of a currently approved collection.

Title: New Markets Tax Credit (NMTTC) Program Allocation Application.

Abstract: The New Markets Tax Credit (NMTTC) Program will provide an incentive to investors in the form of a tax credit, which is expected to stimulate investment in private capital that, and in turn, will facilitate economic and community development in low-income communities. In order to qualify for an allocation of tax credits under the NMTTC Program an entity must be certified as a qualified community development entity and submit an allocation application to the CDFI Fund. Upon receipt of such

applications, the CDFI Fund will conduct a competitive review process to evaluate applications for the receipt of NMTTC allocations.

Affected Public: Private Sector: Businesses or other for-profits, Not-for-profit institutions; State, Local, and Tribal Governments.

Estimated Annual Burden Hours: 81,722.

Dawn D. Wolfgang,

Treasury PRA Clearance Officer.
