Abstract of Proposed Collection

Since 2002, MEPI has obligated more than \$800 million to over 725 organizations, which carry out more than 1,000 projects in support of political, economic, education and women's rights reform in 20 countries of the Middle East and North Africa. As a normal course of business and in compliance with 22 U.S.C. 2395(b) and OMB Guidelines contained in Circular A-110, recipient organizations are required to provide, and the U.S. State Department is required to collect, periodic program and financial performance reports. The responsibility of the State Department to track and monitor the programmatic and financial performance necessitates a database that can help facilitate this in a consistent and standardized manner. The MEPI Performance Reporting System (PRS) enables enhanced monitoring and evaluation of grants through standardized collection and storage of relevant award elements, such as quarterly progress reports, workplans, results monitoring plans, grant agreements, financial reports, and other business information related to MEPI implementers. The PRS streamlines communication with implementers and allows for rapid identification of information gaps for specific projects.

Methodology

Information will be entered into PRS electronically by respondents.

SUPPLEMENTARY INFORMATION:

Background

On January 24, a group of 14 WTO Members (Australia, Canada, China, Costa Rica, the European Union, Hong Kong, Japan, Korea, New Zealand, Norway, Singapore, Switzerland, Chinese Taipei, and the United States) accounting for 86 percent of global trade in environmental goods announced in a joint statement their interest in negotiating an agreement to eliminate tariffs on environmental goods that are

needed to protect the environment and address climate change. Examples of such environmental goods include solar panels, wind turbines, and catalytic converters, among others. The joint statement is available at: <http://www.ustr.gov/about-us/press-office/press-releases/2014/January/USTR-Froman-remarks-on-new-talks-towards-increased-trade-environmental-goods>.

The negotiations for an environmental goods agreement (EGA) will be open to all WTO Members that are prepared to eliminate tariffs on a set of environmental goods, building on the list of 54 environmental goods endorsed by APEC Leaders in 2012. The list of 54 environmental goods endorsed by Asia-Pacific Leaders is available at http://www.apec.org/Meeting-Papers/Leaders-Declarations/2012/2012_aelm/2012_aelm_annexC.aspx. Some WTO Members charge tariffs as high as 35 percent on some of these products. This list of products is the starting point for establishing the scope of the proposed agreement and we seek comments on additional products that could be included in the negotiations.

USTR is observing the relevant procedures of the Bipartisan Trade Promotion Authority Act of 2002 (19 U.S.C. 3804) with respect to notifying and consulting with Congress regarding such negotiations. The TPSC intends to hold a public hearing on specific issues pertaining to negotiations on an agreement to eliminate tariffs on environmental goods on June 5, 2014.

Comments From the Public and Hearing

The Chair of the TPSC invites interested persons to provide written comments and/or oral testimony at a public hearing that will assist USTR in assessing the proposed agreement. The TPSC Chair invites comments on all relevant matters, and, in particular, on the following: (1) Products that the United States should seek to include under the EGA, including a detailed description of the specific product, and as appropriate, the 6-digit (or 8-digit or 10-digit, where applicable) Harmonized System tariff classification number; (2) environmental uses and benefits of the products being proposed for inclusion; (3) U.S. trading partners that are significant producers or consumers of environmental goods; and (4) how best to ensure that such an agreement remains relevant into the future.

A hearing will be held on June 5, 2014, in Rooms 1 and 2, at 1724 F Street NW., Washington, DC. Persons wishing to testify at the hearing must provide written notification of their intention by May 5, 2014. The notification should include: (1) The name, address, and
